NOTE 1–DESCRIPTION OF PLAN:

The following description of the Panhandle Eye Group, L.L.P. 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. ***General–***The Plan is a defined contribution plan covering all employees of the plan sponsors who have completed one year of service with the sponsors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan sponsors comprise Panhandle Eye Group, L.L.P., and its nine partners, all of which are professional associations (PAs) owned by medical doctors specializing in ophthalmology.

B. ***Plan Administration–***The Plan is administered by the Pension Committee which is appointed by the board of directors of the Company. Beginning November 28, 2005, Amarillo National Bank assumed responsibility for serving as the Plan's trustee.

C. ***Contributions–***There are various limits attributable to the amount the participant can defer into the Plan. The participant's salary deferral cannot exceed a maximum dollar amount determined under the Internal Revenue Code (IRC), which amount may be adjusted from time to time. For 2012 the applicable limit was $17,000, with a higher limit available to individuals age 50 or more. Generally, if the participant's total deferrals from all cash or deferred arrangements for a calendar year exceed the dollar amount established under the income tax laws and regulations, the excess will be included in the participant's taxable income if not refunded to him. The IRC also requires that the combined contribution by the participant and the employer not exceed the lesser of $50,000 or 100% of the participant's pay. The Company may or may not make contributions to the Plan, in addition to the participant's 401(k) contributions. The Company may make non-elective or discretionary contributions and required minimum contributions under the "top-heavy" rules. The Company may also place restrictions on the amount the participant may defer in order to comply with IRC limits applicable to the plan and its participants taken as a whole.

D. ***Participant Accounts–***Each participant's account is credited with the participant's contribution, the employer's matching contributions, and earnings attributable to the investments held by his account. Forfeited balances of terminated participants' nonvested accounts, when applicable, are allocable to the other participant accounts based on a nonintegrated (pro rata) allocation formula, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. ***Vesting–***Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in any employer matching or discretionary contributions is based on years of service.

NOTE 1–DESCRIPTION OF PLAN--(Continued):

E. ***Vesting–(Continued)–***A participant vests in employer contributions in accordance with the following schedule:

Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six or more years	100%

One year of service for vesting purposes is any calendar year in which 1,000 hours of service are performed.

F. ***Investment Options–***A participant may direct employee and employer contributions to various funds offered by the Plan's group annuity contract with John Hancock Life Insurance Company (USA), the U.S. division of Manulife Financial Corporation, based in Toronto, Ontario. The funds, in turn, hold portfolios of mutual funds which are selected in accordance with the investment objectives of the respective funds. Participants may select funds issued by John Hancock with designations ranging from conservative to aggressive, each of which holds a mixture of mutual funds in accordance with the selected risk level, or may select from a large menu of the other series of funds issued by John Hancock as well as externally managed mutual funds. John Hancock serves as the Plan's recordkeeper and investment manager in accordance with a contractual agreement with the Plan's trustee.

G. ***Participant Loans–***Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of the vested interest of the participant in the Plan. Unless otherwise determined from time to time by the plan sponsors, interest rates will be the prime rate of interest charged in local markets as of the date of the loan, plus 1%. Participants may have only one loan outstanding at any one time, and such loans may be only for educational, medical or dental purposes, or the acquisition or improvement of a home or other real estate. The maximum duration of the loans is 5 years unless the loan is for the purchase of a participant's principal residence, in which case the maximum term is 15 years. Principal and interest are paid ratably through monthly payroll deductions.

H. ***Payment of Benefits–***Upon retirement or termination of service a participant will receive a lump-sum distribution of his or her vested account balance. A vested account balance greater than $1,000, but not over $5,000, will be automatically transferred or rolled over into an IRA selected by the Plan Trustee unless the participant elects otherwise. A participant with a vested balance of $5,000 or more may elect to defer distribution to a later date.

I. ***Forfeited Accounts–***Forfeited nonvested employer contributions are held as cash until allocated by the trustee as of the Plan's year-end based on a nonintegrated (pro rata) allocation formula, and subsequently credited to the remaining participants' accounts.

NOTE 1–DESCRIPTION OF PLAN--(Continued):

J. ***Administrative Expenses–***For the year ended December 31, 2012, administrative expenses of the Trust consisted of fees charged by John Hancock USA or its funding companies and the third party administrator. Other expenses associated with the Plan were absorbed by the employer.

NOTE 2–SUMMARY OF ACCOUNTING POLICIES:

A. ***Basis of Accounting:*** The financial statements of the Plan are prepared on the accrual basis of accounting.

B. ***Estimates:*** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

C. ***Notes Receivable from Participants:*** Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

D. ***Investment Valuation:*** The Plan's investments consist of units of participation in funds offered by John Hancock Life Insurance Company (USA) [John Hancock], which funds represent sub-accounts in a group annuity contract with that Company. The valuation of the funds is based on the fair values of the underlying mutual fund shares, and the value of the units of participation is determined by John Hancock by dividing the total value of each fund by the number of units outstanding. The Plan's gains and losses on investments bought and sold as well as held during the year are reported as appreciation (or depreciation if applicable) in fair value of investments. See Note 3 for further information regarding the determination of fair values of the investments.

E. ***Payment of Benefits:*** Benefits are recorded when paid.

F. ***Operating Expenses:*** All expenses of maintaining the Plan are paid by the Company.

G. ***Date of Management's Review:*** Subsequent events were evaluated through September 27, 2013 which is the date the financial statement were available to be issued.

NOTE 3–FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain instruments could result in a different fair value at the reporting date.

		Fair Value Measurements Using:
	Fair Value	***Level 1***
December 31, 2012:		
Units of participation in funds of John Hancock Life Ins. Co. (USA).	$ 5,663,888	$ 5,663,888
December 31, 2011:		
Units of participation in funds of John Hancock Life Ins. Co. (USA)..	$ 4,983,510	$ 4,983,510

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. As of December 31, 2012 and 2011, the Plan had no investments that were classified under this hierarchy as either Level 2 or Level 3.

As reflected by the financial reports of the applicable John Hancock funds, the valuation of the funds was based on the exit values of the shares of the underlying mutual funds, and in the opinion of its auditors, the valuation techniques used to establish fair values qualified as Level 1. John Hancock certified that the values of the units of participation, in turn, are equal to the values of the funds divided by the total number of units outstanding.

NOTE 4–INVESTMENTS:

The following presents investments that represent 5% or more of the Plan's net assets.

John Hancock Lifestyle Fund - Balanced Portfolio..	$ 1,388,793
John Hancock Lifestyle Fund - Growth Portfolio.	1,576,248
John Hancock Lifestyle Fund - Aggressive Portfolio. . . .	521,727
Money Market Fund..	501,138

During 2012, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $671,673.

NOTE 5–INFORMATION PREPARED AND CERTIFIED BY THE RECORDKEEPER:

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the John Hancock Life Insurance Company (USA), which serves as the investment manager and recordkeeper for the Plan as agent for Amarillo National Bank, trustee for the Plan:

Units of participation in John Hancock funds.	$ 5,663,888

During 2012, 68 John Hancock funds had been selected or retained by the participants, and 54 of those funds were held at December 31, 2012.

NOTE 6–ACCOUNTS PAYABLE:

Accounts payable consist of excess contributions identified by the plan trustee's third party administrators subsequent to year-end and distributed in the subsequent year.

NOTE 7–RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2012	*2011*
Net assets available for benefits per the financial statements.	$ 5,694,781	$ 5,035,857
Net assets available for benefits per Schedule H to the Form 5500.	$ 5,694,781	$ 5,035,857

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2011 to Schedule H of Form 5500:

Benefits paid to participants per the financial statements.	$ 500,652
Benefits paid to participants per Schedule H of Form 5500.	$ 500,652

NOTE 8–CONCENTRATIONS:

As of December 31, 2012, all assets were held by John Hancock Life Insurance Company (USA), a U.S. division of Manulife Financial Corporation, based in Toronto, Ontario.

NOTE 9–PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and also the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in any Company contributions credited to their accounts.

NOTE 10–TAX STATUS:

The Plan operates under the terms of a prototype plan provided by the Plan's trustee, which plan is amended on an ongoing basis in order to comply with the latest laws and regulations. During 2010 the Plan adopted the prototype plan provided to the trustee by its newly-engaged third party administrator to replace a similar prototype plan which had been maintained by the trustee with the assistance of its previous third party administrator. The latest determination letters received from the Internal Revenue Service advising the Plan's trustee that both of these prototypes are acceptable under section 401 of the Internal Revenue Code are dated March 31, 2008. The plan administrator and its trustee believe that the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan had taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by the Internal Revenue Services; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTE 11–RISKS AND UNCERTAINTIES:

The Plan's investments represent units of participation in funds which, in turn, represent underlying shares in various mutual funds. Such underlying shares are exposed to a number of risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
