Because of the matter described in the Basis for Disclaimer Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by John Hancock, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplementary schedules. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule of Assets (Held at Year End), which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplementary schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2012

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Chapman/Leonard Studio Equipment, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering all employees of Chapman/Leonard Studio Equipment, Inc. (the "Company"). In order to satisfy eligibility requirements, the Plan requires employees to attain age 21 and complete one year of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was adopted on January 1, 1999 and amended and restated on August 1, 2003.

Contributions

Participants may contribute up to the lesser of 15% of eligible pay or the maximum contribution of $17,000 (plus a $5,500 catch up provision for participants that have attained age 50), in accordance with the Internal Revenue Code.

The Plan provides for discretionary Company matching contributions. Currently the Company makes a discretionary matching contribution of 50%, up to 6% of a participant's salary. In order to qualify for the discretionary contributions, a participant must be employed on the last day of the year and work at least 1,000 hours during the Plan year.

The Plan provides the Company the option of making non-elective contributions. No such contributions were made by the Company.

Participant Accounts

Each participant's account is credited with the participant’s contribution and an allocation of the Company’s contribution and the Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants may also transfer benefits from other qualified plans into the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service, following the schedule of 20 percent vested after 2 years of service and 20 percent each year thereafter until fully vested.

Payment of Benefits

In the event of termination of employment due to retirement, disability, or death, a participant may elect to receive (a) a lump sum distribution equal to the value of his/her account, (b) a distribution in the form of an annuity, or (c) a distribution in the form of installment payments. For termination of employment for other reasons, a participant may receive the value of the vested interest in his/her account as a lump sum distribution.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of the lesser of 50% of their vested account balance and $50,000. Also, participants are limited to one outstanding loan at any time. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 10.25%. Loan maturity is not to exceed five years, except in the case where the loan is used to acquire or construct the participant's principal residence. In such a case, the repayment period may not extend beyond ten years from the date of the loan.

Administrative Expenses

Certain administrative expenses and fees of the Plan, including fees of the administrative agent and independent public accountants, are to be paid out of the Plan assets. The Company may, at it's discretion, reimburse the Plan for such administrative expenses. The Company, at its discretion, decided to pay for the independent public accountants on behalf of the Plan.

Management fees and other transaction costs associated with the various investment options are included by the custodian in net appreciation (depreciation) in fair value of investments.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures of terminated participants' non-vested discretionary Company contributions may be used to reduce administrative expenses and Company contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments

All investments are carried at market value as determined by John Hancock Life Insurance Company (the "Custodian") based on quoted market prices. Investments are subject to risk due to market fluctuations. The Custodian issues quarterly account statements for the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2012

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their Company contributions.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

The Custodian is a party-in-interest with respect to the Plan. All investments are held with the Custodian. Loans receivable from Plan participants and the related interest income are also considered party-in-interest transactions.

The records of the Plan indicate no party-in-interest transactions, which are prohibited by ERISA and for which no statutory or administrative exemption exists.

NOTE 5 - INFORMATION CERTIFIED BY THE INVESTMENT CUSTODIAN (UNAUDITED)

Investments in participant directed accounts, as certified by the Custodian, are stated at fair value. Market prices are used to value investments. Shares of mutual funds are valued at quoted prices which represent the net asset value of shares held by the Plan daily. All information on the participant directed funds included in the accompanying statements and supplementary schedule have been prepared from information provided by the Custodian. The Plan Administrator has obtained certifications from the Custodian that the information is complete and accurate.

NOTE 6 - INVESTMENTS

Investments that represent 5% or more of the Plan's net assets are as follows:

John Hancock Life Insurance Company (U.S.A)

	2012	2011
Lifestyle Conservative	$ 373,211	$ 326,273
Lifestyle Balanced	$ 475,525	$ 405,777
Lifestyle Growth	$ 520,825	$ 414,591
Lifestyle Aggressive	$ 180,920	$ 148,536
3 Yr. Comp	$ 191,551	$ -

NOTE 7 - TAX STATUS

The Plan obtained its latest determination letter on March 13, 2009, in which the Internal Revenue Service stated that the Plan, as then designated, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan has been amended since receiving the determination letter. However, the Company believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and has no income subject to unrelated business tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 8 - FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2012 and 2011.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Guaranteed investment contract: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Interest bearing cash: Valued at the amount of cash bearing interest at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2012 and 2011:

	Assets at Fair Value as of December 31, 2012			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,304,866	$ -	$ -	$ 2,304,866

Interest bearing cash	1,760	-	-	1,760
Total assets at fair value	$ 2,306,626	$ -	$ 191,551	$ 2,498,177

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

	Assets at Fair Value as of December 31, 2011

Assets at fair value	$ 1,951,243	$ -	$ 174,488	$ 2,125,731

Level 3 Gains and Losses

The following table sets forth a summary of changes in the fair value of the plan's level 3 assets for the year ended December 31, 2012:

	Guaranteed investment contract
Balance, beginning of year	$ 174,488
Unrealized gains/(losses) relating to instruments still held at the reporting date	-
Purchases, sales, issuances, and settlements - net	17,063
Balance, end of year	$ 191,551

NOTE 9 - SUBSEQUENT EVENTS

The Plan evaluated all other subsequent events through September 19, 2013, the date at which the financial statements were available to be issued. The Plan is not aware of any significant events that occurred subsequent to the balance sheet date, but prior to September 19, 2013, that would have a material impact on its financial statements.
