PLAN # 002
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED
NOVEMBER 30, 2009 and 2008

NOTE 1-DESCRIPTION OF PLAN

The following description of the Positive Promotions, Inc. Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a profit sharing plan covering all non-union, full-time employees of the Company who have at least one year of service and are actively employed on the last day of the Plan year. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, the employer shall contribute to the Plan on behalf of the participants, at the employer's discretion.

Participant Accounts. Each participant's account is credited with the employer's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Vesting in the Company's profit sharing contribution plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of continuous service increasing to 100% after six years.

Payment of Benefits.

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or elect to receive payments at a later date, but no later than the April 1 following the calendar year during which the participant attains age 70 ½. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

A participant may withdraw up to 100% of his fully vested account after attaining age 59 ½ or before, provided the participant's account has accumulated for at least two years or the participant has completed five years of participation in the plan.

Participants' Notes Receivable. Participants, other than shareholders, may borrow from their fund accounts up to a maximum of $50,000. The loans are subject to an interest rate equal to two percent in excess of the prime rate in the Wall Street Journal on the first day of the month during which the loan application is received. The loans are secured by the participant's vested account. Loans must normally be repaid within such period as agreed to between the participant and plan administrator, up to a maximum of five years, unless the loan is for the purchase or construction of a primary residence, in which case the term may be longer than five years. Repayment of principal and interest is paid ratably through weekly payroll deductions. Any outstanding loans are due and payable upon termination of employment.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 3 – INVESTMENTS

The Plan offers various participant directed investment options. The following table presents investments as of November 30, 2009 and 2008. Investments other than participant loans, are stated at fair value based upon quoted market prices. Participant loans are stated at cost, which approximates fair value. The information was obtained from data that has been prepared and certified to be complete and accurate by CEP Consultants, Inc., the custodian of the Plan.

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2004, the Plan entered into a benefit-responsive investment contract with Gartmore Trust Company ("Gartmore"). Gartmore maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Gartmore. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at November 30, 2009 and 2008 were $856,627and $833,752, respectively. The average yield and crediting interest rates were approximately 1.98% and 2.89% for 2009 and 2008. The crediting interest rate is based on a formula agreed upon with issuer. Such interest rates are reviewed on a monthly basis for resetting.

NOTE 5 – PARTICIPANTS' BENEFITS PAYABLE

At November 30, 2008, there is a benefit payable to several participants in the amount of $2,785. As of November 30, 2008 the funds have not yet been distributed from the Plan.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 25, 1996, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.
