To the Custodian and Participants of
Wawona Frozen Foods 401(k) Profit Sharing Plan
Clovis, California

Report on Financial Statements

We audited the accompanying financial statements of Wawona Frozen Foods 401(k) Profit Sharing Plan (the "Plan"), which comprise the statements as of December 31, 2012 and 2011 and for the year ended December 31, 2012, and the supplemental schedule as of and for the year ended December 31, 2012, as listed in the accompanying index, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements and supplemental schedule in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the custodian is complete and accurate.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial status of Wawona Frozen Foods 401(k) Profit Sharing Plan as of December 31, 2012 and 2011, and the changes in its financial status for the year ended December 31, 2012, in accordance with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the accompanying index, together referred to as "Supplemental Information," is presented for the purpose of additional analysis and is not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the effects on Schedule H, Line 4i, Schedule of Assets (Held at end of Year) of the matter described in the Basis for Qualified Opinion paragraph, the information is fairly stated in all material respects in relation to the financial statements as a whole.

WAWONA FROZEN FOODS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2012

1. PLAN DESCRIPTION

The following brief description of The Wawona Frozen Foods 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Agreement for more complete information.

General - The Plan was established on January 1, 1991, and covers all employees who have completed one year of service and who are twenty-one years of age or older. The Plan is subject to the Employee Retirement Income Securities Act of 1974 ("ERISA") and is exempt from Federal and California taxes on income under the current provisions of the Internal Revenue Code and the California Revenue and Taxation Code, respectively. There were 317 participants in the Plan as of December 31, 2012. Once eligible to participate, employees can enter the Plan on the first day of January or July.

Administration - The Plan is administered by Wawona Frozen Foods (the "Company"). Professional fees related to the administration of the Plan are paid by the Company.

Contributions - Participant contributions to the Plan are elective deferrals, wholly vested, and are invested in accordance with the participant's instructions. The Company provides a matching contribution up to 3% of the employee's eligible compensation. The matching contribution is provided to active employees only.

Forfeitures - Forfeitures of non-vested participant accounts totaled $4,351 for the year ended December 31, 2012.

Participant Accounts - Each participant's account is credited with their contributions and the Company's matching contributions and actual earnings on investments are allocated exclusively to the electing participant. The benefit to which a participant is entitled is the amount that can be provided from the participant's account.

Investing Options - The Plan holds its investment options through John Hancock Life Insurance Company. Upon enrollment in the Plan, a participant may direct contributions between three Guaranteed Interest Accounts and up to forty-nine Mutual Funds.

Vesting - Participants are immediately vested in their elective deferral contributions and actual earnings at all times. Participants are vested in the employer contributions in accordance with the following schedule:

Year	Vesting
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits - Upon termination of service (retirement, disability or death), a qualified participant with a vested account balance of $3,500 or less will receive their account balance in a lump sum payment. For vested balances exceeding $3,500, the participant or beneficiary may elect, in writing, to receive payment in lump sum or in monthly, quarterly, or annual installments under a fixed reasonable period of time.

Participant Loans - The Plan allows participants to borrow funds from the Plan's assets, up to the lesser of one-half of their elective deferral and/or rollover account balance or $50,000, per Plan participant. Principal and interest must be repaid not less frequently than quarterly over a period not to exceed five (5) years. Loans used to acquire a principal residence shall provide for periodic repayment over a reasonable period of time that may exceed five (5) years. All loans are secured by a minimum of 50% of the participant's vested interest in the Plan. Interest is determined by the Plan administrator and ranges from 6% to 10%.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The Plan's financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments - The Plan's investments are stated at fair value, except for guaranteed interest contracts, which are stated at contract value as reported to the Plan by the insurance company. The estimated fair value of the guaranteed interest contract is $528,937. The fair values of the investments are stated at quoted market prices as determined by the trustee, John Hancock Life Insurance Company (Note 3). Participant loans are valued at cost, which approximates fair value.

Purchases and sales securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Fair Value of Financial Instruments - The carrying value of the Plan's investments approximates fair value, except for the guaranteed interest contract, because of the short-term maturity of those instruments. The Plan estimates the fair value of their participant loans based on the current rates available to them for loans of the same remaining maturities. The estimated fair values of the Plan's participant loans approximates their recorded values at December 31, 2012.

Payment of Benefits - Benefits are recorded when paid.

3. INVESTMENTS

The Plan has an investment arrangement with John Hancock Life Insurance Company to purchase guaranteed interest contracts and pooled separate accounts. John Hancock Life Insurance Company maintains the contributions in separate allocated accounts. The participant's account is credited with actual earnings on the contracts and funds, and charged for Plan withdrawals. The investments are included in the financial statements at the end of year values reported and certified to the Plan by John Hancock Life Insurance Company as complete and accurate. The investments held with John Hancock Life Insurance Company represent 97% and 96% of the Plan's assets as of December 31, 2012 and 2011, respectively.

The following represents the fair value of investments at December 31:

	2012	2011
Investments at Fair Value as Determined by Quoted Market Price:		
Pooled separate accounts	$2,769,872	$2,282,022
Participant loans receivable	130,900	127,648
Total	2,900,772	2,409,670
Investments at Contract Value:		
Guaranteed interest accounts	528,937	492,450
Total investments	$3,429,709	$2,902,120

During the year ended December 31, 2012, the Plan's investments (including investments both sold and held during the year) appreciated as follows:

Investments at Fair Value as Determined by Quoted Market Price:	
Pooled separate accounts	$230,064

See independent auditors' report.

Investments representing five percent or more of the Plan's net assets are as follows as of December 31, 2012:

John Hancock Life Insurance Company:	
Pooled separate accounts:	
AF AM Balance	$ 192,362
Money Market Fund	928,475
Mid Cap Stock Fund	182,570
Guaranteed interest accounts	468,405
LS Balanced	163,157
	$1,934,969

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The following tables set forth, by the level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2012:

		Fair Value Measurement Using Quoted Prices in Active Markets (Level 1)
	Fair Value	
Aggressive growth	$ 574,819	$ 574,819
Asset allocation	481,044	481,044
Conservative	928,475	928,475
Growth	278,161	278,161
Growth and income	415,426	415,426
Income	91,947	91,947
Total	$2,769,872	$2,769,872

See independent auditors' report.

5. FEDERAL INCOME TAX STATUS

The Internal Revenue Service determined and informed the Plan, by a letter dated March 31, 2003, that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Code. The Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, amounts credited to participant accounts will continue to be 100% vested and nonforfeitable.

7. ADP/ACP NONDISCRIMINATION TEST

The Plan passed the nondiscrimination test performed by the plan administrator for plan year ended December 31, 2012.

8. SUBSEQUENT EVENTS

The Plan's management has reviewed the results of the Plan's operations for the period of time from its year ended December 31, 2012 through October 7, 2013, the date of the independent auditors' report, which was the date the financial statements were available to be issued. The Plan's management has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements, nor have any subsequent events occurred, the nature of which would require disclosure.
