We have audited the accompanying statements of assets available for the benefit of the Tappan Wire & Cable, Inc. Employee Stock Ownership Plan and Trust as of December 31, 2009 and 2008 and the related statement of changes in the net assets available for the benefits for the year ended December 31, 2009. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits. (See Note 5 - Termination)

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. As audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Tappan Wire & Cable, Inc. Employee Benefit Plan and Trust as of December 31, 2009 and 2008, and the changes in net assets available for benefits for the year ended December 31, 2009, in conformity with accounting principles generally accepted in the United States of America.

Independent Auditor's Report (Continued)

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets as of December 31, 2009 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the United States Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Respectfully submitted,

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2009

Note 1 - DESCRIPTION OF THE PLAN

The following description of the Tappan Wire & Cable, Inc. ("Company") Employee Stock Ownership Plan ("Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

A) Effective Date - The Plan's effective date was January 1, 2002.

B) Plan Year - The Plan year is January 1 to December 31.

C) Eligibility - Employees who have attained the age of 21 and have completed one year of service. Participation begins on the first day of the Plan year in which the Plan's eligibility requirements are satisfied.

D) Vesting - Participants are vested on a seven year graded vesting (20% after 3 years, 20% each year thereafter, 100% after 7 years of service). Service is measured from the Plan Effective Date.

E) Normal Retirement Date - The first day of the month coinciding with or next following the Participants Normal Retirement Age (65th Birthday), and completion of five (5) years of participation.

F) Annual Shares to be Allocated - Based on the ratio of Principal plus Interest paid during the year of total Principal and Interest over the remaining life of loan.

G) Stock Allocations to Participants - Each year allocations of Stock are made based on the ratio of Participant's compensation to the total compensation of the whole Participant group for the year.

The allocation of shares are made among accounts of Participants who completed a Year of Service and are actually employed on the last day of the Plan Year.

Note 1 - DESCRIPTION OF THE PLAN - (Continued)

(G) - Stock Allocations to Participants - Continued - Compensation is limited to \$210,000 for this Plan year for purposes of the Stock allocation, and is subject to annual cost of living adjustments in future years; allocation compensation means total gross income for the Plan Year.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

A) Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

B) Investment Valuation - The Plan's investments are stated at fair market value. The plan has engaged independent valuation consultants whose responsibility it is to establish the value of the Plan's investments at the end of each Plan year.

NOTE 3 - RISKS AND UNCERTAINTIES

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities can occur. However, the plan invested Net Assets Available for Benefits in an interest bearing bank account. The plan administrator believes that these funds provide the safest vehicle to avoid risk of loss.

NOTE 4 - OTHER INCOME

Other income was received in 2008 pursuant to a review by the Employee Stock Ownership Plan's trustee in conjunction with negotiations for the sale of Tappan Wire & Cable, Inc.
