INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
MagnaCare, LLC.

I have audited the accompanying statements of net assets available for plan benefits and of accumulated plan benefits of MagnaCare, LLC 401(k) Retirement Plan (the "Plan") as of December 31, 2012 and December 31, 2011 and the related statements of changes in net assets available for plan benefits and of changes in accumulated plan benefits for the fiscal period then ended. These financial statements are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2012 and December 31, 2011, and the changes in net assets available for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment purposes as of December 31, 2012, is presented for purpose of additional analysis and are not required part of the financial statements but are supplementary information required of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Act of 1974. The supplemental schedule is the responsibility of the Plan's management. This supplemental schedule has been subjected to the auditing procedures applied in my audit of the financial statements and, in my opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.
