Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by US Trust, a custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i Schedule of Assets (Held at End of Year) which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Ace Endico Corporation ("the Company") 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering all full-time employees of the Company who have three months of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Under the provisions of the Plan, each active participant may contribute up to 100% of pretax annual compensation in an amount not to exceed the maximum allowable (currently $17,000 or $22,500 if over fifty years of age for 2012) as determined yearly by the Internal Revenue Service ("IRS"). Each year, the Company may contribute matching or discretionary amounts to be determined solely at the discretion of the Company's board of directors.

Participant Accounts

An account is maintained for each participant's account. The participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' non-vested accounts and charged with allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested in their contributions plus actual earnings after one year. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Note Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the vested interest in their account balances. All loans are required to be paid within five years unless the purpose of the loan is to purchase a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate of interest charged by Bank One, N.A. unless otherwise determined by the Plan Trustee. Principal and interest are paid ratably through payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Payment of Benefits

A participant who attains normal retirement age, defined as age 65, or who retires because of disability shall have a vesting percentage of 100%. These participants may elect to receive a distribution of the entire value of their account as a single lump sum or in installments. Participants who terminate employment shall be entitled to a distribution of their vested accrued benefits in the same manner. If an active participant dies prior to attaining normal retirement age, the vesting percentage shall be 100%.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in percentage increments to investments offered through The Nationwide Financial Services, Inc. Options include fixed rate guaranteed investment contracts and a variety of mutual funds to match the participant's investment profile.

Forfeited Accounts

At December 31, 2012 and 2011, forfeited non-vested accounts totaled $4,115 and $3,845, respectively. The forfeited accounts have been allocated to the matching contribution sub-account of each participant.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair market value except for its benefit-responsive investment contract which is valued at contract value (Note 7). Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Date of Management's Review

Management has evaluated subsequent events through September 20, 2013, the date the Financial Statements were available to be issued.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid out of Plan assets unless paid by the Company.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principle balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

NOTE 3 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive investment contract with Nationwide Financial Services, Inc. The Nationwide Financial Services, Inc. maintains the contributions in a separate account. The account is credited with earnings on the underlying investments and charges for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by The Nationwide Financial Services, Inc. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Plan management believes that the occurrence of events that would cause the plan to transact at less than contract value is not probable.

There is no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates were 2.95 percent and 2.6 percent for 2012 and 2011, respectively. The credit interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the custodian as complete and accurate to the best of their knowledge, except for comparing such information certified by the custodian to the information included in the Plan's financial statements and supplemental schedule.

Investments held and certified by the custodian in the accompanying statements of net assets available for benefits totaled $5,242,235 and $4,607,875 as of December 31, 2012 and 2011, respectively. Net investment gain certified in the accompanying statement of changes in net assets available for benefits was $372,931 for the year ended December 31, 2012.

NOTE 6 - INVESTMENTS

The following presents investments at December 31, 2012 that represent 5% or more of the Plan's net assets.

BOA - Fixed	$ 875,373
Nationwide Money Market Inst	574,208
Pimco Total Return Fund A	1,411,311
Federal Bond Fund	329,115
	$ 3,190,007

During 2012, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) increased in value by $372,931 as follows:

BOA - Fixed	$ 20,769
Nationwide Money Market Inst	(14,404)
Pimco Total Return Fund A	104,814
Federal Bond Fund	12,730
Others (less than 5% of total Plan's net assets)	249,022
	$ 372,931

NOTE 7 – FAIR VALUE MEASUREMENTS

U.S. generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

Level 2 - Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2012 and 2011.

Mutual funds: Valued at the net asset value (NAV) of shares held by the plan at year end.

Guaranteed investment contract: Valued at contract value (See Note 3).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2012:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 4,366,862	$ 0	$ 0	$ 4,366,862
Guaranteed investment contract	0	0	875,373	875,373
	$ 4,366,862	$ 0	$ 875,373	$ 5,242,235

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2011

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 3,903,341	$ 0	$ 0	$ 3,903,341
Guaranteed investment contract	0	0	704,534	704,534
	$ 3,903,341	$ 0	$ 704,534	$ 4,607,875

See the accompanying independent auditor's opinion report

NOTE 7 – FAIR VALUE MEASUREMENTS (continued)

The following tables reconcile the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the guaranteed investment contract for the years ended December 31, 2012 and 2011:

December 31, 2012

Balance, beginning of year	$ 704,534
Total gains or losses included in changes in net assets available for benefits	20,769
Purchases	20,097
Sales	0
Issuances	0
Settlements	129,973
Balance, end of year	$ 875,373

The amount of total gains or losses for the year included in changes in net assets available for benefits attributable to the changes in unrealized gains or losses relating to assets held at the end of the reporting period.	$ 20,769

December 31, 2011

Balance, beginning of year	$ 651,637
Total gains or losses included in changes in net assets available for benefits	16,633
Purchases	27,275
Sales	0
Issuances	0
Settlements	8,989
Balance, end of year	$ 704,534

The amount of total gains or losses for the year included in changes in net assets available for benefits attributable to the changes in unrealized gains or losses relating to assets held at the end of the reporting period.	$ 16,633

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2012, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2012, there were no significant transfers into or out of Level 3.

NOTE 8 – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Nationwide. Nationwide is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $76,733 for the year ended December 31, 2012.

All of these parties-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2012 to Schedule H of Form 5500:

Net assets available for benefits per the financial statements	$ 5,528,391
Amounts allocated to withdrawing participants	0
NET ASSETS AVAILABLE FOR BENEFITS PER SCHEDULE H TO THE FORM 5500	$ 5,528,391

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2012 to schedule H of Form 5500:

Benefits paid to participants per the financial statement	$ 238,031
Add: Amounts allocated to withdrawing Participants at December 31, 2012	0
Less: Amounts allocated to withdrawing Participants at December 31, 2011	0
BENEFITS PAID TO PARTICIPANTS PER SCHEDULE H OF FORM 5500	$ 238,031

Amounts allocated to withdrawing participants are recorded on the Schedule H of Form 5500 for benefits claims that have been processed and approved for payment prior to December 31, 2012, but not yet paid as of that date.

NOTE 10 – TAX STATUS

The Plan has adopted a volume-submitter plan sponsored by a third party. The volume-submitter plan received an opinion letter dated March 31, 2008 from the Internal Revenue Service, stating the volume submitter plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended and restated to comply with several recent legislative actions since adopting the volume-submitter. However, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2009.

NOTE 11 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
