INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statements of net assets available for Plan benefits (Modified Cash Basis) of Mango's Tropical Café, Inc. 401(k) Profit Sharing Plan and Trust as of December 31, 2009 and 2008 and the related statements of changes in net assets available for Plan benefits (Modified Cash Basis) for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 2, these financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for Plan benefits of Mango's Tropical Café, Inc. 401(k) Profit Sharing Plan and Trust as of December 31, 2009 and 2008, and the changes in its net assets available for Plan benefits for the years then ended on the basis of accounting described in Note 2.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. DESCRIPTION OF PLAN

The following description of Mango's Tropical Café, Inc. ("the Company") 401(k) Profit Sharing Plan and Trust ("the Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering substantially all full-time employees of the Company who have 90 days of continuous service and are age eighteen or older. Date of eligible participation occurs immediately after the requirements have been met.

The Plan was established on January 1, 2005, under Section 401(k) of the Internal Revenue Code, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to a maximum of $16,500 in 2009 and $15,500 in 2008. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may make an annual discretionary contribution, as determined by the Board of Directors of the Corporation. Discretionary contributions are allocated at the end of the calendar year to participants employed at the end of the year and to participants who have retired, died or became disabled during the year. Such allocations are based on the proportion that each participant's basic compensation bears to the total basic compensation for all participants. During 2009 and 2008, the Corporation made no discretionary contributions.

Loans. Participants may obtain a loan from the Plan of up to 50% of their vested balance, but not to exceed $50,000.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings is based on years of continuous service. A participant is 100% vested after six years of credited service for the Company's discretionary contributions.

Investment Options. Upon enrollment in the Plan, a participant may direct their contributions into any of the investment options offered under the terms of the investment contract. There are a total of 12 different mutual funds and investment options available to the participants.

Payment of Benefits. All distributions from the Plan will be made in one lump-sum payment in cash or, at the election of the trustee, in property.

1. DESCRIPTION OF PLAN (CONT'D)

In the event of death or total and permanent disability, a participant's account becomes fully vested. The non-vested portion of a terminated participant's account is forfeited and allocated to the employer contribution account of all participants who have not had a one-year break in service during the Plan year and who are employees as of the end of the Plan year. The forfeited amounts are allocated to a participant's account based on the proportion that each participant's basic compensation bears to the total basic compensation of all active participants.

Administrative Services. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. Administrative expenses for the trustee are paid directly by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements are prepared using the modified cash basis of accounting. Contributions and interest income are recognized when collected and administrative expenses and benefits are recognized when paid.

Estimates. The plan administrator uses estimates and assumptions in preparing those financial statements in accordance with the modified cash basis of accounting. Those estimates and assumptions affect the reported amounts and disclosures. Actual results could vary from the estimates that were used.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Shares of the registered investment company are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

3. INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets at December 31, 2009:

LM CBA Aggresive Growth Fund	$	6,948
LM CBA Fundamental Value Fund	$	20,438
LM BFM Global Equity Fund	$	13,844
LM WA Corporate Bond Fund	$	18,535
Western Asset Money Market Fund	$	16,526

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

5. INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(k) of the Internal Revenue Code and is, therefore, not subject to income tax under the current tax law. The plan administrator is not aware of any action or event that has occurred that might affect the Plan's qualified status.

6. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Legg Mason, the trustee of the Plan.
