Note 1- Description of Plan

The following description of the York Insurance Services Group, Inc. Retirement Savings Plan provides only general information pertaining to the Plan. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all full-time employees of the York Insurance Services Group, Inc. and its subsidiaries (the Company), who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Participants shall be permitted to make elective deferrals in any amount from 1% up to 25% of their compensation. The employer shall contribute and allocate to an account for each Participant who has completed less than five years of service an amount equal to 50% of the first 6% of the Participant's Compensation, to the extent deferred. For each Participant who has completed five or more years of service an amount equal to 100% of the first 6% of the Participant's Compensation, to the extent deferred.

c. Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. There is no vesting for the first three years of service, a participant is 100 percent vested after three years of credited service or upon reaching normal retirement age, or in the event of death or disability.

Note 1- Description of Plan (Cont'd)

e. Investment Options

Upon enrolling in the Plan, a participant may direct contributions in one percent increments in any of the investment options offered through Vanguard under a pooled separate account arrangement. Thereafter the participant may change investment options or allocation of invested balance directly with Vanguard.

f. Participant Loans

Participants may borrow from their fund accounts up to 50 percent of their vested balances to a maximum of \$50,000. Loan terms range from 6 months to 15 years and are secured by the balance in the participant's account and bear interest at a rate of prime plus 1% in effect at the time the loan is processed. Principal and interest is paid ratably through participant's payroll deductions.

g. Payment of Benefits

As soon as administratively feasible, following the date on which a distribution is requested or is otherwise payable the participant will receive the value of the vested interest in their account as a lump-sum distribution. If the participant is still active in the Plan upon reaching normal retirement age of 65, the participant may elect to receive the value of the vested interest in their account as a lump-sum distribution. Active participants are permitted to withdraw elective deferrals upon attaining age 59½ or on account of certain qualifying hardships.

h. Forfeited Account Balances

Forfeited account balances may be used to reduce future employer contributions or pay plan expenses. Forfeitures shall be allocated to Participants in the same manner as the Employer's contribution.

Note 2- Summary of Significant Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

b. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

c. Investment Valuation

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Units of the Vanguard Retirement Savings Trust are valued at net asset value at year-end. Participant loans are valued at cost, which approximates fair value.

Purchases and sales of investments are recorded on a trader date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

d. Benefit Payments

Benefits are recorded when paid.

e. Subsequent Events

Subsequent events were reviewed through the September 10, 2010, which is the date the financial statements were available to be issued

f. Administrative Expenses

At its discretion, the plan sponsor pays most of the administrative expenses of the Plan.

Note 3- Related Party Transactions

VFTC acts as trustee for only those investments as defined by the Plan Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

Note 7- Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. The Plan held substantially all its assets with one institution. In the event of the institutions failure, the Plan could be subject to losses.

See independent auditors' report.

Note 8- Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 9- Plan Amendment

The Plan was amended and restated during the year ended December 31, 2006 to bring the Plan into compliance with current laws and regulations. The amendment had a general effective date of January 1, 2006. None of the changes in the Plan amendment effected existing participant benefits. The amendment also included a provision to merge an existing plan of a company acquired by the Sponsor.

Note 10- Tax Status

Council for the Plan administrator is in the process of submitting the plan including its recent amendment to the Internal Revenue Service for a favorable determination letter. The administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the plan's financial statements.
