Note 1 - Description of Plan

The following description of the Bidart Bros. 401(k) Profit Sharing Plan (the "Plan") provides only general information with regard to the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a multi-employer profit-sharing plan covering all full-time employees of Bidart Bros. (the "Company"), Wheeler Farms, and Ag Support Services, Inc. who have reached the age of twenty-one (21) and completed one year of service. One year of service is defined as twelve consecutive months of service in which the employee works at least 1,000 hours. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is exempt from Federal and California taxes on income under the current provisions of the Internal Revenue Code and the California Revenue and Taxation Code, respectively. There were 339 and 374 participants in the Plan as of December 31, 2009 and 2008, respectively. Once eligible to participate, employees can enter the plan on the first day of the Plan year and the first day of the seventh month of the Plan year, whichever date is nearer to the date the eligibility requirements are satisfied.

Administration

The Plan is administered by Bidart Bros. Professional fees related to the administration of the Plan are paid by the Company.

Contributions

Participants' contributions to the Plan are elective deferrals, wholly vested in, and invested in accordance with the participants' instructions. Participants may elect to make salary deferrals up to 100% of their compensation, up to the maximum dollar amount allowed annually as defined by the Internal Revenue Code.

Under the Company's safe harbor matching provision, the Company makes non-discretionary contributions to the Plan equal to 100% of participants' contributions up to 3% of participants' eligible wages and 50% of participants' contributions from 3% to 5% of participants' eligible wages. For the periods ended December 31, 2009 and 2008, the Company made non-discretionary contributions to the plan of $136,429 and $141,108, respectively, under the Company's safe harbor matching provision.

The Employer discretionary contributions are determined annually by the Company's Board of Directors, and are allocated as a uniform percentage of included compensation to all eligible participants. For the periods ended December 31, 2009 and 2008 the Company made no discretionary contributions to the plan.

(Continued)

Note 1 - Description of Plan (Continued)

Participant Accounts

Separate accounts are maintained for each participant. Each participant's account is credited with the participant's compensation deferral, safe harbor Company matching contribution, and an allocation of (a) the Company's discretionary contribution, (b) account earnings, and (c) forfeitures of terminated participant's nonvested account and charged with administrative fees, as applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant contributions, safe harbor Company matching contributions, and earnings are fully vested at all times. Participants are 100% vested in Company discretionary contributions upon reaching age 65, upon death, in the event they become permanently disabled, or upon Plan termination. If employment terminates by early retirement, resignation, or discharge prior to normal retirement age, participants will be vested in the Company's discretionary contribution plus actual earnings thereon based on years of continuous service as follows:

Years of Service	Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payments of Benefits

Upon retirement, death, or termination, a participant may elect to receive a joint and survivor annuity, a single life annuity, or a lump sum distribution equal to the vested portion of their account balance. For terminated participants whose account balance is less than $5,000, the entire balance is distributed in the form of a lump sum payment at the election of the Company. Distributions for accounts greater than $5,000 are paid at the request of the participant as soon as administratively feasible following the participant's employment termination date. A disabled participant may request an earlier distribution to be paid as soon as administratively feasible following the date the participant becomes disabled.

Participant account balances for employees who have terminated employment, but have not withdrawn from the Plan totaled $144,440 and $128,155 as of December 31, 2009 and 2008, respectively. Included in this amount may be account balances for terminated participants the Company may have not been able to locate.

(Continued)

Note 1 - Description of Plan (Continued)

Forfeitures

The allocation of Company forfeitures is based on the percentage of each participant's eligible compensation as to total eligible compensation among active participants. There were no forfeitures of non-vested accounts allocated in 2009 and 2008, respectively.

Participant Loans

Participant Loans are not permitted.

Investment Options

Effective April 1, 2008, the Plan made changes to the investment options available to participants adding certain investment funds and eliminating others. Also effective April 1, 2008, the Plan changed its default fund to a fund approved by the Department of Labor. Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared using the accrual method of accounting in accordance with generally accepted accounting principles.

(Continued)

Note 2 - Summary of Significant Accounting Policies (Continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at their fair values as determined by quoted market prices as determined by the Plan provider, ING Life Insurance and Annuity Company (Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis.

Payment of Benefits

Benefits are recorded when paid.

Note 3 - Investments

The Plan has an arrangement with ING Life Insurance and Annuity Company (ING) to purchase shares of registered investment companies. ING maintains the contributions in separate participant accounts. Each participant's account is credited with actual earnings on the funds, and charged for Plan withdrawals. The investments are included in the financial statements at the end of year values reported to the Plan. The investments held with ING represent 99.8% and 99.6% of the Plan's assets as of December 31, 2009 and 2008, respectively.

The 2009 and 2008 investments are certified to the Plan by ING Life Insurance and Annuity Company as complete and accurate.

(Continued)

Note 3 - Investments (Continued)

The following presents the fair value of investments at December 31, 2009 and 2008:

	2009	2008
Investments at Fair Value as Determined by Quoted Market Price:		
Shares of Registered Investment Companies	$ 4,467,399	$ 3,560,826
Total Investments	$ 4,467,399	$ 3,560,826

During the year ended December 31, 2009 the Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated in fair value as follows:

Shares of Registered Investment Companies	$ 599,502
Net Change in Fair Value of Investments	$ 599,502

Investments representing five percent or more of the Plan's net assets are as follows as of December 31, 2009 and 2008:

	2009	2008
Shares of Registered Investment Companies		
ING Fixed Account	$ 1,459,664	$ 1,281,492
ING Solution Income Portfolio	$ 306,270	$ 277,570
Lord Abbett Small Cap Blend Fund	$ 285,206	$ 274,081
ING Janus Contrarian Portfolio	$ 268,659	$ 215,513
Eaton Vance Large Cap Value Fund	$ 467,513	$ 434,708
EuroPacific Growth Fund	$ 290,453	$ 187,346
The Growth Fund of America	$ 463,236	$ 322,142
Columbia Mid Cap Value Fund	$ 280,624	$ 236,896

Note 4 - Fair Value of Financial Instruments

During 2006, the Financial Accounting Standards Board (hereafter "FASB") issued Statement of Financial Accounting Standards No. 157, *Fair Value Measurements* (Accounting Standards Codification (hereafter "ASC") 820, *Fair Value Measurements and Disclosures*), which defines fair value, establishes guidelines for measuring fair value and expands disclosures regarding fair value measurements. ASC 820 does not require any new fair value measurements but rather eliminates inconsistencies in guidance found in various prior accounting pronouncements. To increase consistency and comparability in fair value measurements, ASC 820 establishes a fair value hierarchy based on the inputs used in valuation techniques.

Assets measured at fair value on a recurring basis comprise the following:

Description	Fair Value at December 31, 2009
Shares of Registered Investment Companies	$4,467,399
Total	$4,467,399

Fair value was determined as follows:

	Based on		
	Quoted Prices in Active Markets	Other Observable Inputs	Unobservable Inputs
Assets			
Shares of Registered Investment Companies	$4,467,399	$ -	$ -
Total Financial Assets	$4,467,399	$ -	$ -

Generally, for all trading securities, fair value is determined by reference to quoted market prices and other relevant information generated by market transactions. For certain available-for-sale securities and derivatives, fair value is estimated as the present value of expected future cash inflows.

Note 5 - Federal Income Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter dated June 5, 1992, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "Code"). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

Note 7 - Subsequent Events

In February 2010, the Plan made changes to the investment options available to participants by adding five new investment funds and eliminating two others. Effective April 1, 2010, ING automatically converted all participant balances in each eliminated fund to the new replacement funds.

The Plan's management has reviewed the results of the Plan's operations for the period of time from its year ended December 31, 2009 through the date of the independent auditor's report and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure other than the disclosure made above regarding changes to the Plan's investment options.
