Report on the Financial Statements

We have audited the accompanying financial statements of Keystone/Kemlon Health Care Trust, which comprise the statements of net assets available for benefits and benefit obligations as of April 30, 2013 and 2012, and the related statements of changes in net assets available for benefits and benefit obligations for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Keystone/Kemlon Health Care Trust as of April 30, 2013 and 2012, and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and are not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO THE FINANCIAL STATEMENTS

APRIL 30, 2013 AND 2012

NOTE A – DESCRIPTION OF PLAN

The following description of the Keystone/Kemlon Health Care Trust (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the plan Sponsor.

General : **The Keystone/Kemlon Health Care Trust (the Plan) is set up under and subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The mission of the Plan is to provide health care benefits for its Participants who are comprised of the employees of Kemlon Products and Development Group. Inc. and Keystone Engineering Group, Inc., (the Sponsor), who have completed six months of continuous service and have elected to enroll in one of the health care plans offered by the Plan. Starting January 1, 2014 employees of the Sponsor will become eligible to join as Plan Participants after three months of continuous service. This change is being made as a result of the passage of the Patient Protection and Affordable Care Act (Obamacare).**

Benefits : **The Plan offers participant-only medical insurance that is fully subsidized by the Sponsor. For participants with dependent coverage needs or wishing a lower deductible medical plan, additional medical insurance options are available, but the additional costs associated with these options are borne by the participants. The Plan combines these additional medical insurance options with the Plan's short-term disability plan which provides a supplemental income benefit equal to 60% of a participant's weekly earnings up to a maximum of $500 for a period not to exceed 26 weeks. The premiums for the short-term disability plan are paid by the eligible participants.**

Other benefits made available by the Plan include: (1) life insurance, which is offered at no cost to all participants that enroll in medical insurance and (2) dental insurance whose premiums are fully passed on to those participants electing dental coverage. The Plan also provides continuation of certain benefits to participants upon termination of employment with the Sponsor through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-insured Benefits : **All medical and disability benefits are self-insured. The claims for medical benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors approve and prepare claim payments directly to or on behalf of participants. Claim payment checks are drawn directly against the funds of the Plan. Disability claims are processed and paid directly by the Plan.**

Contributions : **In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of dental and disability coverage as well as the cost of any medical coverage premium in excess of the Sponsor's portion. Participant contributions are made via payroll deductions. The Sponsor covers costs of the plan in excess of the participants' contributions.**

NOTE A – DESCRIPTION OF PLAN (continued)

Other: **Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the plan subject to the provisions set forth in ERISA.**

Administrative Expenses: **The plan incurs and pays: (1) administration fees for managing the medical claims process for the Plan's self insured medical plan and (2) accounting fees for costs associated with auditing and filing the Plan's required regulatory reports. The Trustee receives no compensation for his services.**

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates: **The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.**

Payment of Benefits: **Premiums paid by either the Company or the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.**

Claim payments are recorded when prepared by the third-party claims processor. Amounts due to claims processors that have yet to be paid by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. Short-term disability payments are paid directly from the assets of the Plan and are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

Stop Loss: **Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. For years ended April 30, 2013 and 2012, stop loss refunds totaling $245,063 and $26,134, respectively, have been netted with claims paid in the accompanying statement of changes in net assets.**

Investment Valuation and Income Recognition: **Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note E for discussion of fair value measurements.**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B – SUMMARY OF ACCOUNTING POLICIES (continued)

***Subsequent Events*:** **Management has evaluated subsequent events for the Plan through February 12, 2014, the date the financial statements were available to be issued and is not aware of any material events that would impact the normal operations of the Plan.**

NOTE C – CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at April 30 for claims incurred but not reported are estimated by the Plan based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 **Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.**

Level 2 **Inputs to the valuation methodology include**

- **quoted prices for similar assets or liabilities in active markets;**
- **quoted prices for identical or similar assets or liabilities in inactive markets;**
- **inputs other than quoted prices that are observable for the asset or liability;**
- **inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 **Inputs to the valuation methodology are unobservable and significant to the fair value measurement.**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2013 and 2012.

NOTE D – FAIR VALUE MEASUREMENTS (continued)

Common stock: **Valued at the closing price reported in the active market in which the individual security is traded.**

Mutual funds: **Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end.**

Certificate of deposit: **Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.**

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of April 30, 2013.

	Level 1	Level 2	Level 3	Total
Mutual funds	**$ 189,044**	**$ -**	**$ -**	**$ 189,044**

Total assets at fair value	**$ 199,332**	**$ 82,556**	**$ -**	**$ 281,888**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of April 30, 2012.

	Level 1	Level 2	Level 3	Total
Mutual funds	**$ 187,349**	**$ -**	**$ -**	**$ 187,349**
Common stock-insurance co.	**$ 8,889**			**8,889**

Total assets at fair value	**$ 196,238**	**$ 81,993**	**$ -**	**$ 278,231**

NOTE D – FAIR VALUE MEASUREMENTS (continued)

The fair value of individual investments that represent 5 percent or more of the Plan's net assets are as follows:

	2013	2012
Wells Fargo Ultra Short-Term Income-Inv	$ 157,841	$ 156,157
Certificate of deposit	82,556	81,993
	$ 240,397	$ 238,150

NOTE E – TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(c)(9) of the IRC, and, accordingly, the trust's net investment income is exempt from income taxes. The Sponsor has obtained a favorable tax determination letter from the IRS dated November 24, 1981. The Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The trust has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of April 30, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F – TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants.

NOTE G – CONCENTRATIONS OF RISK

The Plan maintains cash balances in the form of checking accounts and a certificate of deposit with a single federally insured banking institution. From time to time, the Plan's accumulated cash balances at this institution may exceed the Federal Deposit Insurance Corporation's (FDIC) insured limits. As of April 30, 2013 the Plan's total cash balances at this institution were $263,241 in excess of the FDIC limit of $250,000. To date the Plan has not experienced any losses in these accounts.

The owners of the Sponsor have a minority ownership interest in the bank where the deposit accounts are maintained.

NOTE H – TRANSACTIONS WITH PARTIES IN INTEREST

Kemlon Products & Development Co. provides to the Plan certain accounting and administrative services for which no fees are charged.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
