NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

The following description of the AMAX Engineering Corporation (the Company) Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan that was established in 1985 by the Company to provide benefits to eligible employees of the Company. The Plan covers all employees who have a minimum of 6 months of service and are age 18 or older.

Administration – Effective January 1, 2007, the Plan was amended to appoint JP Morgan Chase Bank (JP Morgan Chase) as trustee of the Plan. The Company also changed its third-party administrator to ADP to process and maintain the records of participant data.

Investments – Investments of the Plan at December 31, 2009 are held by JPMorgan Chase and were invested in various money market fund and mutual funds.

The Plan's investments in the investment funds are valued at fair value as of the last day of the Plan year, as measured by quoted market prices.

Vesting – Participants are immediately vested in their salary deferral, rollover contributions and related earnings. Participants vest ratably and are fully vested in the employer's profit sharing and matching contributions allocated to their account after five years of credited service.

Income Taxes – The Plan has been amended since receiving its latest favorable determination letter dated August 1, 1994. However, it is the Company's intent that the Plan continues to qualify under the applicable requirements of the Internal Revenue Code and related state statutes, and is exempt from federal income and state franchise taxes.

Effective February 1, 2004, the Plan document was amended to restate the Plan to qualify under federal law and regulations.

The Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan's tax filings are subject to audit by various taxing authorities. As of December 31, 2009 the Plan is no longer subject to federal or state examinations by tax authorities for years ended before 2005.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Forfeited Accounts – Under the terms of the Plan, forfeited nonvested accounts will be used for restoration of participant accounts, offset Plan expenses and reduce employer's contributions to the Plan, in the order listed. At December 31, 2009 and 2008, forfeited nonvested accounts totaled $11 and $3,174, respectively.

Risks and Uncertainties – The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Subsequent Events – Subsequent events were evaluated through September 1, 2010.

NOTE 2 – PARTICIPATION AND BENEFITS

Participant Contributions – Participants may elect to contribute a percentage of their eligible pre-tax compensation up to the amount allowable under current income tax regulations. Contributions withheld are invested in accordance with the participant's direction.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer Contributions – The Company is allowed to make matching contributions as defined in the Plan and as approved by the Board of Directors. The Company makes a matching contribution to eligible participants in an amount equal to 25% of their elective deferrals, up to a maximum of 10% of participant gross compensation. The Company's actual contribution may be reduced by certain available forfeitures, if any, during the Plan year. The Plan also allows for discretionary profit sharing contributions.

The following represents contributions for the year ending December 31, 2009:

Employee	$	505,971
Employer		25,879
Total contributions	$	531,850

NOTE 2 – PARTICIPATION AND BENEFITS (Continued)

Participant Accounts – Each participant account is credited with the participant's contribution, Plan earnings or losses and an allocation of the Company's contribution. Allocation of the Company's contribution is based on participant contributions or employee compensation, as defined in the Plan.

Payment of Benefits – Upon termination, the participant or beneficiary will receive the benefits in a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Loans to Participants – The Plan allows participants to borrow not less than $1,000 and up to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the participant's vested balance. Such loans bear interest at the available market financing rates and must be repaid to the Plan within a five-year period, unless the loan is used for the purchase of a residence in which case the maximum repayment period is established by the Plan administrator. The specific terms and conditions of such loans are established by the Plan administrator.

NOTE 3 – PLAN TERMINATION AND/OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its employees; however, it reserves the right to terminate and/or modify the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA. In the event the Plan is terminated in the future, participants would become fully vested in their accounts.

NOTE 4 – CERTIFIED INFORMATION AND PLAN INVESTMENTS

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information certified by JP Morgan Chase as of and for the years ended December 31, 2009 and 2008, respectively, and transactions entered into during 2009 were used in the preparation of the accompanying financial statements and supplemental schedule.
