Hancock Askew & Co., LLP

Savannah, Georgia 31402

We are providing this letter in connection with your audit of the financial statements and supplemental schedule of the Porex Corporation 401(k) Savings Plan as of December 31, 2009, and for the year then ended. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Co., the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and schedule taken as a whole.

We are responsible for the fair presentation in the Plan's financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with U.S. generally accepted accounting principles and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control, and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of August 24, 2010, the following representations made to you during your audit.

1) The financial statements and related footnotes are fairly presented in conformity with U.S. generally accepted accounting principles, and the notes include all disclosures required by laws and regulations to which the plan is subject, including the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

2) We have made available to you all—

   a) Financial records and related data.

   b) All minutes of the Plan Administrative Committee meetings for the period January 1, 2009 to August 24, 2010 or summaries of actions of recent meetings for which minutes have not yet been prepared.

   c) Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

3) There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, that could have a material effect on the financial statements in the event of noncompliance.

4) We acknowledge our responsibility for the design and implementation of programs and controls to prevent and detect fraud.

5) We have no knowledge of any fraud or suspected fraud affecting the plan involving—

   a) Management,

   b) Employees who have significant roles in internal control, or

   c) Others where the fraud could have a material effect on the financial statements.

6) We have no knowledge of any allegations of fraud or suspected fraud affecting the plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

7) We have no—

   a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

   b) Intentions to terminate the plan.

8) The following have been properly recorded or disclosed in the financial statements:

   a) Related-party transactions, including transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties.

   b) Guarantees whether written or oral under which the plan is contingently liable to a bank or other lending institution.

   c) All significant estimates and material concentrations known to management that are to be disclosed. We understand that the significant estimates covered by this disclosure are estimates at the date of the statement of net assets that are reasonably possible of changing materially within the next year. Concentrations refer to the nature and type of investments held by the plan, or markets for which events could occur which would significantly disrupt normal finances within the next year. We have identified all accounting estimates that could be material to the financial statements, including the key factors and significant assumptions underlying those estimates, and we believe the estimates are reasonable in the circumstances.

   d) Amendments to the plan instrument, if any.

9) There are no—

   a) Violations or possible violations of laws or regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

   a) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with *Statement of Financial Accounting Standards No. 5* (formerly *Statement of Financial Accounting Standards No. 5*), and the plan has not consulted a lawyer concerning litigation, claims, or assessments.

   b) Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by *FASB Accounting Standards Codification 450, Contingencies* (formerly *Statement of Financial Accounting Standards No. 5*).

   c) Material transactions that have not been properly recorded in the accounting records underlying the financial statements.

   d) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the PBGC, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.

10) The plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance, including the release of unallocated shares held in ESOP plans.

11) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows: Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the plan year. For investment in securities that do not have an established market, Fidelity Management Trust Co. (the Trustee) has established a fair value for such securities. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

12) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

13) All required filings of plan documents with the appropriate agencies have been made. The plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as

then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax-exempt as of the financial statement date.

14) The plan and the trust established under the plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan and trust. The plan sponsor has operated the Plan and trust or insurance contract in a manner that did not jeopardize this tax status.

15) The plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the plan.

16) The plan has complied with the fidelity bonding requirements of ERISA.

17) The plan has satisfactory title to all owned assets which are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.

18) There are no—

    a) Non-exempt party-in-interest transactions (as defined in ERISA Section 3(14) and regulations under the section) that were not disclosed in the supplemental schedules or financial statements.

    b) Investments or loans in default or considered to be uncollectible that were not disclosed in the supplemental schedules.

    c) Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.

19) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.

20) No events have occurred subsequent to the date of the plan's financial statements and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.

16) The plan has complied with the fidelity bonding requirements of ERISA.

    b) Investments or loans in default or considered to be uncollectible that were not disclosed in the supplemental schedules.

    c) Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.
