Note 1. DESCRIPTION OF PLAN

The following description of Magic Tilt Trailers, Inc. 401(k) Plan (the "Plan") provides only general information. Users of the financial statements and supplemental schedule should refer to the Plan documents for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established to provide for contributions made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). The Plan covers substantially all employees of Magic Tilt Trailers, Inc. (the "Company") that have met the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility: Employees may participate in the Plan once they have attained the age of 21 and have one-half year of service.

Contributions: Eligible employees may make contributions via payroll deductions up to limits as defined in the Plan and other limits according to the Internal Revenue Code ("the Code"). Elective deferrals can be made in whole percentages of compensation or in specific dollar amounts.

The Company may make matching contributions, at its discretion, equal to a specified percent of each participant's deferral amounts. In addition, the Company may make an additional discretionary contribution to participants of the Plan as deemed appropriate. Contributions are subject to limitations as provided in the Code and as defined in the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the Company's additional discretionary contribution, if any, and Plan earnings. Each participant's account is charged with Plan losses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Investment Options: Upon enrollment in the Plan, a participant may direct contributions to one or more investment options. Participants may change their investment options at any time. See the accompany schedule of assets held for a list of investment options currently available.

Note 1. DESCRIPTION OF PLAN (continued…)

Vesting: Participants are immediately vested in their contributions, voluntary rollovers, and the actual allocated earnings thereon. Vesting in the Company's matching and discretionary contributions plus actual earnings thereon is determined under the following schedule…

Years of Vesting Service	Vesting Percentage
Less than One	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures: Upon termination of employment the non-vested portion of a participant's account is forfeited. Forfeitures may first be used to pay any administrative expenses and any remaining forfeitures will be used to reduce the Company's matching contributions.

Distributions: Upon normal retirement, termination of employment, death or disability, or termination of the Plan, the participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account under several options. A participant may defer paying tax on some taxable payments by electing a rollover distribution.

Withdrawals may also be made in conjunction with IRS hardship distribution regulations.

Participant Loans: Participants may borrow from their fund accounts up to a maximum of the lesser of $50,000 or 50% of their vested account balance. Loan terms may not exceed five years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate determined by the Plan administrator. Principal and interest are payable through weekly payroll deductions.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Valuation of Investments: The plan's investments are stated at fair value based on quoted market prices. Purchases and sales of investments are recorded on the trade date. Income from investment in units of participation is recorded as earned and reinvested in the accounts. Income earned from investments and gains or losses on disposal of investments are recorded using the accrual method. Participant loans are valued at cost.

Payment of benefits: Benefits are recorded when paid.

Administrative Expense: The costs and expenses of administering the Plan shall be paid either by the Company or by the Plan at the discretion of the Company. For the years ended December 31, 2009 and 2008 the Plan expensed $2,388 and $1,295 for administrative costs respectively.

Note 3. INVESTMENTS

The Plan's investments are held under a trust agreement with Frontier Trust, an Ascensus Company. Frontier Trust maintains the contributions in mutual funds. The funds are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by Frontier Trust. Investment balances that represent 5% or more of net assets available for benefits at December 31 are as follows:

BlackRock Global SmallCap Fund Inc	110,433
BlackRock International Value Fund	74,743
BlackRock Mid Cap Value Opp Fund	87,243

Note 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 5. TAX STATUS

Although the Plan has not received a determination letter from the Internal Revenue Service, it has adopted a pre-approved Prototype Plan. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Note 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. PARTIES-IN-INTEREST TRANSACTIONS

Administrative fees include investment fees, third party administrative fees, and other professional services, and are based on customary charges as shall be agreed to from time to time. Certain of these expenses are absorbed by the Plan sponsor. Certain administrative functions are performed by officers or employees of the Plan's sponsor. No such officer or employee receives compensation from the Plan.
