INDEPENDENT AUDITOR'S REPORT

Board of Trustees
The Holcomb Corporation 401(k) Plan
Aptos, California

I have audited the accompanying Statements of net Assets Available for Benefits of The Holcomb Corporation 401(k) Plan as of December 31, 2009 and 2008, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended. These financial statements are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements based on my audits.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Holcomb Corporation 401(k) Plan as of December 31, 2009 and 2008, and the changes in its net assets available for benefits for the years then ended in conformity with generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS

December 31, 2009 and 2008

---

1. DESCRIPTION OF PLAN:

The following description of The Holcomb Corporation ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of the Company who have one year of service which includes a minimum of 1,000 hours and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year participants may contribute up to an Internal Revenue Service-determined maximum of pretax annual compensation. The Company may also contribute employee matching amounts along with additional amounts that may be contributed at the option of the Company's board of directors. All employer contributions are invested as directed by the employee.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and the Plan's earnings. The participant's accounts are also charged for specific service fees. Allocations are based on participant earnings as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

1. DESCRIPTION OF PLAN (Continued):

Investment Options – Upon enrollment in the Plan a participant may direct their funds to any combination of the following mutual funds:

ING Intermediate Bond Fund
Pioneer Equity Income Fund

Participants may change their investment options at their discretion.

1. DESCRIPTION OF PLAN (Continued):

Participant Notes Receivable – Participants may borrow from their fund accounts. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. As of December 31, 2009 there were twenty eight participant loans outstanding with terms from two to thirty years bearing interest from 5.25% to 10.25% per annum. As of December 31, 2008 there were twenty eight participant loans outstanding with terms from one to five years bearing interest from 6% to 10.25% per annum. All loans are secured by the participant's vested account balance and are being repaid ratably through semi-monthly payroll deductions.

Payment of Benefits – On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Included Entities – The Plan covers eligible employees of the following entities that are related via various levels of common ownership: The Holcomb Corporation, Palapas Inc., Seascape Wine & Spirits Inc., and Seascape Resort Ltd. All entities are S Corporations with the exception of Seascape Resort Ltd., which is a limited partnership.

Effective Date – The inception date of the Plan is July 1, 1997.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Shares of registered mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Participant note receivables are valued at cost which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits – Benefits are recorded when paid.

3. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

4. TAX STATUS:

The Internal Revenue Service has issued a determination letter, dated August 7, 2001, indicating the Plan's provisions are in accordance with applicable sections of the Internal Revenue Code (IRC).
