Report on the Financial Statements

We were engaged to audit the accompanying financial statements of **VISTA HOSPITALITY 401(K) RETIREMENT SAVINGS PLAN,** which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by John Hancock Life Insurance Company of New York, the Custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Custodian as of and for the years ended December 31, 2013 and 2012, that the information provided to the Plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matters

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year), Schedule of Assets (Acquired and Disposed of Within Year), and the Schedule of Reportable Transactions are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

The statements of changes in net assets available for benefits does not include a separate accounting of interest, dividends, realized and unrealized gains and losses with respect to the investments held under trust. Instead, the Custodian reflects the earnings for the underlying investments as net investment gains and losses. Such earnings are reflected as net change in net change in fair value of investments on the statements of changes in net assets available for benefits.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF PLAN

The Vista Hospitality 401(k) Retirement Savings Plan (the Plan) is a plan for a controlled group of companies consisting of the following sponsors:

Vista Property Management, LLC
Arena Hotel Corporation d/b/a Holiday Inn Arena
Tamarind Hotels USA, Inc. d/b/a Quality Inn and Suites Vestal
Sun Buena Vista, LP d/b/a Holiday Inn Sunspree Resort Lake Buena Vista
Vista JFK, LLC
Vista CP Orlando, LP d/b/a Crowne Plaza Downtown Orlando
Vista Plantation Hotel, LP d/b/a Holiday Inn Express Hotel & Suites Plantation
Vista Marina Inn, Inc. d/b/a Marina Inn at Grande Dunes

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering all full-time employees (other than those covered under a collective bargaining agreement) of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is qualified under section 401(a) of the Internal Revenue Code (IRC) and includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees in the Plan. The Trustees oversee governance of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

2. Contributions – Each year, participants may elect to defer compensation and make voluntary cash contributions to the Plan with certain limitations. The maximum deferral per employee is $17,500 and $17,000 for 2013 and 2012, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan currently offers various mutual funds, managed by the Custodian as disclosed in Note 7, as investment options for participants. Annually, the participating Sponsors may match a portion of employee contributions to the Plan on a discretionary basis. For the years ended December 31, 2013 and 2012, the employer match was 25% of the first 4% of compensation that a participant contributes to the Plan. Under no circumstances are employees allowed to make annual additions to their accounts in excess of the lesser of 100% of compensation or $51,000 and $50,000 for the years ended December 31, 2013 and 2012, respectively, combining both 401(k) elective deferrals and employer match contributions.

3. Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

4. Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants in the Plan vest according to the following schedule:

Years of Service	Vested Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

5. Notes Receivable from Participants – Notes receivable from participants are reported at their unpaid principal plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of $500 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates between 3.25% and 5.0%, which is commensurate with local prevailing rates as determined monthly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

6. Payment of Benefits - On termination of service due to death, disability or retirement, a participant whose balance is greater than $5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or payment in the form of a joint or survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If, however, such participant's account balance is less than $5,000, the vested balance will automatically be distributed to the participant in a lump-sum. Benefits are recorded when paid.

7. Forfeited Accounts - At December 31, 2013 and 2012, forfeited non-vested accounts totaled $1,229 and $944, respectively. These accounts will first be used to pay any administrative expenses. Any remaining amount will be used to reduce future employer matching contributions. In 2013, no forfeited amounts were used to pay administrative expenses.

8. Administrative Expenses – Participant administration and record keeping fees are paid by the participants. The annual plan administration and compliance fee is paid by the participating Sponsors.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value of Financial Instruments and Earnings from Investments – The Plan follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) No. 825, *"Financial Instruments."* The statement establishes standards for disclosing the fair value of financial instruments for which it is practicable to estimate that value. In addition, the methods and significant assumptions used to estimate the fair value of the financial instruments must be disclosed. Financial instruments are defined as cash, evidence of an ownership in an entity, or a contract that meets the following criteria:

1. Imposes on one entity an obligation (a) to deliver cash or another financial instrument to a second entity, or (b) to exchange other financial instruments on potentially unfavorable terms with the second entity.

2. Conveys to that second entity a contractual right (a) to receive cash or another financial instrument from the first entity, or (b) exchange other financial instruments on potentially favorable terms with the first entity.

The earnings on the investments held under trust do not account for separately the appreciation in the fair value of said investments from the investment income (i.e. interest, dividends etc.) as reported to the Plan administrator by the Custodian. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan's investments consist of mutual fund shares held under contract with John Hancock Life Insurance Company of New York (the "Custodian"). The Plan's participants do not hold shares of stocks, bonds or mutual fund shares under the contract, instead contributions to the contract are held in the Custodian's pooled separate account, which, in turn, purchases shares of mutual funds. The interest, dividends and realized/unrealized gains and losses with respect to the mutual fund shares held under contract are factored into the value of the separate account funds. The value of the separate account unit of participation is determined by dividing the total value of the separate account by the total number of units of participation held by the plans invested in the separate account. The value of the separate account includes the dividends earned and any realized or unrealized gains or losses associated with the underlying investments. The Custodian has advised the Plan administrator that it is impractical to have a separate accounting of investment income and appreciation/depreciation on the value of the assets. Financial instruments stated at fair value consisted of the following at December 31:

	2013		2012	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Mutual Funds	$ 1,053,907	$ 1,053,907	$ 725,006	$ 725,006
Cash	1,229	1,229	944	944
	$ 1,055,136	$ 1,055,136	$ 725,950	$ 725,950

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2013 and 2012, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Form 5500 – These financial statements contain certain groupings that are not replicated on the Form 5500.

Risks and Uncertainties – Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is at least reasonably possible that changes in the risks in the near term would materially affect the net assets of the Plan. Therefore, the Plan depends upon the stock market performance, which has fluctuated significantly during the two years ended December 31, 2013. This is a natural cycle of the economy; hence, the market may continue to suffer severe, rapid declines and upswings in the near term.

Uncertainty in Income Taxes - The Plan has adopted the provisions of the FASB ASC No. 740, *"Income Taxes"*, as amended by FASB Accounting Standards Update (ASU) No. 2009-06, *"Implementation Guidance on Accounting for Uncertainty in Income Taxes and Disclosure Amendments for Nonpublic Entities"*. Management has estimated that there were no liabilities for unrecognized tax benefits for the years ended December 31, 2013 and 2012.

The Plan has not recognized any interest or penalties related to unrecognized tax benefits in the statements of changes in net assets available for benefits nor has it accrued any in the statements of net assets available for benefits as of and for the years ended December 31, 2013 and 2012.

NOTE 3 - TAX STATUS

On January 1, 2009 the Plan adopted the Omega, Inc. prototype defined contribution plan #01. The Internal Revenue Service has determined and informed the plan prototype sponsor by a letter dated March 31, 2008, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and is exempt from federal income tax under Section 401 of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2010.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the participating Sponsors have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 - INVESTMENTS IN EXCESS OF FIVE PERCENT OF NET ASSETS AVAILABLE FOR BENEFITS

As of December 31, 2013, the Plan's assets included the following investments, under the captions indicated, that exceeded 5% of Net Assets Available for Benefits, measured as of the beginning of the Plan year:

Asset	Fair Value at 12/31/13
Equity and Fixed Income Mutual Fund:	
The Growth Fund of America	$ 44,188
JNY Stable Value Fund	121,681
JNY Lifestyle Aggressive	41,654
JNY Lifestyle Growth	103,439
JNY Lifestyle Balanced	402,419
JNY Lifestyle Moderate	61,901

NOTE 6 - CONCENTRATION OF CREDIT RISK

Financial instruments which potentially subject the Plan to concentration of credit risk consist principally of mutual funds which are managed by the financial institution that is the custodian of the Plan assets at December 31, 2013 and 2012. The Plan has no formal policy regarding collateral to support the instruments subject to credit risk.

NOTE 7 - SUMMARY OF UNAUDITED INFORMATION

The Plan's custodian, John Hancock Life Insurance Company of New York (JHL), holds the Plan's investment assets and executes investment transactions. Financial information relating to the assets held and transactions executed by JHL are included in the accompanying financial statements and are based on information provided by the Custodian. This information, which has not been audited by independent accountants, is summarized as follows:

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST

As of December 31, 2013 and 2012, certain Plan investments are shares of mutual funds that are managed by John Hancock Life Insurance Company of New York (JHL). JHL is also the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 - SEPARATED PARTICIPANTS

At the Plan's year-end, there were 29 participants separated from service, with plan assets. The separated participants are entitled to the income earned from their assets but are not eligible to share in subsequent Plan contributions or forfeitures. The value of the assets of separated participants was $112,479 at December 31, 2013.

NOTE 10 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

Conservative Funds	25,229	25,229
Total Assets at Fair Value	$ 725,006	$ 725,006

NOTE 10 - FAIR VALUE MEASUREMENTS (Continued)

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. As there were no Level 1 or 2 inputs available, the Plan utilized only Level 3 inputs to measure fair value.

Level 3 Fair Value Measurement

As more fully disclosed in Note 2, the Plan's mutual fund shares are held in the Custodian's pooled separate account, which, in turn, purchases shares of mutual funds. Therefore, the mutual funds held in the Custodian's pooled separate account are not actively traded and significant other observable inputs are not available. Thus, the fair value of the mutual funds are determined by the Custodian based on the fair value of similar types of investments, subject to any applicable surrender charges, as of December 31, 2013 and 2012. The following table provides further details of the Level 3 fair value measurements.

Fair Value Measurements Using Significant Unobservable Inputs (Level 3)

December 31, 2013	
Beginning Balance	$ 725,006

NOTE 10 - FAIR VALUE MEASUREMENTS (Continued)

Ending Balance	$ 725,006

The amount of total gains or losses for the year included in changes in net assets available for benefits attributable to the changes in unrealized gains or losses relating to assets held at the end of the reporting period.	$ 70,675

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2013 and 2012, are reported in net appreciation in fair value of investments.

NOTE 11 - SUBSEQUENT EVENTS

The Plan's trustees have evaluated events and transactions that occurred during the period from January 1, 2014 through September 16, 2014, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

In 2014, the following companies within the controlled group sold substantially all of their assets to separate unrelated parties; Sun Buena Vista, LP d/b/a Holiday Inn Sunspree Resort Lake Buena Vista and Vista Plantation Hotel, LP d/b/a Holiday Inn Express Hotel & Suites Plantation. At that time, participants at these companies became 100% vested in their account balances pursuant to the Plan document. The sale of these companies' assets subsequent to December 31, 2013 had no effect on the Plan's net assets available for benefits at December 31, 2013.
