To the Administrator
The Capform, Inc. 401 (K) Plan

I was engaged to audit the Statement of Net Assets Available for Benefits of the Capform, Inc. 401 (K) Plan as of December 31, 2009 and 2008, and the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2009, and the Schedule of Assets Held at End of Year as of and for the year ended December 31, 2009. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note H, which was certified by Hartford Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has optioned a certification from the custodian as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. CAPFORM, INC. 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION

The following description of the Capform, Inc. (Company) 401 (K) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Contributions. Each year, participants may contribute up to the maximum amount allowed under Federal tax law from pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers an array of mutual fund investment options which are managed under a contract with Hartford Life Insurance Company. The Company contributes 15% of the first $2,400 that a participant contributes to the Plan. The matching Company contribution is invested in the same manner as participant contributions.

Participant accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings. Each account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participant's are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

Participant loans. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates representing current prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through weekly payroll deductions.

Payment of benefits. On termination of service due to death, disability or retirement, benefits will be paid out in the form of an annuity unless the annuity option is waived. If the annuity option is waived, the participant shall receive a lump-sum amount equal to the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans are valued at their outstanding balances, which approximate fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of benefits. Benefits are recorded when paid.

NOTE C - INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets.

	12/31/2009	12/31/2008
David New York Venture Fund	$ 180,376	$ 130,696

Hartford Money Market	447,062	446,943
Franklin Templeton Contra	160,022	122,297

NOTE D - ANNUITY CONTRACT WITH INSURANCE COMPANY

In 2003, the Plan entered into a contract with Hartford Life Insurance Company (Hartford) to manage the participant investments and provide annuity benefits to qualifying participants under the plan. All participant and Company contributions are paid to Hartford on a timely basis and the funds are invested in various mutual fund options as directed by the individual participant. Hartford maintains individual participant accounts that are credited for the participant's contributions, his or her portion of the Company contribution, earnings generated by investments, and charged with the pro rata share of Plan expenses. Under the terms of the contract, if a participant terminates service due to death, disability or retirement, Hartford will provide the separating participant, or beneficiary, with an annuity according to the provisions of the contract. The separating participant of beneficiary can elect not to have the benefits due under the plan paid as and annuity, but, instead, take a lump sum distribution.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of

ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
