Independent Auditor's Report

To the Participants and Administrators of
Clyde, Inc. 401(k) Profit Sharing Plan

We were engaged to audit the accompanying statements of net assets available for benefits of Clyde, Inc. 401(k) Profit Sharing Plan (the "Plan") as of December 31, 2009 and 2008 and the related statement of changes in net assets available for benefits for the year ended December 31, 2009, and the supplemental schedule of assets held for investment purposes at December 31, 2009. These financial statements and the supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 and 6, which was certified by JP Morgan Chase Bank, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and the supplemental schedule. The plan administrator has informed us that the custodian holds the Plan's investment assets and executes investment transactions therein. The plan administrator has obtained a certification from the custodian as of December 31, 2009 and 2008 and for the year ended December 31, 2009 that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and the supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009

NOTE 1 - Description of Plan

The following description of the Clyde, Inc. (the Company) 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan non-standardized adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan intended to qualify under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An eligible employee is a person who has 1 year of service, is age 21 or older and is an employee of Clyde, Inc. affiliates: City Limit, Inc., Clyde's of Reston, Inc., Clyde's of Georgetown, Inc. Clyde's of Chevy Chase, Inc., Clyde's at Mark Center, Inc., Clyde's Tower Oaks Lodge, LLC, The Walrus Corporation, Clyde's of Tyson's Corner, Inc., Clyde of Columbia, Inc., Clyde's of Gallery Place, Inc., Clyde Broadland, Inc. Collectively bargained employees, non-resident aliens, highly compensated employees, leased employees, and employees covered by another qualified plan are not eligible to participate in the Plan. Eligible employees may become participants on the first day of the month after meeting eligibility.

The custodian and trustee of the Plan is JP Morgan Chase Bank (JP Morgan) who is responsible for holding plan assets. Effective June 25, 2010, State Street Bank is the trustee to the Plan. Automatic Data Processing, Inc. (ADP) serves as the Plan's record keeper. Certain members of management serve as the authorized plan representative and plan administrator.

Participant Contributions

Each year, participants may make salary reduction contributions up to 90% of pretax annual compensation subject to the limitations of the IRC, as defined in the Plan.

Qualified distributions from other qualified retirement plans can also be contributed to the Plan and retained as a rollover contribution. Participants are immediately vested in their salary reduction and rollover contributions plus actual earnings thereon.

Company Contributions

The Company contributes a matching amount equal to 25% of each participants' contribution up to the first 8% of compensation that a participant contributes to the Plan. For the year ended December 31, 2009, the Company made matching contributions of \$6,951, net of forfeitures used. Company matching contributions vest by twenty-five percent each year of service until fully vested after four years.

The Company may also make annual non-elective profit sharing contributions to the Plan that is at the sole discretion of the Company's Board of Directors. A participant must complete at least 1,000 hours of service and be employed as of the last day of the Plan year to be eligible for this discretionary employer contribution. Participants who become disabled, retire or die during the Plan year do not need to satisfy these requirements. Non-elective employer contribution made to the Plan will be allocated to the participant's account based on an integrated allocation formula. For the year ended December 31, 2009, no such non-elective employer contributions were made.

Company matching contributions vest by twenty percent after completion of the first two years of service and vest an additional twenty percent thereafter until fully vested after six years.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009

NOTE 1 - Description of Plan - continued

Participant Accounts

Each participant's account is credited with the participant's salary deferral contribution, rollovers (transfers in from other qualified plans), the Company matching contribution, and allocations of (a) Company discretionary non-elective contributions (if any), (b) investment earnings, (c) realized and unrealized gains and losses on investments, and (d) administrative expenses in accordance with the investment options selected by each participant and Plan expenses that may be allocated, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Participants are eligible for retirement benefits upon attaining the age of 65. Upon termination of service due to death, disability or retirement, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, partial payments or periodic payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or elect a direct rollover distribution. However, if the total value of the vested balance is \$1,000 or less the entire vested balance will be distributed in a lump sum payment. If the vested balance is greater than \$1,000 but less than \$5,000, the value of the vested interest in his or her account may be distributed through a direct rollover. Benefit payments to participants are recorded when paid.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The number of loans a participant may have outstanding is limited to two. All loans must be approved by the Plan record keeper and will bear interest at a rate commensurate with the prime rate as published by the Wall Street Journal as of the 14th of the month plus 1%. This rate becomes effective for any loans processed as of the 16th day of the month. Interest rates on participant loans ranged from 4.25% to 9.25%. Loans are secured by the balance in the participants' account and require periodic payments and are due through May 10, 2033.

Forfeited Accounts

Terminating participants forfeit the non-vested portion of the participants' employer contributions. Forfeitures may first be used to reduce the Plan's administrative expenses, as directed by the Company. Forfeitures of \$7,530 were applied to reduce the Plan's administrative expenses and \$2,997 of forfeitures was used to reduce the Company's contributions to the Plan for the year ended December 31, 2009. At December 31, 2009 and 2008, forfeited non-vested accounts totaled \$1,053 and \$2,202, respectively.

Investment Options

Participants are afforded several investment options covering a wide range of investment objectives and risk. Participants may allocate their contributions across these options in any proportion they wish, and can change this allocation. Transfers of account balances between elected investment options may also be made.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009

NOTE 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value of Financial Instruments

The Plan discloses its financial instruments, where it is practicable to estimate, at fair value under the Financial Accounting Standards Board issued Statement of Financial Accounting Standards 157, "Fair Value Measurement" (SFAS 157). SFAS 157 establishes a three-tiered fair value hierarchy with Level 1 representing quoted prices for identical assets or liabilities in an active market, Level 2 representing the assumptions market participants would use in pricing the asset developed on market data obtained independent of the Plan and Level 3 representing estimated values based on unobservable inputs. Under SFAS 157, related disclosures are segregated for assets and liabilities measured at fair value based on the level used within the hierarchy to determine their fair values.

Quoted market prices are the basis for the fair value of investment securities and interest-bearing cash. Market values are determined using the last reported sales price on the last business day of the Plan year. In instances wherein quoted market prices are not available, securities are stated at estimated fair value as determined by independent investment brokerage firms. Investments in common trust funds ("funds") are stated at estimated fair values, which have been determined based on the unit values of the funds. Unit values are determined by the bank sponsoring such funds by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. Shares of mutual funds and units in the common/collective trust are valued at the net asset value of shares held by the Plan at year-end. Valuations performed by an independent third party were used to value the Government Money Market account based on a Net Asset Value (NAV) of \$1 per the financial statements. Participant loans are valued at cost which approximates fair value. Other investments are valued at the price reported on the active market on which the individual securities are traded or valued at the NAV of shared held by the Plan at year end.

Income Recognition

In accordance with the policy of stating investments at current market value, net realized and unrealized appreciation and depreciation are reflected in the statement of changes in net assets available for plan benefits. Earnings from investments are recorded as earned using the accrual method of accounting. Dividends are recorded on the ex-dividend date.

Administrative Expenses

The Company may elect to pay the administrative expenses of the Plan or apply forfeitures to pay the administrative expenses of the Plan. If not paid by the Company, administrative expenses are required to be paid by the Plan. All such costs and expenses will, unless allocable to the accounts of particular participants, be charged against the accounts of all participants on a pro-rata basis or in such other reasonable manner as may be directed by the Company. In addition, certain accounting and administrative functions of the Plan are performed by employees of the Company at no cost to the Plan.

NOTE 4 - Tax Status

On November 2, 2007, the Internal Revenue Service stated that the Plan, as then designed, qualifies under Section 401(a) of the IRC and the related trust is exempt from Federal income taxes. The Plan administrator and authorized plan representative believe the Plan is being operated in compliance with the applicable requirements of the IRC and that the Plan, as amended, is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.
