Note 1 – Description of Plan

The following description of the Maxor National Pharmacy Services Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement, as amended, for a more complete description of the Plan's provisions.

General – The Plan is a 401(k) salary deferral and profit sharing plan covering substantially all employees of Maxor National Pharmacy Services Company and related employers (the Company), and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company is the Plan's sponsor and serves as plan administrator.

Effective October 1, 2015, the Plan's name was changed to Maxor National Pharmacy Services Company 401(k) Plan from Maxor National Pharmacy Services Corporation 401(k) Plan.

Eligibility – Employees of the Company are eligible to participate in the Plan upon reaching age 21 and completing 90 days of service.

Contributions

Participant contributions – Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans. Effective January 1, 2016, participants may elect to contribute up to 100% of their annual compensation on a pretax basis or as Roth after-tax contributions, as defined in the Plan.

Eligible employees are automatically enrolled at 5% of employee compensation after completing 90 days of service, unless the employee elects a different deferral percentage or declines participation in the Plan. After four years of participation, if an employee has not elected to change their deferral percentage, the automatic deferral percentage increases to 6% of employee compensation.

Employer contributions – The Company has elected safe harbor status for the Plan and makes qualified safe harbor matching contributions equal to 100% of each employee's contributions up to 1% of compensation, plus 50% of employee's contributions which between 1% and 6% of compensation. The Company may also elect to make discretionary profit sharing contributions to the Plan. There were no profit sharing contributions for the year ended December 31, 2015.

Contributions are subject to regulatory limitations.

Participant accounts – Each participant's account is credited with the participant's contributions and the Company's safe harbor matching contributions, as well as allocations of the Company's profit sharing contribution and earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 – Description of Plan (continued)

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants vest in the Company's qualified safe harbor matching contributions based on the following schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2 or more	100%

Participants vest in the Company's discretionary profit sharing contributions based on the following schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	25%
3	50%
4	75%
5 or more	100%

Notes receivable from participants – Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed fifteen years. Under the terms of the Plan agreement, plan loans will bear a reasonable rate of interest determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions. As of December 31, 2015, the interest rates on outstanding loans ranged from 4.25% to 9.25%, with various maturities through September 2030.

Payment of benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual, quarterly or monthly installments over a specified period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution.

Note 1 – Description of Plan (continued)

Forfeitures – Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and may be allocated to participant accounts or used to reduce future Company contributions. As of December 31, 2015 and 2014, forfeited non-vested accounts totaled $2,102 and $92,220, respectively. Non-vested forfeiture balances totaling $100,382 were used to reduce Company contributions during the year ended December 31, 2015.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Recent accounting pronouncements

ASU 2015-07 – In April 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*. This ASU is effective for fiscal years beginning after December 15, 2016, with earlier application permitted.

ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient (NAV).

ASU 2015-12 – In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Contribution Pension Plans (Topic 962) I. Fully Benefit-Responsive Investment Contracts; II. Plan Investment Disclosures, and III. Measurement Date Practical Expedient*. This ASU is effective for fiscal years beginning after December 15, 2015, with earlier application permitted. ASU 2015-12 removes the requirement to:

- Disclose individual investments held which exceed 5% of net assets available for benefits.
- Disclose net appreciation in fair value of investments by type of investment held.
- Disaggregate investments reported in the fair value hierarchy table by class of investment. They may be presented by general type only.
- Disclose investment strategy for investments for which fair value is measured using the NAV practical expedient.

The Plan implemented ASU 2015-07 and ASU 2015-12 as of December 31, 2014.

Note 2 – Summary of Significant Accounting Policies (continued)

Investment valuation – Investments are stated at fair value. The Plan's custodian, John Hancock Life Insurance Company (U.S.A.) (the Custodian), certifies the fair market value of all investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date.

Units held in pooled separate accounts (PSAs) are valued using the net asset value practical expedient (NAV practical expedient) of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. The net depreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Notes receivable from participants – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, the participant note receivable balance is reduced and a benefit payment is recorded.

Payment of benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

The Plan shares in management fee revenues generated within certain pooled separate account investments. The shared revenues are credited to participant accounts as a reduction of qualified plan expenses. For the year ended December 31, 2015, allocated shared revenues totaling $90,245 were credited to participant accounts and included as other income.

Subsequent events – The Plan has evaluated subsequent events through September 7, 2016, which is the date the financial statements were available to be issued.

Note 3 – Tax Status

The plan document is a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014, which stated that the volume submitter plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 3 – Tax Status (continued)

In accordance with guidance on accounting for uncertainty in income taxes, the Plan has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

Note 5 – Information Certified By the Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2015 and 2014.
- Net depreciation in fair value of investments and other income reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2015.
- Investments reflected on the schedule of assets (held at end of year).

Note 6 – Party-In-Interest Transactions

Plan investments include units held in PSAs managed by John Hancock Investments. The Custodian is an affiliate of John Hancock Investments and, therefore, transactions with these entities qualify as exempt party-in-interest transactions.

Note 7 – Plan Termination

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.
