INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
East Management Services 401(k) Plan
Boca Raton, Florida

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the East Management Services 401(k) Plan (Plan), which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the years ended December 31, 2014 and 2013, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As described in Note G, the Plan Administrator improperly excluded certain eligible employees from the Plan. The Plan Sponsor has made the appropriate qualified non-elective contributions, including missed earnings, for those employees who were improperly excluded from participating in the Plan.

As described in Note H, certain funds from the France Allpro Athlete Management, Inc. 401(k) Plan were transferred to East Management Services, L.P., the Plan Sponsor, and were not transferred to the Plan, resulting in a prohibited transaction. The aforementioned funds and related missed earnings were transferred to the Plan during the 2015 Plan year.

The matters emphasized above do not modify our opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2014 and Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2014 are required by the DOL Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

EAST MANAGEMENT SERVICES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2014 AND 2013
AND FOR THE YEAR ENDED DECEMBER 31, 2014

A. Description of Plan:

(1) ***General*** - The East Management Services 401(k) Plan (the Plan), as amended and restated August 12, 2013, with amendments through November 5, 2014, is a defined contribution plan covering eligible employees of East Management Services, L.P. (EMS), Black River Entertainment, LLC (BRE), Hockey Western New York, LLC (HWNY), Western New York Arena, LLC (WNYA), HARBORcenter Development, LLC (HCD), HARBORcenter Operating, LLC (HCO), Topshelf Management, LLC (TM), Intermission Management, LLC (IM), Impact Sports Performance, LLC (ISP), Pegula Sports & Entertainment, LLC (PSE) and GRMR Oil & Gas, LLC (GRMR) (the Company).

Effective January 1, 2013, the Plan was amended to include France Allpro Athelete Management, Inc. (Allpro), BRE, HWNY, and WNYA as participating employers. During 2013, HWNY/WNYA and Allpro transferred approximately $3,996,000 and $481,000 into the Plan, respectively. No assets were transferred into the Plan with respect to BRE. Effective February 14, 2014, the Plan was amended to include HCD, HCO, TM and IM as participating employers. Effective June 30, 2014, the Plan was amended to include ISP, PSE and GRMR as participating employers, with ISP included as a participating employer as of June 1, 2014. No assets were transferred into the Plan with respect to HCD, HCO, TM, IM, ISP, PSE and GRMR. Effective November 5, 2014, the Plan was amended to exclude Allpro as a participating employer.

The Plan document is the governing instrument and should be referred to for a full description of the Plan and its provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(2) ***Eligibility*** - Employees that have attained the age of 21 are eligible to make before-tax contributions, rollover contributions, and after-tax Roth 401(k) contributions. In addition, employees are eligible to receive matching and discretionary contributions, provided under the terms of the Plan as described below. Residents of Puerto Rico, employees covered by a collective bargaining agreement, leased employees, non-resident aliens with no U.S. source income, and seasonal/part-time employees under age 21 and who have not completed 1,000 hours of service in a 12 consecutive month period, are not eligible to participate in the Plan.

(3) ***Contributions*** - Employees are automatically enrolled in the Plan with a contribution rate of 2% of before-tax earnings. A participant may opt-out of the Plan or may elect to change before-tax or after-tax payroll deductions to amounts up to 90% of his or her compensation. The sum of before-tax and after-tax Roth 401(k) contributions are subject to annual limitations prescribed by the Internal Revenue Code (IRC).

Employees may also elect to make catch-up contributions provided they have reached age 50 by the end of the current calendar year.

A. Description of Plan (Continued):

Eligible compensation is defined as the taxable compensation paid excluding reimbursements or other expense allowances, fringe benefits, moving expenses, deferred compensation, and payments in lieu of wages for qualified military service and welfare benefits. Eligible compensation is subject to annual limitations prescribed by the IRC.

The Company has elected to make safe harbor matching contributions to all participants of the Plan equal to 100% of the first 4% of eligible compensation contributed to the Plan by a participant. These contributions satisfy certain IRC requirements and eliminate the need to perform certain non-discrimination annual tests.

Although none were made in 2014 or 2013, the Company may make a discretionary matching contribution in the amount of 4% of the participant's eligible compensation provided the employee is employed at December 31.

Participants may direct their own contributions, as well as the Company's matching and discretionary contributions, into any of a number of separate mutual funds or an interest-bearing cash account maintained by Fidelity Management Trust Company (the "Trustee").

(4) ***Participant Accounts*** - Each participant's account is credited with the employee's contribution, the Company's matching contribution, Plan earnings, administrative fees and a proportionate allocation, as defined in the Plan, of the Company's discretionary profit sharing contribution, if applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(5) ***Vesting*** - Participants are fully vested in the value of their contributions and the Company's safe harbor matching contributions plus actual earnings thereon at all times. Participants vest in the value of the Company's discretionary contributions ratably over six years.

(6) ***Forfeitures*** - The Plan permits the Company to first reduce administrative expenses with forfeitures, which represent the unvested portion of accounts for participants who terminated employment with the Company, and then any remaining amounts can be used to reduce employer contributions. At December 31, 2014 and 2013, forfeited non-vested accounts totaled approximately $22,000 and $21,000, respectively. In 2014 and 2013, forfeitures of approximately $200 and $8,700, respectively, were used to reduce administrative expenses, while no forfeitures were used to reduce employer contributions.

(7) ***Notes Receivable from Participants*** - Generally, loans are not permitted by the Plan; however, loans associated with the HWNY plan were transferred into the Plan at August 26, 2013 along with the other assets of the HWNY plan. These loans, which bear interest at a rate of prime plus 1%, are collateralized by the vested portion of the participant's account and repayments are made through payroll deductions. Participant loans are considered assets of the Plan and are valued based on the unpaid principal balance plus accrued but unpaid interest.

A. Description of Plan (Continued):

(8) ***Benefit Payments*** - Individual accounts can be distributed upon the death, disability, retirement or termination of employment of the Plan participant. If the participant's account balance is greater than $5,000, the participant has the option to remain in the Plan or to receive a distribution of their account balance in the form of either a lump-sum distribution, individual retirement account or various annuity payments. If the participant's account balance is $5,000 or less, the account will automatically be distributed in the form of one lump sum payment. In the event of an immediate and heavy financial burden, the Plan also permits a hardship withdrawal of a participant's deferral contributions, including any applicable taxes and penalties, up to an amount required to alleviate the hardship.

B. Summary of Significant Accounting Policies:

The financial statements of the Plan have been prepared on the accrual basis and in conformity with accounting principles generally accepted in the United States of America. The following are the significant accounting policies followed by the Plan:

(1) ***Use of Estimates*** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make significant estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from these estimates.

(2) ***Contribution Revenue*** - Employee contributions and company matching contributions are recognized as additions to Plan assets in the year designated by the employee. Employer discretionary profit sharing contributions are recognized as additions to Plan assets in the year designated by the employer.

(3) ***Investment Valuation and Income Recognition*** - The Plan's investments are reported at fair value (Notes D and E). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis, and dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on mutual funds includes the Plan's gains and losses on mutual funds bought and sold as well as held during the year.

(4) ***Benefit Payments*** - Benefits are recorded when paid.

(5) ***Expenses*** - A portion of the expenses of maintaining the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in realized and unrealized gains of mutual funds.

B. Summary of Significant Accounting Policies (Continued):

(6) ***Notes Receivable from Participants*** - Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income on loans is recorded on the accrual basis. An allowance for notes receivable from participants has not been recorded as delinquent notes receivable from participants are recorded as a distribution and reduction of the participant loan balance based upon the terms of the Plan document.

(7) ***Subsequent Events*** - Management has evaluated subsequent events through November 1, 2016, the date the financial statements were available to be issued and disclosed such events in Note J.

C. Tax Status:

The Internal Revenue Service has determined by a letter dated April 2, 2008 that the prototype plan used to set the guidelines of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), as amended, and the regulations thereunder, and the Plan is thereby tax-exempt within the meaning of Section 501(a) of the IRC. Although the Plan has been amended, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

D. Investments (Unaudited):

At December 31, 2014 and 2013, the investments were held by the Trustee. Participants may direct their investments into an interest-bearing cash account or into mutual funds. The Trustee of the Plan's assets has certified the unaudited investment assets of the Plan at December 31, 2014 and 2013, as well as to the unaudited investment income or loss, including interest, dividends, expenses, and realized and unrealized gains and losses for the year ended December 31, 2014 and the information contained in the supplemental Schedule of Assets (Held at End of Year), in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Investments in the interest-bearing cash account and mutual funds are recorded at fair value as described in Note E. Changes in the market value of mutual funds are recorded as gains or losses.

The statement of net assets available for benefits presents the fair value of all investment contracts. The statement of changes in net assets available for benefits is prepared on the fair value basis as there are no investments held at December 31, 2014 in fully-benefit responsive investments which are required to be reported at contract value.

D. Investments (Unaudited) (Continued):

The Plan invests in a variety of mutual funds. The investment strategies of these mutual funds vary among growth, income and equity objectives. A prospectus describing each mutual fund is available from the plan administrator.

Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

E. Fair Value Measurements:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, "*Fair Value Measurements and Disclosures*," establishes a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs into three broad levels. Level 1 inputs are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. Level 2 inputs are inputs other than quoted prices for similar assets in active markets or inputs that are observable for the asset, either directly or indirectly through market corroboration, for substantially the full term of the asset. Level 3 inputs are unobservable inputs developed by the plan sponsor based on the best information available about the assumptions market participants would use in pricing the asset. A financial asset's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

E. Fair Value Measurements (Continued):

The following is a description of the valuation methodology used in measuring Plan assets at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Mutual Funds - Determined based upon the net asset value of shares held by the Plan and normally calculated as of the close of business on the New York Stock Exchange. The mutual funds held by the Plan are deemed to be actively traded.

Interest-Bearing Cash - Determined based upon the closing price reported at year-end.

The following tables detail the assets' fair value measured as of December 31, 2014 and 2013:

	Level 1	Level 2	Level 3	Total
December 31, 2014:				
Mutual funds	$10,171,132	$ -	$ -	$10,171,132
Interest-bearing cash	187,198	-	-	187,198
Total assets at fair value	$10,358,330	$ -	$ -	$10,358,330
December 31, 2013:				
Mutual funds	$ 7,363,404	$ -	$ -	$ 7,363,404
Interest-bearing cash	76,381	-	-	76,381
Total assets at fair value	$ 7,439,785	$ -	$ -	$ 7,439,785

F. Party-in-Interest:

The Plan's assets invested in interest-bearing cash and certain of the mutual funds are issued and maintained by the Trustee who holds all of the Plan's investment assets. Transactions executed in these accounts are party-in-interest transactions.

G. Qualified Non-Elective Contribution Receivable:

For the Plan years ended December 31, 2014 and 2013, the Plan Administrator erroneously excluded employees from participating in the Plan. Following the identification of the improperly excluded employees, the Plan Administrator calculated the qualified non-elective contributions and missed earnings in accordance with Revenue Procedures 2013-12 and 2015-28. The qualified non-elective contributions and missed earnings were remitted to the Plan during the 2014 and 2016 Plan years.

H. Plan Transfer Receivable:

For the Plan year ended December 31, 2013, as a result of the acquisition of Allpro, the assets of the France Allpro Athlete Management, Inc. 401(k) Plan were transferred into the Plan; however, the employer contribution receivable at January 1, 2013 that was to be transferred was erroneously transferred to East Management Services, L.P., the Plan Sponsor and related party. This prohibitive transaction was identified by the Plan Administrator and the associated funds and missed earnings were remitted to the Plan during the 2015 Plan year.

I. Plan Termination:

Although there is not a present intent to do so, the Company has reserved the right to terminate or partially terminate the Plan and, upon termination, all participants will become fully vested in any funds which have been allocated to them.

J. Subsequent Event:

During May 2015, as a result of the 2014 disposition of interest in Five Star Athlete Management, Inc., formerly known as France Allpro Athlete Management, Inc., Plan assets totaling $811,708 attributable to the employees of Five Star Athlete Management, Inc. were transferred from the Plan to the Five Star Athlete Management, Inc. 401(k) Plan.
