West Palm Beach, Florida

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Hulett Environmental Services, Inc. 401(k) Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2016, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule of assets held for investment purposes as of December 31, 2016, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance Company, the custodian of the Plan. Their report, dated October 11, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

1. Description of Plan

The following description of Hulett Environmental Services, Inc. 401(k) Profit Sharing Plan (the "Plan") provides for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

a) *General* – The Plan is a defined contribution plan covering all employees of Hulett Environmental Services, Inc. (the "Company"), except leased employees, who have at least one year of service to the Company, as defined, and have attained the age of twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on February 1, 1997, and was most recently amended and restated as of January 1, 2016.

b) *Plan Administration* – The Plan is administered by TPS Ancillary Services and by The Pension Studio, a third party administrator (TPA). The Plan's trustee is a director and employee of the Company. As of December 31, 2016 and 2015 the investment manager, custodian and party which directs the custody and management of the Plan's assets is John Hancock Life Insurance Company (John Hancock).

c) *Contributions* – Each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan and as subject to limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Company may annually elect to make matching and/or discretionary contributions. For the year ended December 31, 2016, the Company made a matching contribution of 3% of the elective deferral contribution that eligible participants contributed to the Plan. For the year ended December 31, 2016, the Company did not make any discretionary contributions.

d) *Participant Accounts* – Each participant's account is credited with participant's contribution, the employer's matching contribution, Plan earnings and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon an eligible participant's relative compensation.

e) *Vesting* – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant becomes 100% vested after 6 years of credited service.

f) *Administrative Expenses* – The Company has elected to pay the administrative costs associated with Plan operations and compliance. Individual participants pay for loan fees, investment fees and associated expenses.

g) *Investment Options* – Upon enrollment in the Plan, a participant may direct the investment of their contributions to any of the investment options offered in the John Hancock program and determined by the Plan Administrator. Participants may change their investment options via phone or Internet access to John Hancock.

1. *Description of Plan, continued*

h) *Non-interest Bearing Cash* – As of December 31, 2016 and 2015, non-interest bearing cash consisted of the portion of unallocated funds.

i) *Participant Loans Receivable* – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loans fund. Loan terms range from 1-5 years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the loan administrator. The interest rates on participant loans receivable as of December 31, 2016 and 2015 range from 3.25% to 5.75%. Principal and interest is paid ratably through payroll deductions. Participant loans are reported at their unpaid principal balances plus any accrued, but unpaid interest. The loan balances are secured by the participants' investment accounts, therefore, no allowance for uncollectible loans was deemed necessary.

j) *Payments of Benefits* – Upon retirement, disability retirement, or termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or an annual installments over a period not to exceed the participant's life expectancy.

k) *Forfeited Accounts* – Forfeitures of non-vested accounts are used to pay administrative expenses. Total forfeitures available as of December 31, 2016 and 2015 amounted to $2,295 and $2,995, respectively. During the year ended December 31, 2016, $1,155 was forfeited by employees and $1,855 was used to pay administrative expenses.

2. *Summary of Significant Accounting Policies*

The following are the significant accounting policies followed by the Plan:

a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.

b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c) *Valuation of Investments and Income Recognition* – Investments in registered investment companies (i.e., mutual funds held in pooled separate accounts) are reported at fair value of the fund's quoted market price, which represents the net asset value ("NAV") as quoted by the custodian of the shares held by the Plan at year end. Investment options that do not have readily available market quotations are valued according to quotations from the custodian. Purchases and sales of securities are recorded on a trade-date basis.

2. *Summary of Significant Accounting Policies, continued*

d) *Payment of Benefits* – Benefits are recorded when paid.

e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rate, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Certain Plan investments are shares of pooled trust funds managed by the custodian. Change in the custodian's management may affect operating results of the funds adversely. Additionally, the financial position of the Plan Sponsor, Hulett Environmental Services, Inc., may have a significant impact on the Plan. Specifically, this includes the ability of the Plan Sponsor to continue to make contributions under the program and/or the stability of the Plan Sponsor's operations. Other external factors which may affect the Plan and the Plan assets include legislation or regulations established by the Internal Revenue Service, Employee Retirement Income Security Act of 1974 (ERISA), and/or Department of Labor (DOL).

3. *Fair Value Measurements*

FASB Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. *Fair Value Measurements, continued*

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following descriptions provide the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2016.

a) *Non-interest bearing cash* – The carrying value of non-interest bearing cash approximated fair value.

b) *Mutual funds held in pooled separate accounts* – Valued at the net asset value ("NAV") as quoted by the custodian of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015:

	Assets at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Non-interest bearing cash	$ 2,295	$ -	$ -	$ 2,295
Mutual funds held in pooled separate accounts	-	5,346,522	-	5,346,522
Total assets at fair value	$ 2,295	$ 5,346,522	$ -	$ 5,348,817

	Assets at Fair Value as of December 31, 2015			
	Level 1	Level 2	Level 3	Total
Non-interest bearing cash	$ 2,995	$ -	$ -	$ 2,995
Mutual funds held in pooled separate accounts	-	4,740,934	-	4,740,934
Total assets at fair value	$ 2,995	$ 4,740,934	$ -	$ 4,743,929

4. *Information Certified by the Plan's Custodian*

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly John Hancock, the custodian, has certified that the data included in the accompanying financial statements and supplemental schedule is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except

for comparing such information to the related information included in the financial statements and supplemental schedule.

4. *Information Certified by the Plan's Custodian, continued*

The following information was prepared and certified as complete and accurate by John Hancock:

	2016	2015
Investments in pooled separate accounts	$ 5,346,522	$ 4,740,934
Net appreciation in fair value of investments	$ 404,326	

5. *Excess Contributions Payable*

Amounts payable to participants totaling $23,951 for contributions in excess of amounts allowed by the IRS are recorded as a liability and are included in distributions paid to participants. The Plan distributed the 2016 excess contributions to the applicable participants prior to March 15, 2017. Excess contributions are reflected as a liability in the Statement of Net Assets Available for Benefits as of December 31, 2016 and 2015.

6. *Related Party Transactions*

Certain plan investments include shares of pooled separate accounts managed by John Hancock. John Hancock is the investment manager and custodian as defined by the Plan as of December 31, 2016 and 2015, and therefore, these transactions qualify as party-in-interest transactions. However, they are not considered prohibited transactions in accordance with appropriate ERISA exceptions.

7. *Tax Status*

The Plan is adopted via the Defined Contribution Volume Submitter Plan and Trust Basic Plan Document (Volume Submitter Plan), utilized by its TPA – The Pension Studio. The Volume Submitter Plan has a favorable opinion letter from the Internal Revenue Service dated March 31, 2014. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. *Plan Termination*

Although the Company intends the Plan to be permanent and continuing, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. *Reconciliation of Financial Statements to Schedule H of Form 5500*

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2016 and 2015, to Schedule H of Form 5500:

	2016	2015
Net assets available for benefits per the financial statements	$ 5,471,792	$ 4,848,718
Excess contribution payable	23,951	17,888
Net assets available for benefits per Schedule H of Form 5500	$ 5,495,743	$ 4,866,606

Excess contributions are recorded on the Schedule H of Form 5500 according to the cash basis of accounting, which is when excess contributions are paid.

10. *Subsequent Events*

Management has evaluated subsequent events through July 28, 2017, the date on which the financial statements were available to be issued, and determined there were no events to disclose in these financial statements.
