INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees
Educational Services, Inc. Employees Savings Trust

I was engaged to audit the financial statements and supplemental schedule of Educational Services, Inc. Employees Savings Trust as of December 31, 2009 and for the year then ended, as listed in the accompanying index. These financial statements and schedules are the responsibility of the Plan's management. The financial statements of the Plan as of December 31, 2008 were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Variable Annuity Life Insurance Company, the trustee of the Plan. Their report, dated October 12, 2009, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and do not, express an opinion on the financial statements and schedules taken as a whole (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustees, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by ING Life Insurance and Annuity Company, the trustee of the Plan, except for comparing the information with the related information included in the 2009 financial statements and supplemental schedule. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2009, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information in the Plan's 2009 financial statements and schedule that I did not audit, I am unable to, and do not, express an opinion on the accompanying 2009 financial statements and schedule taken as a whole. The form and content of the information included in the 2009 financial statements and schedules, other than that derived from the information certified by the trustees, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1: Description of the plan

The following description of the Educational Services, Inc. Employees Savings Trust(Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General. The Plan is a defined-contribution plan covering substantially all full-time employees of Educational Services, Inc.(the Company) who have attained the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of the balance of their account.

Vesting. Participants are immediately vested in their voluntary contributions, plus the earnings thereon.

Payment of benefits. On termination of service, a participant will receive a lump-sum distribution, or an IRA selected by the Plan Administrator, equal to the value of the participant's account if the amount is \$5,000 or less. If the amount is greater than \$5,000, the participant can elect to receive either a lump sum amount or leave such amount in the Plan until normal retirement age.

Note 2: Summary of significant accounting policies, continued

Estimates by management

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Date of management's review

Subsequent events were evaluated through September 14, 2010, which is the date the financial statements were available to be issued.

Note 3: Plan termination

Although it has not expressed any desire to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4: Tax status

The Plan administrator believes that the Plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC), and that the Plan continues to operate in compliance with the applicable requirements of the IRC.

There were no material differences noted between the financial statements of the Plan and the Plan's 2009 Form 5500.

Note 6: Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

SFAS No. 157, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 is used only when Level 1 or Level 2 inputs are not available.

Level 2 Fair Value Measurements

The Plan's mutual fund and fixed income investments and are administered by and certified by ING Life Insurance and Annuity Company for the year ended December 31, 2009 and by Variable Annuity Life Insurance Company for the year ended December 31, 2008.
