1. DESCRIPTION OF PLAN

The following description of the Matthews Automotive Group ("Company) 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL: The Plan is a defined contribution 401(k) plan covering all employees of the Company who have one year of service and are age twenty-one or older on the Plan entrance date. A year of service is defined as any Plan year in which an employee completes 1,000 hours of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended under provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001. The Plan was also amended in 2006 to comply with the required regulations for matching contributions and/or after-tax employee contributions.

CONTRIBUTIONS: Total contributions, both participant and employer, including discretionary are subject to the limits of the Internal Revenue Code (the "IRC") Section 415(c). Participant contributions and employer discretionary contributions of certain highly compensated participants may also be limited based on contribution nondiscrimination tests described in IRC Section 401(k) and 401(m). The Company will match $0.20 for every $1.00 up to the first 5% of salary contributed to the Plan. Contributions are subject to certain limitations.

PARTICIPANT ACCOUNTS AND VESTING: Each participant's account is credited with the earnings of each participant's self-directed account. The Plan's earnings are allocated according to participant's investment choices.

Participants are immediately vested I their contributions plus actual earnings thereon. That portion of the participants' account attributable to employer contributions is based on years of service. A participant begins vesting after two years of credited service and is 100% vested after the completion of six years of service. At December 31, 2009, and 2008, forfeited non-vested accounts totaled $9,643 and $1,552 respectively. These amounts will be used to reduce future employer contributions.

DISTRIBTIONS TO PARTICIPANTS: Amounts credited to an individual participant's account can be distributed at termination of employment as a lump sum, a single-sum payment of a portion of the account balance, or in installments if greater than $5,000. If the vested benefit in the plan is less than $5,000, then the benefit must be distributed in a single lump payment as soon as administratively feasible. If the participant reaches the age of 70 ½ and the participant has not separated from service, distributions must commence no later than April 1 of the following year in which the participant reaches age 70 ½. Distributions can also be made because of death, disability, hardship, Qualified Domestic Relations Orders, and plan termination.

1. DESCRIPTION OF PLAN (Continued)

PARTICIPANT LOANS: Participants with adequate security may borrow from the plan.

FORFEITURES: Forfeitures may be used to reduce employer non-elective contributions.

PAYMENT OF BENEFITS: On termination of service due to death, disability or retirement, a participants benefits are to be paid as soon as administratively feasible, following the close of the valuation period during which a distribution is requested or is otherwise payable in a lump sum amount or installments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ESTIMATES: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reporting amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION: The financial statements were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Great West Life & Annuity, the trustee of the plan assets reports contributions when received and distributions when paid. The Plan's investments are stated at fair market value. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Participant loans are valued at their outstanding balances, which approximate fair value. The fair value of the guaranteed portfolio funds is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations. Dividends and capital gain distributions are reinvested in each applicable fund.

METHOD OF ACCOUNTING: The financial statements have been prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

3. PLAN TERMANTION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the even of Plan termination, participants will become 100% vested in their accounts.

4. FEDERAL INCOME TAX STATUS

The Plan adopted a prototype plan that obtained a favorable determination letter on November 27, 2001. A favorable determination letter qualifies the Plan under Section 401(a) of the IRC and is therefore not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore no provisions for income taxes has been included in the Plan's financial statements.

5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the trustee. The custodian's certification applies to substantially all Plan assets and transactions for 2009 and 2008.
