Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. NOTE 1 DESCRIPTION OF PLAN

The following description of Rex Moore Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides health benefits to substantially all full-time employees of Rex Moore Group, Inc. (through December 31, 2017) and Rex Signature Services, LLC (beginning January 1, 2018) (the Company) who have at least sixty days of service, are regularly scheduled to work at least thirty hours per week and are not covered by a collective bargaining agreement. Retirees, part-time employees, and temporary employees are not eligible to participate in the Plan. Employees enter the Plan on the first day of the month following sixty days of service. The Plan also provides health benefits to eligible dependents of each participant. As required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), the Plan includes a continuation of coverage option to certain terminated, retired and totally disabled participants and their covered dependents for a period not to exceed eighteen months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Self-Insured Benefits

The Plan provides health benefits including medical, major medical, hospital, surgical and dental services to eligilbe employees of the Company and to their covered dependents. Claims for these benefits are subject to various deductible and co-payment amounts. The Plan provides these benefits on a self-funded basis, subject to a stop loss limit. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and then are reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of third-party claims' processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Insured Benefits

The Plan fully insures the life insurance benefits (basic, supplemental, and dependent), accidental death and disability benefits (basic, supplemental, and spousal), short-term disability, and vision benefits. The Company purchases annual insurance contracts for these insured benefits. Premiums for basic life insurance and basic accidental death and dismemberment insurance programs are paid to the insurance company from the general assets of the Company. Premiums for all other insured benefits are paid through payroll deductions to the employees.

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Contributions

The Company contributes to the Plan monthly based on an hourly funding formula. The Company's management periodically reviews and adjusts the contribution accordingly. During the year ended April 30, 2018, the funding amount was held at a fixed rate that remained in effect for the entire year. For the year ended April 30 2017, the funding amount was periodically adjusted to meet the Plan's benefit claims obligations. If there is a deficit in net assets of the Plan, management may adjust the employer and employee contribution rates.

Active participants may contribute monthly amounts, determined periodically by the Company's management, to extend coverage to themselves and to their eligible dependents. These contributions are deducted monthly from the employees' wages.

Terminated, retired, and totally disabled participants electing continued coverage contribute monthly amounts as provided by the Plan.

Flexible Spending Account

The Plan has a flexible spending account (FSA) that is funded solely through employee contributions. The FSA allows eligible participants to be reimbursed tax free for qualified medical expenses and qualified dependent care costs subject to a maximum annual amount of $2,600 and $5,000, respectively. Amounts in participant's medical accounts of $500 or less that are remaining at the end of the year in their medical FSA can be carried over to the next year. Amounts remaining in the dependent care FSA are not eligible to be carried over to the following year. The employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses and qualified dependent care costs; and remaining amounts are not portable upon termination once the employee leaves the employer.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan's cash balance is held at one financial institution located in California. Accounts at this institution are insured by a government agency up to $250,000. At times the balance in this account may exceed the insured limit.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions Receivable

Employee and employer contributions receivable due but not paid at year end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of April 30, 2018 and 2017.

Payment of Benefits

Claim payments are recorded when paid by the Plan. Short-term disability payments are processed through the Company's payroll system and paid from the general assets of the Company who is then reimbursed by the insurance company. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

Premiums paid by either the Company or the VEBA trust are recorded as premium payments in the accompanying the statements of changes in net assets available for benefits.

Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Income Taxes

Under applicable laws and regulations, the Plan has been determined to be exempt from federal and California taxes on income. The Internal Revenue Service has classified the Plan as a trust that is exempt from federal taxes under Internal Revenue Code Section 501(c)(9). However, the Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan had no investment income during the Plan years ended April 30, 2018 and 2017.

Flexible Spending Accounts

Also included in the accompanying statements of net assets available for benefits are amounts available to reimburse participants for qualifying medical expenses and qualifying dependent care expenses of $17,702 and $16,787 as of April 30, 2018 and 2017, respectively, which are flexible spending arrangements as defined in IRC 125. Unused contributions are forfeited each July 31 in accordance with Plan provisions. Forfeitures related to medical expenses were $2,754 for the year ended April 30, 2018. Forfeitures related to dependent care were $685 for the year ended April 30, 2018.

Subsequent Events

The Plan has evaluated subsequent events through February 15, 2019, the date the financial statements were available to be issued. Effective May 1, 2018, the Plan name was changed to RSS Employee Benefit Plan.

NOTE 3 FUTURE BENEFIT OBLIGATIONS

The Plan administrator estimated that future benefit obligations for active participants' existing health conditions covered by the Plan amounted to $499,608 and $542,890 as of April 30, 2018 and 2017, respectively. At April 30, 2018, this amount was determined from the calculation of the incurred but not reported (IBNR) reserve performed by the Plan's actuary subsequent to year end using the lag factor method outlined in the Actuarial Standards of Practice form the American Academy of Actuaries. This method uses actual historical claims data for the Company to develop completion factors specific to its own claim payment patterns. This historical claims data is presented as a lag triangle showing claims by incurred and paid dates. This data is used to calculate how complete each incurred month is for each month of payment.

At April 30, 2017 this amount was determined from the calculation of the IBNR reserve performed by the Plan's actuary subsequent to the Plan's year end using the completion method outlined in the Actuarial Standards of Practice from the American Academy of Actuaries. Using the claims data by paid date and incurred date as of a specific date, the actuary estimates the percent of claims incurred that are currently unpaid. The actuary also projects the monthly claims incurred for the most recent months. These historical estimates are used to calculate the expected claims payments in the coming year. If the actuary has the incurred and paid dates for large claims and the corresponding reimbursements from the stop loss carrier, the claims triangle is adjusted accordingly.

In performing the reserve calculation, the actuary used the following assumptions at April 30, 2017:

1. Monthly enrollment data was received from the Plan's third party administrator.
2. The claims data was complete and accurate.
3. The trend rate was calculated based on a regression analysis of actual monthly claims and enrollment for the most recent 24 months. Calculated trend rates were blended with regional averages to arrive at a final trend rate of 8.2% for medical, prescription drugs and dental.
4. Claims will continue to be incurred at the same rate as those incurred in the data that was received.
5. When appropriate, amounts were adjusted to account for various reimbursements, reversals, and retroactive adjustments in the data.
6. No load for loss adjustment expenses was added since the payment of run-out claims are typically included in the contract with the claims payer.
7. No load was added for conservatism (margin).

NOTE 4 STOP LOSS COVERAGE

During the years ended April 30, 2018 and 2017, the Plan maintained a stop loss insurance policy with Berkshire Hathaway Specialty Insurance Company. The policy provides reimbursement to the Plan for claim amounts paid in excess of $135,000 per year for each participant. During the years ended April 30, 2018 and 2017, the Plan submitted evidence for stop loss recoveries of $338,434 and $532,347 and was reimbursed for $333,357 and $525,505 in stop loss recoveries, respectively, which are netted against payments for medical and dental claims paid in the accompanying statements of changes in net assets available for benefits. The stop loss receivable totals $5,077 and $6,842 as of April 30, 2018 and 2017.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 6 TAX STATUS

The trust established under the Plan to hold the Plan's assets obtained its latest determination letter in June 1992, in which the Internal Revenue Service (IRS) stated that the trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The trust has been amended since receiving the determination letter. However, the Plan administrator believes that the trust is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of April 30, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
