INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Boening Bros. Inc.
401 (k) Plan

We have audited the accompanying statements of net assets available for benefits of the Boening Bros. Inc. 401(k) Plan as of December 31, 2009 and 2008 and the related statements of changes in net assets available for benefits for the years then ended. These statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2009 and 2008 and changes in net assets available for benefits for the years then ended in conformity with generally accepted accounting principles.
