To the Participants and Board of Trustees of the
Chicago White Metal Casting, Inc.
Profit Sharing & Savings Trust

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Chicago White Metal Casting, Inc. Profit Sharing & Savings Trust, which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriated audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Mass Mutual Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Plan Year) as of or for the year ended December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018 AND 2017

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Chicago White Metal Casting, Inc. Profit Sharing & Savings Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Sponsor/Employer – The Plan is sponsored by Chicago White Metal Casting, Inc. (the Company).

General - The Plan is a defined contribution plan covering all full-time employees of the Company. There is no minimum service requirement for participation in the elective deferral provisions of the Plan. Employees are eligible for Company profit-sharing contributions after one year of service, as defined by the Plan. There is no minimum age for Plan eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, at the discretion of the Board of Directors, the Company may contribute to the Plan an amount of its current or accumulated net income, which shall not exceed the amount deductible by the Company under the applicable section of the Internal Revenue Code in effect for such year. Participants may contribute amounts representing distributions from other qualified plans. The Company will also contribute each participant's elective deferral to the Plan subject to statutory limitations. The Company may match the employee elective deferrals at the discretion of the Company's Board of Directors. During 2017, the Company made a qualified non-elective contribution (QNEC) to the Plan to pass certain discriminatory tests related to plan year-ended December 31, 2016.

Participant Accounts - Each participant's account is credited with an allocation of (a) the Company's contribution, (b) participant elective deferrals, (c) Plan earnings, and (d) forfeitures of former Plan participants' non-vested account balances. Allocations are based on participant compensation or participant account balances, as defined. The benefit to each participant is the accumulated sum of the Company's contributions, Plan earnings and forfeitures allocated to each participant's account. Employee voluntary contributions and Company matching contributions are held in a separate account for each participant.

Vesting - A participant's vested interest in his account increases incrementally for each year of continuous service. A participant is 100 percent vested after six years of credited service, as defined. Each participant is fully vested in their participant elective deferral account.

Forfeitures - Forfeitures of non-vested Company contributions are first used to pay Plan expenses and are then used to reduce future Company contributions and/or matching contributions. During 2018 and 2017 there were no forfeitures.

Administrative Expenses - Certain expenses incurred in the administration of the Plan are paid directly by the Company. The Company paid $16,116 and $9,994 on behalf of the Plan in 2018 and 2017, respectively.

Payment of Benefits - On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of their account, or annual installments over their remaining life expectancy. Beneficiaries of deceased participants may elect to receive distributions in full within five years of the death of the participant or over the beneficiaries' life expectancy.

NOTE 1 – DESCRIPTION OF PLAN, continued

Participant Loans - Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of $50,000 or 50% of their vested balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 6.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan sponsor.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and benefit obligations, and claims payable and changes in net asset amounts for benefits and benefit obligations. Actual results could differ from those estimates.

Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent). ASU 2015-07 amended Accounting Standards Codification (ASC) 820, Fair Value Measurement, to remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset per share practical expedient as well as to remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. The amendments in this update were effective for publicly business entities for fiscal years beginning after December 15, 2015. For all other entities, the amendments in this update were effective for fiscal years beginning after December 15, 2016. Early adoption was permitted. The Plan adopted this ASU for the 2016 plan year.

Investments

Investments are valued at fair value based on quoted market prices as of the last day of the year, except for the Mass Mutual Fixed Account. The Fixed Account is fully benefit-responsive and is reported at fair value and adjusted to contract value. The Plan's investments are held by a trust fund administered by a third-party. Employees are entitled to choose investments in several common stock and/or fixed income funds. The Plan's investments consist primarily of equity in mutual funds administered by registered investment companies.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Plan Benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Contributions

Employer contributions are recognized as income in the period declared by the employer's Board of Directors.

Payment of Benefits

Benefit payments to participants are recorded when paid except for any excess contributions payable to participants, which are recorded as they become payable.

NOTE 3 - TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE 4 - PLAN TERMINATION PROVISION

Although the Plan sponsor has not expressed any intent to do so, the Company reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 5 – CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2018 and 2017, and net appreciation (depreciation) in fair value of investments, interest, and dividends for the years ended December 31, 2018 and 2017, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by The Massachusetts Mutual Life Insurance Company (the custodian of the Plan).

NOTE 6 – RELATED PARTY TRANSACTIONS

The Company is the Plan sponsor and administrator. Certain Plan investments are shares of mutual funds managed by the Massachusetts Mutual Life Insurance Company, the current custodian, in 2018 and 2017; therefore, these investments are party-in-interest transactions. Notes receivable – participants are also considered party-in-interest transactions, but are exempt from the prohibited transaction rules of ERISA.

Certain employees of the Company provide administrative and trustee services to the Plan. These employees do not receive compensation from the Plan for their services. Certain other expenses of the Plan are paid by the Company.

NOTE 7 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with the Massachusetts Mutual Life Insurance Company (Mass Mutual). Mass Mutual maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Mass Mutual. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract has certain restrictions that impact the ability to collect the full contract value, for example, the Plan may not draw more than the 17% of the prior month end value without incurring a penalty without the consent of Mass Mutual. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Mass Mutual may not terminate the contract at any amount less than contract value.

Mass Mutual is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. Mass Mutual has guaranteed a minimum return of 3%.

The Fixed Account contract information provided is certified by Mass Mutual pursuant to DOL rule 29 CFR 2520.103-5(c).

NOTE 8 - FAIR VALUE MEASURMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under FASB Accounting Standards Codification Topic 820 are as follows:

NOTE 8 - FAIR VALUE MEASUREMENTS, Continued

Level 1: Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3: Inputs that are unobservable and significant to the fair value measurement.

The assets fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

The corporate stocks and mutual funds held in the Plan qualify as Level 1 securities. The mutual funds are valued at the fair value based on quoted market prices as of the last day of the year.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Common Stock: Valued at the closing price reported on the active market on which the common stock is traded.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the plan at year-end. The NAV is a quoted price in an active market. The mutual funds held by the Plan are considered actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8 - FAIR VALUE MEASUREMENTS, Continued

The following table presents the fair value measurements of assets recognized in the accompanying Statements of Net Assets Available for Plan Benefits measured at fair value on a recurring basis and the level within the FASB ASC 820 fair value hierarchy in which the fair value measurements fall at December 31, 2018 and 2017:

		Assets at Fair Value as of December 31, 2018		
Investment Category	Fair Value	Level 1	Level 2	Level 3
Brokerage Account-Corporate stocks and mutual funds	$ 757,746	$ 757,746	$ -	$ -
Mutual funds	3,888,212	3,888,212	-	-
Total	$4,645,958	$4,645,958	$ -	$ -

		Assets at Fair Value as of December 31, 2017		
Investment Category	Fair Value	Level 1	Level 2	Level 3
Brokerage Account-Corporate stocks and mutual funds	$ 752,954	$ 752,954	$ -	$ -
Mutual funds	4,272,004	4,272,004	-	-
Total	$5,024,958	$5,024,958	$ -	$ -

NOTE 9 – EXCESS ELECTIVE DEFERRAL CONTRIBUTIONS

Excess elective deferral contributions for a given year are to be returned to participants, as required, to satisfy the relevant nondiscrimination provisions of the Plan. There were $15,440 in excess contributions payable at December 31, 2017. The amount is classified as a liability in the Plan's statements of net assets available for plan benefits as excess contributions payable.

NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS AND NONEXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of $29 were not remitted within the required time period for the year ended December 31, 2017. For 2017, all restored earnings for late contributions have been made.

NOTE 11 - SUBSEQUENT EVENTS

All material events from December 31, 2018 through October 15, 2018, the date these financial statements were issued, have been either disclosed or adjusted in the financial statements.
