Health & Welfare Plan (the Plan), which comprise the statements of net assets available for benefits and of Plan's benefit obligations as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits and of changes in Plan's benefit obligations for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Trustee and Plan Administrator
CW Resources, Inc. Health & Welfare Plan

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2019 and 2018, and the changes in financial status for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2019 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 DESCRIPTION OF PLAN

The following description of CW Resources, Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan and Trust were established January 1, 2010 to provide health and other benefits to eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

Employees are eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company makes monthly contributions for participating employees covered under the Plan. For employees covered under contracts issued by Federal, State, municipal or other contracting authorities which require the payment of specified fringe dollar amounts, the Company contributes to the Plan based upon an hourly funding formula. Employer contributions are recognized as income in the month the employees worked. Any deficiency of the Plan’s net assets over benefit obligations is funded by the Company on a pay-as-you-go basis. In addition to deductibles and copayments, participants may contribute specified amounts to extend coverage to their eligible dependents. The provision of benefits that are funded from contributions by the employee, other than for separated participants, is not readily available information supplied to the third party administrator and therefore, such employee contributions are included in Employer Contributions in the Statements of Changes in Net Assets Available for Benefits.

Benefits

The Plan provides major medical, prescription drug coverage, dental, vision, and short term disability for eligible participants and their beneficiaries on a self-funded basis. The Plan carries a stop-loss insurance policy which covers aggregate claims in excess of the deductibles as specified in the contract. Other benefits such as limited medical, life, employee assistance program, limited prescription drug coverage as provided by a pharmacy benefit manager, and health advocacy are provided for through various contracts with insurance companies. The Plan purchases annual insurance contracts for these insured benefits. Premiums for these insured benefits are paid to the insurance company directly from the assets of the Plan. Additionally, the Plan also provides eligible participants certain ancillary benefits such as health care reimbursement (HRA) and dismissal wage/unemployment benefits limited by the participants’ balance as determined by the Plan.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Retirement Plan Contributions

Participants may opt out of some plan benefits and have their contribution allocated to CW Resources, Inc. Retirement Plan. After subtracting premiums and fees incurred by the Plan and a holdback reserve, the Plan forwards the excess contributions to the Company's retirement plan. The retirement plan payable represents excess contributions received from the Company that have not been forwarded to the Company's retirement plan by the end of the year. For the year ended December 31, 2019, the retirement benefit was suspended. For the years ended December 31, 2019 and 2018, total retirement plan contributions totaled $0 and $14,653. There were no retirement plan contributions payable as of December 31, 2019 and 2018.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan maintains its demand deposits in commercial bank accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan management does not believe the Plan is exposed to any significant credit risk on cash.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Interest income is recorded on the accrual basis.

Contributions Receivable

Employer contributions due but not paid at year end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of December 31, 2019 and 2018.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Benefits are recorded when paid.

Insurance Premiums Payable

Insurance premiums payable are based upon the actual premiums due for December 31, 2019 and 2018, but paid by the Plan after year end.

Dismissal Wage/Unemployment Benefits

The Plan provides dismissal wage/unemployment benefits to eligible participants upon termination of employment. A participant's account balance is determined by employer contributions (based on the employee's class), interest income, an allocation of forfeitures and an administrative expense charge. Included in the accompanying statements of net assets are amounts available to provide dismissal wages/unemployment benefits as of December 31, 2019 and 2018, totaling $707,829 and $648,398, respectively.

Health Reimbursement Arrangement

The Plan has a health reimbursement arrangement (HRA) that is funded solely through Company contributions. The HRA allows eligible participants to be reimbursed tax free for qualified medical expenses subject to a specified ceiling. Amounts remaining at the end of the year can generally be carried over to the next year. The employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are not portable upon termination once the employee leaves the employer. Included in the accompanying statements of net assets are amounts available to reimburse participants for qualifying medical expenses as of December 31, 2019 and 2018, totaling $190,837 and $57,357, respectively.

Prescription Premiums

Prescription premiums payable are based upon amounts due for December 31, 2019 and 2018, but paid by the Plan after year end. Prescription drug benefits are provided by a pharmacy benefit manager who manages the pharmacy network and provides program and medication management services on a per employee per month (PEPM) basis.

Benefit Claims Payable

The obligation for benefit claims payable is an estimate for self-funded benefits incurred on or prior to December 31, 2019 and 2018, but paid by the Plan after year end. The estimate was calculated based on a review of actual claims paid subsequent to year end with incurred and received dates of December 31 and prior.

Benefit Claims Incurred But Not Reported

The obligation for benefit claims incurred, but not reported is an estimate for self-funded benefits incurred on or prior to December 31, 2019 and 2018, but reported and paid by the Plan after year end. The estimate was calculated using available claims experience data and projected future claims.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the years ended December 31, 2019 and 2018, the Plan paid for substantially all administrative expenses, which consisted of administration fees, accounting fees, and other miscellaneous expenses.

Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan administrator believes the Plan does not have any net taxable income for the years ended December 31, 2019 and 2018, therefore, no tax liability is reflected in these financial statements.

Reclassifications

Certain amounts in the 2018 financial statements have been reclassified to conform with the 2019 presentation. These classifications do not affect net assets available for benefits as previously reported.

Subsequent Events

The Plan has evaluated subsequent events through July 30, 2020, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE MEASUREMENT OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

NOTE 3 FAIR VALUE MEASUREMENT OF INVESTMENTS (CONTINUED)

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2019 and 2018.

Money market funds: Valued at cost, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2019			
	Level 1	Level 2	Level 3	Total
Money Market Funds	$ 2,627,568	$ -	$ -	$ 2,627,568

	2018			
	Level 1	Level 2	Level 3	Total
Money Market Funds	$ 2,610,256	$ -	$ -	$ 2,610,256

NOTE 4 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 PLAN TERMINATION

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan Management or Plan Administrator to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

The estimate for claims incurred but not reported is based on certain assumptions pertaining to available claims experience data and projected future claims. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 7 STOP LOSS COVERAGE

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). The Plan maintained an insurance policy with Pan American Life Insurance Company during the years ended December 31, 2019 and 2018. The policy provides reimbursement to the Plan for claim amounts paid in excess of $100,000 per year for each participant.

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan or the general assets of the Company. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

NOTE 7 STOP LOSS COVERAGE (CONTINUED)

During the year ended December 31, 2019, the Plan did not request stop loss recoveries. There was no stop receivable as of December 31, 2019. During the year ended December 31, 2018, the Plan submitted evidence for stop loss recoveries of $277,165, which are netted against medical and other benefit claims paid in the accompanying statement of changes in net assets available for benefits. The stop loss receivable totals $44,289 as of December 31, 2018.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the Plan's financial statements to the Form 5500 as of December 31:
