INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Searcy, Denney, Scarola, Barnhart & Shipley, P.A. 401(K) Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Searcy, Denney, Scarola, Barnhart & Shipley, P.A. 401(K) Profit Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in NOTE 3, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of and for the years ended December 31, 2019 and 2018, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Coronavirus

As further discussed in Note 10, the Plan is subject to the current economic and health conditions in the United States, including the coronavirus, which was designated as a global pandemic by the World Health Organization on March 11, 2020. Management is currently assessing the impact of these conditions and continues to explore various options to minimize the financial impact; however, the ultimate outcome is not known as of the date these financial statements were available to be issued. Our opinion is not modified with respect to this matter.

Other Matter – Supplemental Schedule

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year), which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With Department of Labor Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF PLAN

The following description of the Searcy, Denney, Scarola, Barnhart & Shipley, P.A. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering all employees of Searcy, Denney, Scarola, Barnhart & Shipley, P.A. (the "Employer") who have attained the age of twenty-one and provided 1,000 hours of service and one year of employment with the Employer. The Plan was established on September 1, 1985 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Employer is the designated administrator of the Plan.

Contributions

Contributions to the Plan are made by the participants who are at least 21 years of age and completed 3 months of service. Participants may elect to defer their annual compensation, as defined by the Plan and consistent with the Internal Revenue Service ("IRS") guidelines. Additionally, participants may rollover or transfer to the Plan any portion or all of the property received from another qualified employee benefit trust (rollover contribution).

In addition, the Employer may make a matching and/or discretionary contribution, at the option of the Employer's Board of Directors. This contribution is determined each year by the Employer and is based on the amount of each participant's elective deferral for the Plan year. Any participant who makes an elective deferral contribution, completed 1 year of service and is credited with at least 1,000 hours of service during the Plan year will be eligible to receive an Employer matching contribution. The Employer contributions for the years ended December 31, 2019 and 2018 were $2,446,227 and $2,087,640, respectively.

Participant Accounts

Each participant has a separate account to receive each type of contribution. These accounts include, if applicable, an Employer contribution account, a matching contribution account, a rollover account and a salary reduction account. Each participant's account is credited with the participant's contribution, an allocation of the Employer's contribution and the Plan's earnings. Allocations of earnings are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Forfeitures may be used to reduce future Employer contributions to the Plan. Forfeitures at December 31, 2019 and 2018 were $0 and $9,014, respectively, and will be used to offset future Employer matching contribution or plan expenses.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of $50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 7.50%, which commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through regular payroll deductions. Notes receivable from participants amounted to $159,488 and $212,897 at December 31, 2019 and 2018, respectively.

1. DESCRIPTION OF PLAN (CONTINUED)

Other Assets

Other assets are comprised of life insurance policies and are measured at their cash surrender values. At December 31, 2019 and 2018 the total cash surrender value of these life insurance policies was $143,913 and $221,108, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions into any of several investment options including registered investment companies. Participants may change their investment options at their discretion.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or receive annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for the stable value fund (NOTE 6), which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See NOTE 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Investment Management fees and Administrative Expenses

Investment management fees charged to the Plan for investments in various funds are deducted from income earned and are reflected as a component of net appreciation (depreciation) in fair value of investments. The Plan agreement allows for all administrative expenses to be paid by either the Employer or the Plan. For the years ended December 31, 2019 and 2018 administrative expenses of $137,213 and $107,972, respectively, were paid by the Plan. Audit fees are paid directly by the Employer.

Benefit Payments

Benefits are recorded when paid.

Reclassifications

Certain items in the 2018 financial statements have been reclassified to conform to the 2019 presentation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tax Status

The Plan adopted its latest Prototype Non-standardized Profit Sharing Plan with a cash or deferral arrangement effective March 31, 2008, which obtained its most recent favorable IRS determination letter on March 31, 2014 in which the IRS stated that the form of the underlying prototype plan was acceptable under provisions of the Internal Revenue Code (the "Code") and that any employer adopting this form of the Plan will be considered to have a plan qualified under the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2016.

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2020, which is the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian, John Hancock Life Insurance Company ("John Hancock"), as of December 31, 2019 and 2018 has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate.

	December 31, 2019	December 31, 2018
Investments:		
Pooled separate investment accounts, at fair value	$ 56,094,944	$ 46,760,664

Total investments	**$ 56,906,960**	**$ 47,304,451**
Notes receivable from participants	**$ 159,488**	**$ 212,897**
Cash	**$ -**	**$ 9,014**

	Year Ended December 31, 2019	Year Ended December 31, 2018
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	**$ 9,267,979**	**$ (3,057,512)**
Interest on notes receivable from participants	**$ 10,289**	**$ 12,394**

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (CONTINUED)

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. INVESTMENTS

During the years ended December 31, 2019 and 2018, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value from pooled separate accounts by $9,267,979 and $(3,057,512), respectively.

5. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board Accounting Standards Codification, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows.

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2019 and 2018.

Pooled separate investment accounts: Valued at fair value. Fair value of shares of an underlying fund equals the number of shares of the respective underlying fund multiplied by the closing net asset value per share quoted by that fund and held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodology or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019:

		Fair Value Measurements at Reporting Date Using:		
Description	Fair Value 12/31/2019	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled separate investment accounts	$ 56,094,944	$ -	$ 56,094,944	$ -
Total assets at fair value	**$ 56,094,944**	**$ -**	**$ 56,094,944**	**$ -**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

		Fair Value Measurements at Reporting Date Using:		
Description	Fair Value 12/31/2018	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled separate investment accounts	$ 46,760,664	$ -	$ 46,760,664	$ -
Total assets at fair value	**$ 46,760,664**	**$ -**	**$ 46,760,664**	**$ -**

6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a group annuity insurance contract with John Hancock. John Hancock receives the contributions and deposits them into the John Hancock Stable Value Collective Investment Trust ("Fund"). John Hancock has certified that the contract value approximates fair value.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by John Hancock, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The average yield, based on actual earnings for the Fund, for the years ended December 31, 2019 and 2018 was approximately 0.89%. As of December 31, 2019, and 2018, there are no reserves recorded against contract value for credit risk of the contract issuer. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than zero percent. Interest rates are reviewed for resetting at least semi-annually.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with John Hancock. The Plan Administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with the Plan's participants is not probable.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Whether all participants receive their benefits, should the Plan terminate at some future time, will depend on the sufficiency, at that time, of the Plan's net assets to provide those benefits.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by John Hancock from which it earns management fees. John Hancock is the custodian as defined in the Plan and therefore, these transactions qualify as party-in-interest. Notes receivable from participants are also considered party-in-interest transactions.

10. SUBSEQUENT EVENTS

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency stemming from a new strain of coronavirus that was spreading globally (the "COVID-19 outbreak"). On March 11, 2020, the WHO classified the COVID-19 outbreak as a pandemic, triggering volatility in financial markets and a significant negative impact on the global economy. As a result, the Plan's investment portfolio has had fluctuations in fair value since December 31, 2019. However, because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of the auditor's report.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted in the United States. Due to the recent enactment of this legislation, the Plan is considering whether to adopt the new rules, which eliminate tax penalties on certain early withdrawals and relax certain rules on loans for those affected by the COVID-19 outbreak. The ultimate outcome and impact of the CARES Act legislation on the Plan is unknown as of the date of the auditor's report.
