To The Participants and Administrator
of West Herr Ford, Inc. Employees' Retirement Plan

We have audited the accompanying statement of net assets available for benefits with fund information of West Herr Employees' Retirement Plan as of December 31, 2009 and 2008, and the related statement of changes in net assets available for benefits with fund information for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of West Herr Employees' Retirement Plan as of December 31, 2009 and 2008, and the changes in its net assets available for benefits for the years then ended in conformity with generally accepted accounting principles.

WEST HERR FORD, INC. RETIRMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

Note 1. - Description of the Plan

The following description of the West Herr Employees' Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of the Company who have three months of service and are age twenty-one or older. Eligible employees may begin participating in the plan as of January 1, April 1, July 1, or October 1 following completion of their three months of service.

Contributions - The Plan is funded by both employee and employer contributions. The Plan sponsor, West Herr Ford, Inc. (the Company), is currently paying all administrative costs. Contributions range from 1% to 96% of the participant's compensations, to the maximum allowed by the Internal Revenue Code for a plan year.

Company contributions consist of an amount equal to 25% of the first 4% of Employees' elective deferral contributions up to the legal limit. The Company can also elect to make an additional discretion contribution on an annual basis.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions and companies matching amounts plus actual earnings thereon. Vesting in the company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant becomes 100% vested after seven years of credited service.

Participant Loans Receivable - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years or up to 25 years for the purchase of a primary residence. The loans are secured by the balance the participant's account and bear interest at prime plus 1%. Principal and interest is paid ratable through monthly payroll deductions.

WEST HERR FORD, INC. RETIRMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

Note 1. - Description of the Plan (cont'd)

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts - At December 31, 2009, forfeited nonvested accounts totaled $9,241. These accounts where used to reduce the 2009 discretionary employer contribution.

Note 2. - Summary of Significant Accounting Policies

Basis of Accounting - The accounts of the Plan are maintained on accrual basis.

Investments - All investments in the accompanying financial statements are presented at fair market value based upon quoted market prices. The change in the difference between current value and the cost of investments is reflected in the statement of changes in net assets available for plan benefits as unrealized appreciation or depreciation in the aggregate current value of investments.

Payment of Benefits - Benefits are recorded when paid.

Note 3. - Plan Amendment and Income Taxes

Although the Internal Revenue Service has issued a favorable determination letter on the tax status of the Plan prior to its recent amendment which exempts the plan and related trust fund from applicable federal and state taxes. Management is not aware of issues that could disqualify the Plan under Section 401 (a) of the Internal Revenue Code pending a request for an updated determination letter.
