Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company (U.S.A.) ("John Hancock"), the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that John Hancock holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2019, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by John Hancock, the custodian of the Plan. Their report, dated October 4, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WAWONA FROZEN FOODS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Wawona Frozen Foods 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Wawona Frozen Foods (the "Company") who are 21 years of age or older and have completed one year of service. The Plan was established on January 1, 1991 and restated on January 1, 2015. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions:

Eligible employees of the Company may elect to contribute up to the applicable limits allowed under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Company provides a discretionary matching contribution, which was up to 3% of the employee's eligible compensation. Participants direct the investment of the contributions into various options offered by the Plan.

Vesting:

Participants are immediately 100 % vested in their employee deferral contributions and rollover contributions plus actual earnings thereon. The Company's discretionary contributions are vested at 20% each year after two years of service. A participant is 100% vested after 6 years of credited service or upon death.

Participant Accounts:

The custodian of the plan maintains an account for each participant. Each participant account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with administrative expenses, not paid by the Company. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lessor of $50,000 or 50% of their vested account balance at a reasonable rate of interest. Participants may only have one loan outstanding at any time. Loan terms range from 1-5 years or in excess of 5 years in limited circumstances. The loans are secured by the balance in the participant's account. Interest rates are based on the prime rate plus 1% at the time the loan is made and remains fixed for the duration of the loan. Principal and interest is paid ratably through payroll deductions.

WAWONA FROZEN FOODS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Cont.)

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various options as defined in the Plan. Similar options are available upon termination of employment. The Plan provides a mandatory cash-out on a terminated participant's account with a non-forfeitable balance of less than $5,000 unless the terminated participant provides rollover instructions. The Plan permits an in-service distribution to a participant in accordance with the Plan's in-service policies. Hardship distribution are not permitted by the Plan.

Forfeited Accounts:

At December 31, 2019 and 2018, forfeited non-vested accounts totaled $2,380 and $10,692, respectively. Amounts accumulated in the forfeiture account will be used to reduce employer contributions and administrative fees of the Plan. Forfeitures of $1,739 were used to reduce employer contributions during the year ended December 31, 2019.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Gains and losses (realized and unrealized) included in the changes in net assets available for benefits for the year ended December 31, 2019 are reported in net appreciation in fair value of investments.

Benefits:

Benefits are recorded when paid.

Note 2. Summary of Significant Accounting Policies (Cont.)

Administrative Expenses:

Expenses related to specific participant transactions are charged to the respective participant's account. Investment related expenses are included in net appreciation in fair value of investments. The Plan administrative expenses and the annual audit and tax return preparation fees are paid by the Company.

Use of Estimates:

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America. Those standards require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Date of Management's Review of Subsequent Events:

As a result of the COVID-19 outbreak in the United States, economic uncertainties have arisen which are likely to have an impact on the Plan's net assets and investment returns, though the effects of such potential impact and its duration are unknown at this time.

The Plan has evaluated subsequent events through October 15, 2019, the date on which the financial statements were available to be issued.

Note 3. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 measurements consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 measurements are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or 2 inputs were not available. There are no plan assets requiring the use of Level 1 or 3 inputs for the periods presented.

Note 3. Fair Value Measurements (Cont.)

Level 2 Fair Value Measurements:

The fair values of the pooled separate accounts are based on quoted net asset values of the shares held by the Plan at year end.

	Total	Fair Value Measurement Using Significant Other Observable Inputs (Level 2)
December 31, 2019		
Pooled separate accounts	$ 5,027,020	$ 5,027,020
Total investments in the fair value hierarchy	5,027,020	$ 5,027,020
Investments measured at net asset value [(a)]	557,670	
Investments at fair value:	$ 5,584,690	
December 31, 2018		
Pooled separate accounts	$ 3,942,720	$ 3,942,720
Total investments in the fair value hierarchy	3,942,720	$ 3,942,720
Investments measured at net asset value [(a)]	579,432	
Investments at fair value:	$ 4,522,152	

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliations of the fair value hierarchy to the line items presented in the statement of net assets available for benefit.

Note 3. Fair Value Measurements (Cont.)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2019 and 2018. There are no restrictions on participant redemptions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2019				
Guaranteed Investment Contract	$ 557,670	n/a	Daily	None
December 31, 2018				
Guaranteed Investment Contract	$ 579,432	n/a	Daily	None

Note 4. Summary of Information Certified by Custodian and Trustee (Unaudited)

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

NOTES TO FINANCIAL STATEMENTS

Note 6. Related Party Transactions

During the plan year December 31, 2019, the custodian of the plan provided participant-level services as defined by the Plan and, therefore, these transactions qualify as party-in-interest. There were no separate fees paid by the Plan for the investment services.

Note 7. Income Tax Status and Plan Amendments

The Plan obtained its latest advisory letter on March 31, 2014, in which the Internal Revenue Service has determined and informed the sponsor of the volume submitter plan that the Plan, as then designed, was in accordance with applicable requirements of the Internal Revenue Code. The plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Generally, the Plan's tax returns remain open for three to four years for income tax examination.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however; there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
