Independent Auditors' Report

To the Trustees of the
Related Partners, Inc. Group Benefit Plan

We have audited the accompanying financial statements of the Related Partners, Inc. Group Benefit Plan (the "Plan"), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Related Partners, Inc. Group Benefit Plan as of December 31, 2020 and 2019, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Mazars USA LLP is an independent member firm of Mazars Group.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of reportable transactions for the year ended December 31, 2020, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Related Partners, Inc. Group Benefit Plan

Notes to Financial Statements
December 31, 2020 and 2019

1. Description of Plan

The following description of the Related Partners, Inc. Group Benefit Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General
The Plan provides health and other benefits to employees of Related Partners, Inc. and participating affiliated employers (collectively, the "Company" or "Plan Sponsor"). The Plan was established on April 1, 1998 and was amended and restated effective January 1, 2011. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2010, the Company created the Related Partners, Inc. Salary Reduction Welfare Benefit Trust (the "Trust") to hold the assets of the Plan. During 2010, the Company transferred the Plan's assets to the Trust. As of April 30, 2020, the Trust was terminated. The Plan's assets held in the Trust were fully utilized prior to the termination of the Trust.

Benefits
The Plan provides health benefits (comprehensive medical, prescription, dental, and vision), flexible spending accounts (health and dependent care), life insurance coverage, short-term and long-term disability benefits, and death benefits to full-time and part-time employees (with at least 30 hours of work per week). Employees may also elect health benefit coverage for their covered dependents and verified domestic partners. In accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"), employees are eligible to receive a temporary continuation of health coverage at group rates when coverage under the Plan would otherwise end due to certain qualifying events.

Contributions
Active participants contribute a portion of the cost related to the comprehensive medical benefits based on a four-tier schedule according to each participant's annual salary. Participants also contribute a portion of the costs related to the dental benefits. The remaining costs of the medical and dental benefits are contributed by the Company. Vision, flexible spending accounts, optional supplemental life insurance, supplemental long-term disability, and long-term care benefits are 100% paid for by the participant. The Company pays 100% of the costs for basic life insurance, accidental death, dismemberment, short-term disability, wage continuation, long-term disability, and employee assistance program benefits.

Pharmacy Rebates
Pharmacy rebates due from the Plan's pharmacy benefit manager are recorded when earned. Pharmacy rebates totaling $1,840,636 have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2020.

Plan Termination
Although it has not expressed any intention to do so, the Plan's board of trustees, as the Plan Sponsor, has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

Administrative Expenses and Professional Fees
The Plan pays administrative expenses consisting of fees paid to third-party claims administrators and consultants, as well as professional fees paid to the attorney and auditors of the Plan. These expenses are reported on the statement of changes in benefit obligations and net assets available for benefits as administrative expenses and professional fees. Substantially all administrative expenses and professional fees incurred in the administration of the Plan are paid by the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of investments, benefit obligations, claims incurred but not reported ("IBNR"), and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash Concentrations
The Plan maintains cash balances at a financial institution. The cash balance at this institution is insured by either the Federal Deposit Insurance Corporation ("FDIC") and the Securities Investor Protection Corporation ("SIPC"). As of December 31, 2020, the Plan had balances that exceeded the amount insured by approximately $280,000. The Plan has not experienced any losses on these funds and management believes it is not exposed to any significant credit risk on cash. The Company believes it mitigates this risk by banking with major financial institutions.

Valuation of Investments
Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 5 for further details of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits
Self-insured claims are recorded when paid by the third-party claims processor. Amounts due to claims processor that have yet to be reimbursed by the Plan are included in accounts payable and accrued expenses in the accompanying statements of net assets available of benefits. Benefit claims that have been processed and approved but not paid are included in the statement of benefit obligations as health claims payable.

3. Benefit Obligations

Health costs related to dental and vision benefits, incurred by participants and their beneficiaries and dependents, are covered by insurance contracts maintained by the Company. Benefit costs related to life insurance coverage, temporary and long-term disability benefits, and death benefits are covered by group-term policies maintained by the Company. It is the present intention of the Company and the Plan to continue obtaining insurance coverage for the above benefits.

Comprehensive medical and prescription claims of active participants, dependents, and verified domestic partners, are processed by the Plan's third party administrators, but the responsibility for payments to participants and providers is retained by the Plan. The Plan has stop loss insurance coverage, as defined, to insure against claims in excess of maximum limits.

Given benefit obligations exceed net assets available for benefit obligations, Related Partners, Inc. will fund the deficit of the Plan.

4. Claims Incurred But Not Reported

Plan obligations at December 31, 2020 and 2019, for claims incurred but not reported are estimated by the Plan's actuary in accordance with generally accepted actuarial principles and practices based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

The actuarial claims IBNR calculation is reported based on certain assumptions pertaining to claims incurred, annual trends, completion factors and margins for deviation, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

5. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies during 2020 and 2019.

- Money market funds: Valued at cost plus accrued interest, which approximated fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In February 2020, the Plan sold all the investments and the fair value of the investments as of December 31, 2020, is zero.

Investments at fair value as of December 31, 2019, are as follows:

	Level 1	Level 2	Level 3	Total
Money market fund	$ 4,815,502	$ -	$ -	$ 4,815,502

6. Tax Status

The Trust, established under the Plan to hold the Plan's assets, received an exemption letter from the Internal Revenue Service, dated January 4, 2011, which qualified the trust as a Voluntary Employee Beneficiary Association ("VEBA") pursuant to Section 501(c)(9) of the Internal Revenue Code ("IRC"), and, accordingly, the Trust's net investment income was exempt from income taxes through its termination date. The Plan and Trust were required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. The Plan Sponsor believes the Plan was designed and was being operated in compliance with the applicable requirements of the IRC and, therefore, believes the related trust was tax-exempt.

Related Partners, Inc. Group Benefit Plan

7. Related Party Transactions

The Plan has several arrangements with third party service providers, as described in Note 1. These transactions are parties in interest transactions under ERISA.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31,:
