Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Health & Home Management and Elevate Care 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Mid Atlantic Trust Company (the Trustee), except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

HEALTH & HOME MANAGEMENT AND ELEVATE CARE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of Health & Home Management and Elevate Care 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General:

Effective November 1, 2019, the Plan name changed from Health & Home Management, Inc. 401(k) Plan – Employees to Health & Home Management and Elevate Care 401(k) Plan.

The Plan is a defined-contribution plan that was adopted on January 1, 2000, covering all full-time employees of Glen Health & Home Management, Inc., Glen Oaks Nursing and Rehabilitation Centre, Ltd., Glen Elston Nursing and Rehabilitation Centre, Ltd., GlenBridge Nursing and Rehabilitation Centre, Ltd., GlenCrest Nursing and Rehabilitation Centre, Ltd., Brentwood North Healthcare and Rehabilitation Centre, Ltd., Glen Saint Andrew Living Community, LLC, Elevate Care Riverwoods, LLC, Elevate Care Irving Park, LLC, Elevate Care Northbrook, LLC, Elevate Care Niles, LLC, Elevate Care Chicago North, LLC, Elevate Care Waukegan, Elevate Care, Inc., Elevate Care North Branch, LLC, Elevate Care North Branch, LLC, Fargo Consulting Group, LLC and Fargo Consulting Group II, LLC (collectively, the Company) who have attained the age of 21 or older and have completed at least one hour of service.

Employees may enter the Plan each year on January 1, April 1, July 1, and October 1. Plan participants may modify their deferral elections on January 1, April 1, July 1, and October 1.

Effective April 1, 2019, Glen Saint Andrew Living Community, LLC was no longer in the Plan. The participants for these entities are no longer employees of the Company and are no longer eligible to participate in the Plan.

Effective August 1, 2019, Brentwood North Healthcare and Rehabilitation Centre, Ltd. was no longer part of the Plan. Elevate Care Riverwoods, LLC took over Brentwood North Healthcare and Rehabilitation Centre, Ltd. Participants were automatically transferred and continued to participate in the Plan. Also effective August 1, 2019, Elevate Care Waukegan, which took over operations for Glenlake Terrace Nursing and Rehabilitation Centre, Ltd, and Elevate Care, Inc. became participating employers in the Plan.

1. Description of the Plan (continued)

General: (continued)

Effective December 1, 2019, Elevate Care Irving Park, LLC, Elevate Care Northbrook, LLC, Elevate Care Niles, LLC, and Elevate Care Chicago North, LLC, which took over for Glen Elston Nursing and Rehabilitation Centre, Ltd., Glen Oaks Nursing and Rehabilitation Centre, Ltd., GlenBridge Nursing and Rehabilitation Centre, Ltd., and GlenCrest Nursing and Rehabilitation Centre, Ltd., respectively, became participating employers in the Plan. Employees were not eligible to participate in the Plan until January 1, 2020.

Effective March 27, 2020, Glen Health & Home Management Inc. split into Fargo Consulting Group, LLC and Fargo Consulting Group II, LLC. Participants were automatically transferred and continued to participate in the Plan.

Effective September 1, 2020, Elevate Care North Branch, LLC became a participating employer in the Plan. Employees were eligible to participate in the Plan immediately.

Contributions:

Each year, participants may contribute up to the lesser of 100% of eligible compensation or $19,500 for 2020 and $19,000 for 2019. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. Contributions are limited in accordance with Internal Revenue Service (IRS) regulations. The Plan permits discretionary matching contributions by the Company. For the year ended December 31, 2020, the Company contributed 25% of each participant's first 4% of eligible compensation (a total of 1%). All participants are eligible for matching contributions.

In addition, the Company may make annual discretionary profit-sharing contributions. Employees must have completed one year of service and be employed on the last day of the year to be eligible for such discretionary contributions. There were no discretionary profit-sharing contributions for the year ended December 31, 2020.

Participant accounts:

Each participant directs their individual investments including their share of allocated Company contributions into various investment options offered by the Plan. Each participant's account is credited with contributions, appreciation (depreciation) in fair value of investments and interest and dividend income. Allocations are based on participant earnings or account balances as defined by the Plan. Certain investments of the Plan are nonparticipant-directed. See Note 6.

1. Description of the Plan (continued)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in employer contributions, plus actual earnings thereon, is based on years of credited service. A participant is 20% vested after two years of credited service and an additional 20% vested after each additional year of credited service.

Participant loans:

Loans are available to Plan participants at Prime (3.25% and 4.75% as of December 31, 2020 and 2019, respectively) plus 1.00% at the time of issuance. Interest rates on outstanding loans ranged from 4.25% to 6.50% at December 31, 2020 and 2019. The minimum loan is $1,000 and the maximum amount is equal to the lesser of $50,000 reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions. All loans must be repaid over a five-year period, unless the loan is for the purchase of a principal residence, for which the term of the loan may be as long as 30 years. Loan defaults are treated as distributions. The loans are secured by the balance in the participant's account.

Payment of benefits:

Upon retirement, death or disability, a participant becomes 100% vested in his or her account. Upon termination of service, a participant is entitled to receive only the vested percentage of his or her account balance. If a participant's vested balance does not exceed $5,000, then the vested balance may only be distributed in a single lump-sum payment. Any balance that exceeds $5,000 may be received as a single lump-sum payment or as partial withdrawals. Payments may be received as a cash distribution or rolled directly into an eligible retirement plan as an eligible rollover distribution.

The Plan also allows in-service withdrawals from a participant's vested account balance for hardship withdrawals or upon attaining the age of 65.

Forfeitures:

If a participant terminates employment and is less than 100% vested in the employer account, then the participant will forfeit the nonvested portion of the employer account. Forfeitures are retained in the Plan and will first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. Forfeitures of $8,959 were used to pay Plan expenses during the Plan year ended December 31, 2020.

2. Summary of significant accounting policies

Basis of accounting:

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recognized on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants:

As described in Note 1, the Plan allows participants to borrow against their vested account balances and the loans are secured by the participants' account balances. Participant loans are reported at their unpaid principal balance plus any accrued but unpaid interest. The Plan is required to review the collectibility of the outstanding loan balances and record an allowance for loans considered to be uncollectible. As of December 31, 2020 and 2019, an allowance for uncollectible loans was not necessary.

Contributions:

Participants' contributions are recognized by the Plan when withheld from the participants' paychecks by the Company.

Administrative expenses:

All administrative costs, charges and expenses are paid by the Plan to the extent not paid by the Company.

Expense offset arrangements:

Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

2. Summary of significant accounting policies (continued)

Payment of benefits:

Benefits are recorded when paid.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits as of the end of the Plan year and the reported amounts of changes in net assets available for benefits during the period. Accordingly, actual results could differ from those estimates.

Subsequent events:

The Plan Administrator has reviewed and evaluated subsequent events through September 20, 2021, the date the financial statements were available to be issued.

3. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of the COVID-19 pandemic, there has been heightened market risk and volatility. This could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Due to the overall uncertainty, Plan management is unable to estimate the total impact that the pandemic will have.

4. COVID-19 – relief provisions

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress The CARES Act provides immediate and temporary relief for retirement for plan sponsors and their participants with respect to employer contributions, distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately prior to amending the Plan document. The Plan has implemented the following relief provisions:

- *Coronavirus-related distribution* – 'Qualified' participants may take a coronavirus-related distribution up to $100,000 from the Plan without a 10% early withdrawal penalty. Eligible distributions can be taken through December 31, 2020. Coronavirus-related distributions may be repaid within three years.

- *Participant loans* – 'Qualified' participants may borrow from their fund accounts amounts not to exceed the lesser of $100,000 or 100% of the vested portion of the balance. 'Qualified' participants may also elect to suspend loan repayments due through December 31, 2020. Repayments must resume in January 2021. Loans will be reamortized to extend the payoff period by one year and will include accrued interest for the suspension period.

- *Required minimum distributions (RMDs)* – RMDs were temporarily suspended for 2020.

5. Investments (prepared and certified by Mid Atlantic Trust Company (the Trustee))

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information related to participant-directed investments included in these financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to as complete and accurate by the Trustee as of December 31, 2020 and 2019.

December 31,	**2020**	2019
Mutual funds	**$ 3,656,030**	$ 3,969,204
Common collective trust fund	**3,846,760**	4,192,354
Interest-bearing cash	**24,893**	50,785
Total	**$ 7,527,683**	$ 8,212,343

5. Investments (prepared and certified by Mid Atlantic Trust Company (the Trustee)) (continued)

The Trustee certified to the completeness and accuracy of interest and dividend income of $47,772, interest on participant loans of $9,802, and net appreciation in fair value of investments of $670,757 for the year ended December 31, 2020.

Notes receivable from participants of $317,201 and $320,592 are also certified by the Trustee at December 31, 2020 and 2019, respectively.

The Trustee did not certify to the completeness and accuracy of the nonparticipant-directed investments as of December 31, 2020 and 2019 and related investment activity for the year ended December 31, 2020.

6. Investments – other nonparticipant-directed investments not held at Mid Atlantic Trust Company

Some of the investments are nonparticipant-directed and arose from profit-sharing contributions to a predecessor plan.

At December 31, 2020 and 2019, these investments were comprised of the following:

December 31,	**2020**	2019
Investments at fair value:		
Interest-bearing cash	**$ 921,967**	$ 793,071
State of Israel bonds		125,000
Total investments	**$ 921,967**	$ 918,071

Change in nonparticipant-directed investments is comprised of the following:

Year ended December 31, 2020	
Interest	$ 3,896

7. Fair value measurements

There are three levels of inputs used to measure fair value. The definition of each input is described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

7. Fair value measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds:	Valued at the market value of shares held by the Plan at year-end.
State of Israel bonds:	Valued using discounted cash flows based on current yields of similar instruments with comparable durations, considering the creditworthiness of issuers.
Interest-bearing cash:	Valued at cost which approximates fair value.
Common collective trust fund:	Valued at the net asset value (NAV) of units held by the Plan. The Fund invests in fully benefit-responsive investment contracts that are held at contract value. NAV is determined to be contract value, the value at which participants ordinarily transact. This practical expedient would not be used if it is determined to be probable that the Fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7. Fair value measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments at fair value as of December 31, 2020:

December 31, 2020	**Level 1**	**Total**
Mutual funds	**$ 3,656,030**	**$ 3,656,030**
Interest-bearing cash*		**946,860**
Common collective trust fund measured at NAV**		**3,846,760**
Total investments at fair value	**$ 3,656,030**	**$ 8,449,650**

Investments at fair value as of December 31, 2019:

December 31, 2019	Level 1	Level 2	Total
Mutual funds	$ 3,969,204		$ 3,969,204
State of Israel bonds		$ 125,000	125,000
	3,969,204	125,000	4,094,204
Interest-bearing cash*			843,856
Common collective trust fund measured at NAV**			4,192,354
Total investments at fair value	$ 3,969,204	$ 125,000	$ 9,130,414

*Valued at cost which approximates fair value.

**Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

8. Party-in-interest transactions

Some of the Plan's investments are shares of interest-bearing cash accounts managed by the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

9. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all of their account balances.

10. Tax status

The IRS has determined and informed the Company by a favorable determination letter dated March 31, 2008, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (the Code). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code.

11. Non-exempt transactions

During 2020, the Company failed to timely remit employee contributions to the Plan in the aggregate amount of $98,755 in accordance with the plan asset provisions of the Department of Labor (DOL) Regulation 2510.3-102, resulting in prohibited, or non-exempt, transactions. The accompanying schedule of delinquent participant contributions discloses the transactions in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The Company has calculated the required corrections to the Plan to reflect foregone earnings that would have been credited to participants' accounts if the late remittances had been made on a timely basis. Management has determined that these amounts are immaterial and, therefore, no amounts are accrued at December 31, 2020.

12. Reconciliation of the financial statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

December 31,	**2020**	2019
Net assets available for benefits per the financial statements	**$ 8,695,282**	$ 9,379,405

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Health & Home Management and Elevate Care 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Mid Atlantic Trust Company (the Trustee), except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules of assets (held at end of year) as of December 31, 2020 and delinquent participant contributions for the year ended December 31, 2020, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

HEALTH & HOME MANAGEMENT AND ELEVATE CARE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of Health & Home Management and Elevate Care 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General:

Effective November 1, 2019, the Plan name changed from Health & Home Management, Inc. 401(k) Plan – Employees to Health & Home Management and Elevate Care 401(k) Plan.

The Plan is a defined-contribution plan that was adopted on January 1, 2000, covering all full-time employees of Glen Health & Home Management, Inc., Glen Oaks Nursing and Rehabilitation Centre, Ltd., Glen Elston Nursing and Rehabilitation Centre, Ltd., GlenBridge Nursing and Rehabilitation Centre, Ltd., GlenCrest Nursing and Rehabilitation Centre, Ltd., Brentwood North Healthcare and Rehabilitation Centre, Ltd., Glen Saint Andrew Living Community, LLC, Elevate Care Riverwoods, LLC, Elevate Care Irving Park, LLC, Elevate Care Northbrook, LLC, Elevate Care Niles, LLC, Elevate Care Chicago North, LLC, Elevate Care Waukegan, Elevate Care, Inc., Elevate Care North Branch, LLC, Elevate Care North Branch, LLC, Fargo Consulting Group, LLC and Fargo Consulting Group II, LLC (collectively, the Company) who have attained the age of 21 or older and have completed at least one hour of service.

Employees may enter the Plan each year on January 1, April 1, July 1, and October 1. Plan participants may modify their deferral elections on January 1, April 1, July 1, and October 1.

Effective April 1, 2019, Glen Saint Andrew Living Community, LLC was no longer in the Plan. The participants for these entities are no longer employees of the Company and are no longer eligible to participate in the Plan.

Effective August 1, 2019, Brentwood North Healthcare and Rehabilitation Centre, Ltd. was no longer part of the Plan. Elevate Care Riverwoods, LLC took over Brentwood North Healthcare and Rehabilitation Centre, Ltd. Participants were automatically transferred and continued to participate in the Plan. Also effective August 1, 2019, Elevate Care Waukegan, which took over operations for Glenlake Terrace Nursing and Rehabilitation Centre, Ltd, and Elevate Care, Inc. became participating employers in the Plan.

1. Description of the Plan (continued)

General: (continued)

Effective December 1, 2019, Elevate Care Irving Park, LLC, Elevate Care Northbrook, LLC, Elevate Care Niles, LLC, and Elevate Care Chicago North, LLC, which took over for Glen Elston Nursing and Rehabilitation Centre, Ltd., Glen Oaks Nursing and Rehabilitation Centre, Ltd., GlenBridge Nursing and Rehabilitation Centre, Ltd., and GlenCrest Nursing and Rehabilitation Centre, Ltd., respectively, became participating employers in the Plan. Employees were not eligible to participate in the Plan until January 1, 2020.

Effective March 27, 2020, Glen Health & Home Management Inc. split into Fargo Consulting Group, LLC and Fargo Consulting Group II, LLC. Participants were automatically transferred and continued to participate in the Plan.

Effective September 1, 2020, Elevate Care North Branch, LLC became a participating employer in the Plan. Employees were eligible to participate in the Plan immediately.

Contributions:

Each year, participants may contribute up to the lesser of 100% of eligible compensation or $19,500 for 2020 and $19,000 for 2019. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. Contributions are limited in accordance with Internal Revenue Service (IRS) regulations. The Plan permits discretionary matching contributions by the Company. For the year ended December 31, 2020, the Company contributed 25% of each participant's first 4% of eligible compensation (a total of 1%). All participants are eligible for matching contributions.

In addition, the Company may make annual discretionary profit-sharing contributions. Employees must have completed one year of service and be employed on the last day of the year to be eligible for such discretionary contributions. There were no discretionary profit-sharing contributions for the year ended December 31, 2020.

Participant accounts:

Each participant directs their individual investments including their share of allocated Company contributions into various investment options offered by the Plan. Each participant's account is credited with contributions, appreciation (depreciation) in fair value of investments and interest and dividend income. Allocations are based on participant earnings or account balances as defined by the Plan. Certain investments of the Plan are nonparticipant-directed. See Note 6.

1. Description of the Plan (continued)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in employer contributions, plus actual earnings thereon, is based on years of credited service. A participant is 20% vested after two years of credited service and an additional 20% vested after each additional year of credited service.

Participant loans:

Loans are available to Plan participants at Prime (3.25% and 4.75% as of December 31, 2020 and 2019, respectively) plus 1.00% at the time of issuance. Interest rates on outstanding loans ranged from 4.25% to 6.50% at December 31, 2020 and 2019. The minimum loan is $1,000 and the maximum amount is equal to the lesser of $50,000 reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions. All loans must be repaid over a five-year period, unless the loan is for the purchase of a principal residence, for which the term of the loan may be as long as 30 years. Loan defaults are treated as distributions. The loans are secured by the balance in the participant's account.

Payment of benefits:

Upon retirement, death or disability, a participant becomes 100% vested in his or her account. Upon termination of service, a participant is entitled to receive only the vested percentage of his or her account balance. If a participant's vested balance does not exceed $5,000, then the vested balance may only be distributed in a single lump-sum payment. Any balance that exceeds $5,000 may be received as a single lump-sum payment or as partial withdrawals. Payments may be received as a cash distribution or rolled directly into an eligible retirement plan as an eligible rollover distribution.

The Plan also allows in-service withdrawals from a participant's vested account balance for hardship withdrawals or upon attaining the age of 65.

Forfeitures:

If a participant terminates employment and is less than 100% vested in the employer account, then the participant will forfeit the nonvested portion of the employer account. Forfeitures are retained in the Plan and will first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. Forfeitures of $8,959 were used to pay Plan expenses during the Plan year ended December 31, 2020.

2. Summary of significant accounting policies

Basis of accounting:

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recognized on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants:

As described in Note 1, the Plan allows participants to borrow against their vested account balances and the loans are secured by the participants' account balances. Participant loans are reported at their unpaid principal balance plus any accrued but unpaid interest. The Plan is required to review the collectibility of the outstanding loan balances and record an allowance for loans considered to be uncollectible. As of December 31, 2020 and 2019, an allowance for uncollectible loans was not necessary.

Contributions:

Participants' contributions are recognized by the Plan when withheld from the participants' paychecks by the Company.

Administrative expenses:

All administrative costs, charges and expenses are paid by the Plan to the extent not paid by the Company.

Expense offset arrangements:

Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

2. Summary of significant accounting policies (continued)

Payment of benefits:

Benefits are recorded when paid.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits as of the end of the Plan year and the reported amounts of changes in net assets available for benefits during the period. Accordingly, actual results could differ from those estimates.

Subsequent events:

The Plan Administrator has reviewed and evaluated subsequent events through September 20, 2021, the date the financial statements were available to be issued.

3. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of the COVID-19 pandemic, there has been heightened market risk and volatility. This could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Due to the overall uncertainty, Plan management is unable to estimate the total impact that the pandemic will have.

4. COVID-19 – relief provisions

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress The CARES Act provides immediate and temporary relief for retirement for plan sponsors and their participants with respect to employer contributions, distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately prior to amending the Plan document. The Plan has implemented the following relief provisions:

- *Coronavirus-related distribution* – 'Qualified' participants may take a coronavirus-related distribution up to $100,000 from the Plan without a 10% early withdrawal penalty. Eligible distributions can be taken through December 31, 2020. Coronavirus-related distributions may be repaid within three years.

- *Participant loans* – 'Qualified' participants may borrow from their fund accounts amounts not to exceed the lesser of $100,000 or 100% of the vested portion of the balance. 'Qualified' participants may also elect to suspend loan repayments due through December 31, 2020. Repayments must resume in January 2021. Loans will be reamortized to extend the payoff period by one year and will include accrued interest for the suspension period.

- *Required minimum distributions (RMDs)* – RMDs were temporarily suspended for 2020.

5. Investments (prepared and certified by Mid Atlantic Trust Company (the Trustee))

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information related to participant-directed investments included in these financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to as complete and accurate by the Trustee as of December 31, 2020 and 2019.

December 31,	**2020**	2019
Mutual funds	**$ 3,656,030**	$ 3,969,204
Common collective trust fund	**3,846,760**	4,192,354
Interest-bearing cash	**24,893**	50,785
Total	**$ 7,527,683**	$ 8,212,343

5. Investments (prepared and certified by Mid Atlantic Trust Company (the Trustee)) (continued)

The Trustee certified to the completeness and accuracy of interest and dividend income of $47,772, interest on participant loans of $9,802, and net appreciation in fair value of investments of $670,757 for the year ended December 31, 2020.

Notes receivable from participants of $317,201 and $320,592 are also certified by the Trustee at December 31, 2020 and 2019, respectively.

The Trustee did not certify to the completeness and accuracy of the nonparticipant-directed investments as of December 31, 2020 and 2019 and related investment activity for the year ended December 31, 2020.

6. Investments – other nonparticipant-directed investments not held at Mid Atlantic Trust Company

Some of the investments are nonparticipant-directed and arose from profit-sharing contributions to a predecessor plan.

At December 31, 2020 and 2019, these investments were comprised of the following:

December 31,	**2020**	2019
Investments at fair value:		
Interest-bearing cash	**$ 921,967**	$ 793,071
State of Israel bonds		125,000
Total investments	**$ 921,967**	$ 918,071

Change in nonparticipant-directed investments is comprised of the following:

Year ended December 31, 2020	
Interest	$ 3,896

7. Fair value measurements

There are three levels of inputs used to measure fair value. The definition of each input is described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

7. Fair value measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds:	Valued at the market value of shares held by the Plan at year-end.
State of Israel bonds:	Valued using discounted cash flows based on current yields of similar instruments with comparable durations, considering the creditworthiness of issuers.
Interest-bearing cash:	Valued at cost which approximates fair value.
Common collective trust fund:	Valued at the net asset value (NAV) of units held by the Plan. The Fund invests in fully benefit-responsive investment contracts that are held at contract value. NAV is determined to be contract value, the value at which participants ordinarily transact. This practical expedient would not be used if it is determined to be probable that the Fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7. Fair value measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments at fair value as of December 31, 2020:

December 31, 2020	**Level 1**	**Total**
Mutual funds	**$ 3,656,030**	**$ 3,656,030**
Interest-bearing cash*		**946,860**
Common collective trust fund measured at NAV**		**3,846,760**
Total investments at fair value	**$ 3,656,030**	**$ 8,449,650**

Investments at fair value as of December 31, 2019:

December 31, 2019	Level 1	Level 2	Total
Mutual funds	$ 3,969,204		$ 3,969,204
State of Israel bonds		$ 125,000	125,000
	3,969,204	125,000	4,094,204
Interest-bearing cash*			843,856
Common collective trust fund measured at NAV**			4,192,354
Total investments at fair value	$ 3,969,204	$ 125,000	$ 9,130,414

*Valued at cost which approximates fair value.

**Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

8. Party-in-interest transactions

Some of the Plan's investments are shares of interest-bearing cash accounts managed by the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

9. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all of their account balances.

10. Tax status

The IRS has determined and informed the Company by a favorable determination letter dated March 31, 2008, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (the Code). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code.

11. Non-exempt transactions

During 2020, the Company failed to timely remit employee contributions to the Plan in the aggregate amount of $98,755 in accordance with the plan asset provisions of the Department of Labor (DOL) Regulation 2510.3-102, resulting in prohibited, or non-exempt, transactions. The accompanying schedule of delinquent participant contributions discloses the transactions in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The Company has calculated the required corrections to the Plan to reflect foregone earnings that would have been credited to participants' accounts if the late remittances had been made on a timely basis. Management has determined that these amounts are immaterial and, therefore, no amounts are accrued at December 31, 2020.

12. Reconciliation of the financial statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

December 31,	**2020**	2019
Net assets available for benefits per the financial statements	**$ 8,695,282**	$ 9,379,405
Liability to participants for excess contributions received included in accounts payable on the financial statements	**46,146**	71,601
Net assets available for benefits per the Form 5500	**$ 8,741,428**	$ 9,451,006

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500:

Year ended December 31, 2020	
Benefits paid to participants per the financial statements	$ 1,653,412
Prior year excess contributions refunded in 2020	71,601
Benefits paid to participants per the Form 5500	$ 1,725,013

The following is a reconciliation of contributions per the financial statements to the Form 5500:

Contributions per the financial statements	$ 419,616
Liability to participants for excess contributions received	46,146
Contributions per the Form 5500	$ 465,762

12. Reconciliation of the financial statements to the Form 5500 (continued)

The following is a reconciliation of the decrease in net assets available for benefits per the financial statements to the decrease in net assets available for benefits per the Form 5500:

Year ended December 31, 2020	
Decrease in net assets available for benefits per the financial statements	$ (684,123)
Liability to participants for excess contributions received	46,146
Prior year excess contributions paid in 2020	(71,601)
Decrease in net assets available for benefits per the Form 5500	$ (709,578)
