INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Lucky Employee 401(k) Retirement Plan

I was engaged to audit the financial statements and supplemental schedule of Lucky Employee 401k Retirement Plan as of and for the years ended December 31, 2009 and 2008, as listed in the accompanying table of contents. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. The plan administrator has informed me that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information in the financial statements that I did not audit, I am unable to, and do not express an opinion on the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2009 and 2008. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by Fidelity Management Trust Company, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974 (ERISA).

LUCKY EMPLOYEE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 and 2008

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Lucky Employee 401K Retirement Plan provides only general information. Participants should refer to the plan agreement and amendments for a more complete description of the plan provisions.

General - The Plan is a defined contribution plan adopted by Lucky Chances, Inc. and its affiliates: Lucky Money, Inc., Lucky Check Cashing Inc., and Lucky Tours Inc., effective April 1, 2002, and amended July 1, 2007 covering all full-time employees who have one year of service and age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent laws.

Plan Administration - The Plan has an administration and investment contract with Fidelity Management Trust Company since July 1, 2007.

Eligibility – An employee who has completed 1,000 hours in his/her first twelve months of service and attained the age of 21 is eligible to participate in the Plan.

Contributions - Participants may elect to defer a portion of their eligible compensation up to the limits imposed by federal tax law. Each year, participants may contribute from 1% to 100% of their pretax eligible compensation, but in no event can the aggregate contribution exceed the maximum annual dollar limit permitted by law. Eligible compensation does not include bonus, tips and cashed paid time offs. Participants may also contribute amounts representing distributions from other retirement plans, provided all legal and Administrator's requirements are met. The respective employers contribute 25% of the first 4% of eligible compensation that a participant contributes to the plan. Additional amounts may be contributed at the option of the Companies' respective Boards of Directors. No additional amounts were contributed for years 2009 and 2008. Maximum employee contribution limit for 2009 is $22,000 including $5,500 catch up contribution for participants aged 50 at the end of the year.

Participant Accounts - Each participant's account is credited with the participant's and Employer's contributions, and Plan earnings, and charged for services the administrator specifically performs for participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments - Participants may direct the investment of their account balance in any combination of various investment options offered by the trustee. Participants may change their investment options at any time.

Participant Loans - Participants may borrow against their vested account balance, subject to plan administrator approval. Loans are limited from a minimum of $1,000 to a maximum of 50% of a participant's vested account balance, but not in excess of $50,000. The maximum loan

term is five years, unless the loan qualifies as a home loan, in which case the plan administrator may permit a longer repayment term. No more than one (1) loan may be outstanding at any time except in hardship cases approved by Plan Administrator. Effective January 1, 2006, the maximum loan term for any loan qualifying as a home loan will be 15 years. Loans bear interest at rates determined by the plan administrator and based on the prevailing interest rates. Principal and interest are paid ratably through payroll deductions. In case of default, i.e., if any of the scheduled repayments remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due, the loan balance will be deducted from the participant's account, and will be considered deemed distribution for which the participant will be liable for federal and state income taxes.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant will be paid the vested interest in his account in lump sum as soon as administratively feasible. If the vested interest exceeds $5,000, participants can defer distribution to a later date, but not beyond his normal retirement age.

Vesting - Participants are fully vested in all deferral contributions and earnings thereon. If a participant's employment with the Company ends for a reason other than retirement, disability, or death, the participant's vesting in the Company's Employers' matching contributions is based on years of continuous service. A vesting schedule is as follows:

Years of Service for Vesting	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures – Forfeitures are the non-vested portion of participants' accounts that are lost upon termination of employment. Forfeitures are first used to pay administrative expenses and any remaining balance is used to reduce employer contributions. As of December 31, 2009 and 2008, the forfeitures' balance was $3,405 and $1,845 respectively.

Termination of plan - Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

LUCKY EMPLOYEE 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 and 2008

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan's financial statements are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition - Investments are stated at fair value, as determined by the Plan's trustee, Fidelity Management Trust Company. Participant loans are valued at their outstanding balances, which approximate fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividend income is accrued on the ex-dividend date.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported changes to net assets during the reporting periods. Actual results could differ from those estimates.

Concentrations of Risk - Investment securities are exposed to various risks, such as interest rate, market, and credit risks. It is reasonably possible, given the level of risks associated with investment securities that changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

Corrective Contributions – In year 2008, the Plan had excess contributions resulting from its failure to pass the Actual Deferral Percentage (ADP) test, which is designed to satisfy the non-discrimination provisions of the plan. These excess deferral contributions were corrected and returned to the participants within 2-1/2 months following the end of the year.

Administrative Expenses - The Company pays substantially all plan administrative expenses.

Payment of Benefits - Distributions to participants are recorded when paid.

NOTE C - TAX STATUS

The Plan administrator and trustees believe the Plan as designed is currently in compliance with the applicable requirements of the IRC, and therefore is qualified and the related trust is tax-exempt as of the financial statement date.

NOTE D - INVESTMENTS

Investments that represent 5% or more of net assets available for benefits are as follows:

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Lucky Employee 401(k) Retirement Plan

I was engaged to audit the financial statements and supplemental schedule of Lucky Employee 401k Retirement Plan as of and for the years ended December 31, 2009 and 2008, as listed in the accompanying table of contents. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. The plan administrator has informed me that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information in the financial statements that I did not audit, I am unable to, and do not express an opinion on the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2009 and 2008. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by Fidelity Management Trust Company, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974 (ERISA).

It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent laws.

Plan Administration - The Plan has an administration and investment contract with Fidelity Management Trust Company since July 1, 2007.

Eligibility – An employee who has completed 1,000 hours in his/her first twelve months of service and attained the age of 21 is eligible to participate in the Plan.

Eligible compensation does not include bonus, tips and cashed paid time offs. Participants may also contribute amounts representing distributions from other retirement plans, provided all legal and Administrator's requirements are met. The respective employers contribute 25% of the first 4% of eligible compensation that a participant contributes to the plan. Additional amounts may be contributed at the option of the Companies' respective Boards of Directors. No additional amounts were contributed for years 2009 and 2008. Maximum employee contribution limit for 2009 is $22,000 including $5,500 catch up contribution for participants aged 50 at the end of the year.

Participant Accounts - Each participant's account is credited with the participant's and Employer's contributions, and Plan earnings, and charged for services the administrator specifically performs for participants. No more than one (1) loan may be outstanding at any time except in hardship cases approved by Plan Administrator. Effective January 1, 2006, the maximum loan term for any loan qualifying as a home loan will be 15 years. Loans bear interest at rates determined by the plan administrator and based on the prevailing interest rates. Principal and interest are paid ratably through payroll deductions. If the vested interest exceeds $5,000, participants can defer distribution to a later date, but not beyond his normal retirement age.

Vesting - Participants are fully vested in all deferral contributions and earnings thereon. If a participant's employment with the Company ends for a reason other than retirement, disability, or death, the participant's vesting in the Company's Employers' matching contributions is based on years of continuous service. A vesting schedule is as follows:
