INDEPENDENT AUDITOR'S REPORT

The Trustees
CTS International, Inc.
401(k) Savings Plan

I have audited the accompanying statement of net assets available for benefits of CTS International, Inc. 401(k) Savings Plan as of December 31, 2009 and 2008 and the related statement of changes in net assets available for benefits for the year ended December 31, 2009. These financial statements are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of CTS International, Inc. 401(k) Savings Plan as of December 31, 2009 and 2008, and the changes in net assets available for benefits for the year ended December 31, 2009 in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2009 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statement taken as a whole.

CTS INTERNATIONAL, INC.
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 and 2008

Note 1 - Description of Plan

The following description of the CTS International, Inc. 401(k) Savings Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The CTS International, Inc. 401(k) Savings Plan (Plan) is a defined contribution plan sponsored by CTS International, Inc. (Sponsor) for employees who become eligible the day following the date of hire. Eligible employees may enroll in the Plan each day of the plan year.

(b) Contributions

Participants may elect to contribute up to 50% of their compensation, as defined by the Plan.

Effective August 1, 1999, the employer provided a discretionary match for all office and certain contract employees. The match for 2007 in the amount of \$36,006 was made in 2008. There was no match for 2009 or 2008.

(c) Participants' Accounts

Each participant's account is credited with the participant's contributions, and an allocation of earnings of the Plan. Allocations of Plan earnings are based on participants' account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participants' account.

Participants direct the investment of their elective deferrals by selecting from alternative investment funds offered by the trustee.

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the employer match at a rate of 20 percent after one year with full vesting after five years of service. All employer contributions vest upon death, normal retirement or permanent disability.

401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 and 2008

Note 1 - Description of Plan (Continued)

(e) Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate. Interest rates currently range from 6.0 to 7.5 percent. Principal and interest is paid ratably through payroll deductions.

(f) Payment of Plan Benefits

Payments of Plan benefits are made in a single lump sum either direct to the participant or to another qualified plan based upon elections made by the participant. In service withdrawals are allowed to participants who have attained age 59½. Amounts due to separated participants at December 31, 2009 and 2008 totaled \$6,446,443 and \$5,543,112 respectively.

(g) Plan Expenses

The Plan pays for charges by the third-party administrator and for investment advisory services. All other expenses are paid for by the Sponsor.

(h) Forfeitures

Forfeitures may only be used to reduce the employer's contribution to the Plan. There were no unallocated forfeitures at December 31, 2009 and 2008.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 and 2008

Note 2 - Summary of Significant Accounting Policies

(a) Method of Accounting

The accompanying financial statements have been prepared on an accrual basis and present the net assets available for benefits and the changes in net assets available for benefits.

(b) The trustees of the Plan are responsible for investing, managing and controlling the Plan's assets.

(c) Investments

All Plan investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Participant notes are valued at cost which approximates fair value. Net appreciation or depreciation of investments includes both realized and unrealized gains and losses.

(d) Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results may differ from those estimates.
