YEAR ENDED DECEMBER 31, 2009

1 - DESCRIPTION OF PLAN

The following description of the Macro Pro, Inc. ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified employer profit sharing plan, effective May 1, 1999, under provision of the Internal Revenue Code and covers all employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Individuals must be over 21 years old and completed one year of service (12 consecutive months with 1, 000 or more hours of services) to participate in the Plan, entering the Plan on the following January 1, April 1, July 1, and October 1.

Contributions

Each year, participants may contribute up to 100% of eligible compensation, limited to $16,500 for 2009. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions ($5,500 maximum for 2009). Their contributions are participant-directed into various investment options offered by the Plan through Guardian Insurance & Annuity Company, Inc. Voluntary non-deductible contributions are not permitted. Additionally, the Plan accepts rollover contributions from other qualified plans.

The Company may contributed, at its sole discretion, amounts to an Employer Non-Elective Contribution and Matching Contribution. However, the Company may issue a Safe Harbor Notice under Section 1.63 notifying participants that a Safe Harbor Non-Elective Contribution, Matching Contribution or Alternative Contribution will be made for a plan year. For 2009, the Company did issue such notice and contributed to a Safe Harbor Match an amount equal to the sum of the following: (a) 100% of the participant's elective deferral that did not exceed 3% of the eligible compensation; plus (b) 50% of the participant's elective deferral that exceed 3% but did not exceed 5% of eligible compensation. The maximum match that can be made under this formula is 4% of eligible compensation. For the 2009, the maximum annual addition that may be contributed or allocated to a participant's account could

Vesting

Participants are 100% vested in their employee contributions. For the employer contributions, participants vest 20% for each year in the plan after the second year unless a safe-harbor notice is issues, at which point vesting is 100%. Upon retirement, death or disability, account balances become 100% vested. Any remaining non-vested balances are forfeited. Forfeitures will be applied to reduce employer contributions in the or next succeeding plan year. Unallocated forfeitures shall share in the allocation of trust fund investment earnings or losses. There were no forfeitures for the year ending December 31, 2009.

Payment of Benefits

On termination of service, retirement, death or disability of a participant, the participant will receive the payment of all benefits in the form of a lump sum distribution, if the total benefits are less then $5,000. For distributions in excess of $5,000, the participant is entitled, with the consent of the administrator, to elect an optional form of distribution of monthly, quarterly, semi-annual or annual cash installments up to a period of 10 years. Payment of benefit is made no later than administratively practical following the close of the Plan year in which the event causing the distribution occurs, unless the participant elects to the contrary.
