Report of Independent Public Accountants

To the Participants and Administrator of the
Monschein Industries, Inc. 401(k) Profit Sharing Plan:

I have audited the accompanying financial statements of Monschein Industries, Inc. 401(k) Profit Sharing Plan as of December 31, 2009 and 2008 as listed in the accompanying index. These financial statements and schedules are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards as generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Monschein Industries, Inc. 401(k) Profit Sharing Plan as of December 31, 2009 and 2008, and the changes in its financial status for the years ended December 31, 2009 and 2008, in conformity with accounting principles generally accepted in the United States of America.

My audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules listed in the accompanying index are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Note 1. THE PLAN:

The following brief description of Monschein Industries, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan providing retirement benefits for all eligible employees of Monschein Industries, Inc. (the Company). The Plan became effective January 1, 1998. The Plan was restated on December 1, 2009 per IRS regulations. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code.

Administration

The Company administers the Plan and the company is the Plan's named fiduciary. Monschein Industries, Inc. has the authority to control the operation and administration of the Plan.

Participation

All employees of the Company who work 1,000 hours or more per year, have been employees with the Company for at least one year, and have attained the age of twenty-one are eligible to participate. All eligible employees are offered the opportunity to participate in the Plan on January 1, or July 1, coinciding with or following the date on which the employee satisfies the eligibility requirements.

Contributions and Vesting

Participants may contribute up to the maximum allowed by law of their eligible compensation in any one-year through payroll deferrals. The Company may, at its discretion, contribute additional amounts.

Note 1. (continued)

Participants are entitled to their interest in Company contributions in accordance with the following vesting schedule:

Years of Service	Percentage
Less than 1	0
1-2	20%
2 - 3	40%
3-4	60%
4 - 5	80%
5 - 6	100%
7 or more	100%

Forfeitures related to the accounts of employees who terminated before becoming fully vested are reallocated to remaining participants' accounts.

Funding Policy and Administration of Funds

Capital Bank and Trust held the funds in the Plan as of December 31, 2009 and 2008. Funds held by Capital Bank and Trust are placed in mutual funds offered by American Funds Retirement Resources and are invested based solely upon instructions received from employees participating in the Plan. Management fees for American Funds Retirement Resources funds are reflected in the earnings of the funds. The funds held at Capital Bank and Trust are subject to contract charges.

Benefits and Withdrawals

The Plan provides for the payment of benefits to the participant or the participant's beneficiary at retirement, death, disability or termination of employment with the Company. Partial withdrawals are permitted under circumstances specifically identified in the Plan. Benefits paid for reasons other than retirement are paid in the form of lump sum distributions. Retirement benefits may be paid, at the option of the participant, as either a lump sum distribution or in periodic installments.

Amendment and Termination

The Plan may be amended from time to time so long as the Plan remains for the exclusive benefit of the participants and no amendment can operate to deprive any participant of any rights or benefits previously accrued prior to the amendment. While it is the Company's intention to continue the Plan in operation indefinitely, the right is expressly reserved to terminate the Plan, in whole or in part. Upon termination of the Plan, all participants become fully vested with respect to Company contributions.

Note 1. (continued)

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting. This is a method of accounting where recognition is given to revenues and expenses in the period to which they relate. The assets held are stated at market value and quoted market prices are used to value investments. Investments in the funds managed by Capital Bank and Trust are valued on December 31, 2009 and 2008, as reported by American Funds Retirement Resources.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from these estimates.

Note 2. INCOME TAX STATUS:

The Plan has received a favorable determination letter from the Internal Revenue Service dated March 31, 2008 for the speciman document adopted by Monschein Industries, Inc. on December 1, 2009. Once qualified the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirement of the Code and, therefore, believes that the Plan, as restated, is qualified and the related trust is tax exempt.

Note 3. INVESTMENT AND ADMINISTRATIVE EXPENSES:

Investment management fees are charged to participants based on their investment elections.

The Company pays certain administrative fees including a base rate per plan, a charge per participant, service fees and audit fees. The Company paid $6,470 and $6,923 for the years ended December 31, 2009 and 2008.

Note 4. INVESTMENTS:

Note 5. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
