Nederland, TX 77627

We were engaged to audit the accompanying statements of net assets available for benefits of RICHARD DESIGN SERVICES, LTD 401(k) PLAN as of December 31, 2009, and 2008 and the related statement of changes in net assets available for benefits for the year ended December 31, 2009 and the supplemental schedules of (1) Schedule H, line 4a-Schedule of Delinquent Participant Contributions and (2) Schedule H, line 4i-Schedule of Assets Held At End of Year. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by John Hancock USA, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that John Hancock USA holds the Plan's investment assets and executes investments transactions. The plan administrator has obtained a certification from John Hancock USA, as of and for the year ended December 31, 2009 that the information provided to the plan administrator by John Hancock USA is complete and accurate.

As described in Note B, the financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

The Plan has not presented the supplemental Schedule H, line a-Schedule of Delinquent Participant Contributions for the year ended December 31, 2009. Disclosure of this information is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Retirement Income Security Act of 1974.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by John Hancock USA, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, except for the omission of the information discussed in the preceding paragraph, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Very truly yours,

A. DESCRIPTION OF PLAN

The following description of the RICHARD DESIGN SERVICES LTD 401(K) PLAN, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. A copy of the Plan Document is at the Company's office.

1. General
The plan is a defined contribution plan covering non-highly compensated employees of the Company who have reached the age of 21 and have one month of service. The Plan is a type of qualified retirement plan commonly referred to as a 401(k) Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions
Each year, participants may contribute as little as 1 percent of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company, at the discretion of the Company's board of directors, may contribute amounts based the percentage of each Contributing Participants elective deferral. During the year ending December 31, 2009, the company made a contribution of $486,158 to the Plan.

3. Participant Accounts
Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting
Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

5. Payment of Benefits
All distributions from the Plan will be in one lump-sum payment in cash. If the vested benefit under the Plan exceeds $5,000, then the participant must consent to the distribution before it may be made. If the vested benefit under the Plan does not exceed $5,000, then the benefit will be distributed as a direct rollover to an individual retirement account.

6. Disposition of Forfeitures
Forfeitures of employer discretionary contributions shall be used to reduce the contributions of the Employer. There were forfeitures of $56,172 for the year ended December 31, 2009.

7. Costs of the Plan
The significant administrative costs of the Plan are paid by the Employer.

B. SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting
The financial statements of the Plan are prepared under the modified cash basis. That is, the asset amounts are reflected on a cash basis except for the contributions. The contributions are reported on a plan year accrual basis.

B. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

2. Use of Estimates
The preparation of financial statements with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. The value of each Pooled Separate Account is determined at the close of each business day based on market value. The value of the account is expressed in "units". The "unit value" is the dollar value of one unit and is determined at the close of each business day by dividing the value of the entire account by the total number of units in the account.

Change in market value from year to year is reported as gains for the Plan's Separate Accounts.

4. Payment of Benefits
Benefits are recorded when paid.

I. FAIR VALUE MEASUREMENTS

In accordance with SFAS No. 157, the Plan classifies its investments into Level 1, which refers to securities traded in an active market, Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available or Level 1 securities where there is a contractual restriction, and Level 3, which refers to securities not traded in an active market and for which no significant observable market inputs are available. As required by SFAS No. 157, at December 31, 2009, the Plan's portfolio investments were classified as follows, based on fair values:

Level 1:
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for similar assets or liabilities in inactive markets;

Level 2:
Inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified or contractual term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3:
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

		Fair Value
