REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANT

Board of Trustees
Sprinkler Fitters and Apprentices
Local 704 Defined Contribution Pension Fund Plan

Opinion

We have audited the accompanying financial statements of Sprinkler Fitters and Apprentices Local 704 Defined Contribution Pension Fund Plan, an employee benefit Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Sprinkler Fitters and Apprentices Local 704 Defined Contribution Pension Fund Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sprinkler Fitters and Apprentices Local 704 Defined Contribution Pension Fund Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sprinkler Fitters and Apprentices Local 704 Defined Contribution Pension Fund Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sprinkler Fitters and Apprentices Local 704 Defined Contribution Pension Fund Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sprinkler Fitters and Apprentices Local 704 Defined Contribution Pension Fund Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the Planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of transactions in excess of five percent, portfolio of investments held as of December 31, 2022 and 2021 and schedule of administrative expenses are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF THE BENEFIT PLAN

The following description of the Sprinkler Fitters and Apprentices Local 704 Defined Contribution Pension Fund Plan (Plan) provides only general trust information. Participants should refer to the Trust Plan Agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution pension Plan and was established on June 1, 2008 as a result of collective bargaining agreements to provide pension benefits for eligible participants. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

2. Contributions

The Plan is financed entirely by employer contributions as specified in the collective bargaining agreements.

3. Participant Accounts

Each participant account is credited with employer contributions and share of investment income less an administrative charge.

4. Vesting

Participants are immediately vested for amounts credited to their accounts.

5. Benefits

A participant who becomes eligible for benefits will normally receive a single life pension purchased from an insurance carrier for the life of the participant. A participant has the right to waive the single life pension form of payment an elect to receive a lump sum or periodic payments over specified period options.

6. Plan Amendments

There was a plan restated in 2020. On June 17, 2021 a Plan amendment was adopted to Article 9.11 extending claim and appeals deadlines. Additionally on May 14, 2020 the Plan amended benefits to include Coronavirius-related distributions.

7. Priorities Upon Termination

It is the intent of the Trustees to continue the Plan in full force and effect. However, in the unlikely event of termination, the assets then remaining, after providing for the expenses of the Plan and for the payment of any accumulated shares heretofore approved, shall be distributed among the participants. Each participant shall receive that part of the total remaining assets in the same ratio as his accumulated share bears to the aggregate amount of the accumulated shares of all participants.

NOTE B - ACCOUNTING POLICIES

The financial statements of the Plan have been prepared in conformity with generally accepted accounting principles as applied to Employee Benefit Plans, and in accordance with the Plan agreement.

A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

2. Employer Contributions

Employer contributions receivable are estimated based on collections following the year end which are applicable to the current year. This represents the amount management expects to collect from outstanding balances.

3. Use of Estimates

The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

4. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements.

5. Payments of Benefits

Benefits are recorded when paid.

6. Concentrations of risk

Concentrations of credit risk with respect to contributions receivable are limited due to the large number of participants. The Plan routinely assesses the financial strength of its participants and, as a consequence, believes that their contributions receivable risk exposure is limited. Management does not believe significant risk exists in connection with the Plan's concentrations of credit at December 31, 2022 and 2021.

7. Bank Accounts

The Plan maintains cash balances at banks, these banks are insured by the Federal Deposit Insurance Corporation subject to certain limits. The Plan has not experienced any losses in such accounts. The Plan considers highly liquid instruments readily convertible to known amounts of cash with original maturities of three months or less measured from their acquisition date to be cash equivalents.

NOTE B - ACCOUNTING POLICIES (continued)

8. Subsequent Events

The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

Note C – FAIR VALUE MEASUREMENTS

The Plan's investments are recorded at fair value in the accompanying statement of net assets available for Plan benefits.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quote prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Note C – FAIR VALUE MEASUREMENTS (continued)

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Common Collective Trusts: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan investment assets and investment liabilities at fair value, as of December 31, 2022 and 2021.

Investments Assets at Fair Value
as of December 31, 2022

	Level 1	Level 2	Total
Mutual Funds	$ 59,000,220		
TIAA CREF Lifecycle		$ -	
Mutual Funds	$ 59,000,220	$ -	$ 59,000,220
Investments measured at net asset value (a)			-
Total Investments at Fair Value:			$ 59,000,220

(a) In accordance with FASB Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of assets available for benefits.

Note C – FAIR VALUE MEASUREMENTS (continued)

Investments Assets at Fair Value
as of December 31, 2021

	Level 1	Level 2	Total
Mutual Funds	$ 14,384,628		
TIAA CREF Lifecycle		$ 59,803,032	
Mutual Funds	$ 14,384,628	$ 59,803,032	$ 74,187,660
Investments measured at net asset value (a)			-
Total Investments at Fair Value:			$ 74,187,660

NOTE D – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term and that such changes can materially affect the amounts reported in the statement of net assets available for benefits.

NOTE E - INCOME TAXES

The Plan is exempt from federal income taxes under section 401(a) of the Internal Revenue Code and is, therefore, exempt from federal income taxes under the provisions of Section 501(a). Once qualified, the Plan is required to operate in conformity with applicable provisions of the Internal Revenue Code to maintain its qualification. The Plan is not aware of any action or event that has occurred that might affect its status.

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it is taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F – EMPLOYER CONTRIBUTIONS

In accordance with collectively bargaining agreements, employers are required to make contributions to the Plan on behalf of employees performing covered work. Payroll examinations are performed on a rotating basis to verify that proper contributions are being made.

NOTE G - REVENUE SHARING WITH MASS MUTUAL NOW EMPOWER

The Trustees of the Fund entered into an agreement with Mass Mutual now Empower regarding fees received from third parties with respect to the mutual funds and other investments in the Plan. Under this agreement the Trustees have directed Mass Mutual now Empower to apply the quarterly amounts received as income against the fees charged by Mass Mutual now Empower for their services. To the extent that these payments do not fully offset Mass Mutual now Empower's fees, the balance will be payable to Mass Mutual now Empower by the Plan. In the event that these payments are greater than Mass Mutual now Empower's fees for the quarter, Mass Mutual now Empower has agreed to make a payment to the Plan equal to the excess amount. At the end of reporting quarter, Mass Mutual now Empower shall provide a detailed accounting of the amount of fees received from third parties versus fees charged by Mass Mutual now Empower.
