INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the **Lifespan 401(k) Retirement Savings Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lifespan 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Marcum LLP / 100 Westminster Street / Suite 500 / Providence, RI 02903 / Phone 401.600.4500 / marcumllp.com

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lifespan 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lifespan 401(k) Retirement Savings Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lifespan 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lifespan 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Lifespan 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(A) GENERAL

The Plan, which covers substantially all employees of Lifespan Corporation, Rhode Island Hospital (RIH), The Miriam Hospital (TMH), Emma Pendleton Bradley Hospital, Newport Hospital, Lifespan Physician Group, Inc. (LPG), Gateway Healthcare, Inc., and other Lifespan affiliates (Participating Employers), was adopted January 1, 2018. The Plan and its related Trust are intended to qualify as a profit-sharing plan and trust under Code Sections 401(a) and 501(a), and the cash or deferred arrangement forming part of the Plan is intended to qualify under Code Section 401(k). The Plan is also intended to constitute a plan described in Section 404(c) of the Employee Retirement Income Security Act of 1974 (ERISA). The provisions of the Plan and Trust are construed and applied accordingly. The purpose of the Plan is to provide benefits to participants in a manner consistent and in compliance with such Code Sections and Title I of ERISA.

Effective January 1, 2019, United Nurses and Allied Professionals (UNAP) RIH employees who were hired, rehired, or transferred to a UNAP-covered position on or before September 30, 2018, and who made a one-time irrevocable election to discontinue participation in the Lifespan Corporation Retirement Plan or the Lifespan Corporation 403(b) Retirement Plan and commence participation in the Plan, during the period which commenced November 15, 2018 and ended December 14, 2018 ("the 2018 Opt-Out Period"), became participants in the Plan for purposes of elective contributions.

Effective October 1, 2019, UNAP RIH employees who were hired, rehired, or transferred to a UNAP-covered position on or after October 1, 2018, and on or before December 31, 2018, and who made a one-time irrevocable election to discontinue participation in the Lifespan Corporation Retirement Plan or the Lifespan Corporation 403(b) Retirement Plan and commence participation in the Plan, during the period which commenced July 15, 2019 and ended August 11, 2019 ("the 2019 Opt-Out Period"), became participants in the Plan for purposes of elective contributions.

Effective January 1, 2020, International Brotherhood of Teamsters (IBT) RIH employees who were hired, rehired, or transferred to an IBT-covered position on or before August 31, 2019, and who made a one-time irrevocable election to discontinue participation in the

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

(A) GENERAL (CONTINUED)

Lifespan Corporation Retirement Plan or the Lifespan Corporation 403(b) Retirement Plan and commence participation in the Plan, during the period which commenced October 15, 2019 and ended November 3, 2019 ("the 2019 Opt-Out Period for IBT employees"), became participants in the Plan for purposes of elective contributions.

Effective December 31, 2021, the accounts of each participant in the Coastal Medical, Inc. Retirement Plan (the Coastal Plan) were merged into the Plan. Assets transferred into the Plan as a result of this merger were $112,962,111.

(B) EMPLOYEE CONTRIBUTIONS

Participants may contribute up to 70% of their wages, not to exceed the maximum annual contribution allowed by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan has established an annual automatic enrollment percentage of 2% of eligible compensation on behalf of the participant, unless the participant elects a different percentage, including an opt-out, on an annual basis. The elective contribution percentage of each participant whose elective contribution percentage is at least 2% shall be automatically increased each January 1 by 1% to a maximum percentage of 10%.

(C) EMPLOYER CONTRIBUTIONS

(i) Matching Contributions

For each quarter within the Plan year, Participating Employers shall contribute as an annual matching contribution, on behalf of each matching eligible participant who has completed a year of matching eligibility service, an amount equal to 100% of such participant's elective contributions for such Plan year quarter not to exceed 6% of such participant's compensation.

Matching contributions are subject to, among other limits, the maximum annual contribution allowed by the Internal Revenue Code (IRC). Matching contributions, if any, will be funded through actual cash contributions by Participating Employers.

Effective January 1, 2020, the Plan was amended as follows: for the period which began January 1, 2020 and ended April 30, 2020, Effective May 1, 2020, the required employer matching contribution was no longer made on behalf of each participant who was employed as the categories "MD", "DO", or certain "Clinical PhDs" at Rhode Island Hospital (RIH), The Miriam Hospital (TMH), or Lifespan Physician Group, Inc. (LPG) at the respective affiliate's sole discretion.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

(C) EMPLOYER CONTRIBUTIONS (CONTINUED)

(ii) Discretionary Matching Contributions

Effective May 1, 2020, RIH, TMH, or LPG may contribute an amount they determine in their sole discretion to each participant who was employed as an "MD", "DO", or certain "Clinical PhDs" and who has completed a year of matching eligibility service. There were no discretionary matching contributions during the Plan year ended December 31, 2022 and 2021.

(iii) Qualified Nonelective Contributions

To the extent necessary to satisfy the discriminatory limit requirements of IRC 401(k)(3) with respect to elective contributions, Lifespan (the Plan Sponsor), in its discretion, may determine whether a Qualified Nonelective Contribution (QNC) shall be made to the Trust for a Plan year and, if so, the amount to be contributed by each Participating Employer. If the Plan Sponsor determines that a QNC shall be made, each Participating Employer shall contribute its designated portion. A QNC for a Plan year shall be allocated among and credited to the accounts of all participants who are eligible to receive elective contributions for the Plan year, in proportion to their relative amounts of compensation for the Plan year. Lifespan made a QNC during the Plan year ended December 31, 2022 in the amount of $249. There were no QNCs during the Plan year ended December 31, 2021.

(D) PARTICIPANT ACCOUNTS

Each participant's account is credited with both the participant's contributions and Participating Employers' matching contributions as well as allocations of Plan earnings, which are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants can direct the investment of employee and employer contributions into the various investment options offered by the Plan.

(E) VESTING

Participants shall always have a vested interest in 100% of their elective contribution account, QNCs, and rollover account, if any. Participants will be fully vested in their matching contributions upon any of the following:

- the completion of three years of vesting service.
- the participant's death while an eligible employee.
- the participant's becoming disabled.
- the termination or partial termination of the Plan.
- the participant's attainment of his or her normal retirement age.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

(E) VESTING (CONTINUED)

Employer matching contributions attributable to amounts included in the assets transferred from the Coastal Plan as of December 31, 2022 into the Plan are subject to a vesting schedule in accordance with the terms of the Coastal Plan outlined below. Employer matching contributions attributable to elective contributions made by the participant subsequent to the December 31, 2022 transfer date follow the vesting rules outlined in the Plan.

Years of Vesting Service	Applicable Vesting Schedule
0	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

(F) NOTES RECEIVABLE FROM PARTICIPANTS

Under the terms of the Plan, participants may borrow from their accounts a maximum equal to the lesser of 50% of their account balance or $50,000 reduced by the excess of: (i) the highest outstanding loan balance of the Participant during the one-year period ending on the day prior to the date on which the loan is made, over (ii) the Participant's outstanding loan balance immediately prior to the loan. Notes receivable from participants are secured by the balance in the participant's account, bear interest at the prime rate plus 2%, and have terms ranging from one to five years.

On December 31, 2022 and 2021, notes receivable from participants totaled $ 3,535,059 and $2,627,482, respectively.

(G) EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

(H) PAYMENT OF BENEFITS

Upon termination of employment, participants may elect to receive their distributions equal to the value of their account in either a lump sum amount or in periodic installments. In addition, participants may elect to roll their account into another qualified plan.

(I) PLAN TERMINATION

Although it has not expressed any intent to do so, Lifespan Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

(J) NEW YORK LIFE GUARANTEED INTEREST ACCOUNT

The New York Life Guaranteed Interest Account (GIA) is a guaranteed fixed annuity contract available to Plan participants as an investment option. The GIA contract is fully and unconditionally guaranteed by New York Life Insurance Company.

When participants choose to allocate a portion of their retirement savings to the New York Life GIA during the accumulation phase of the contract, their contributions purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. The participant's principal, plus a specified minimum rate of interest, is guaranteed by New York Life Insurance Company. The crediting interest rate was 2.80% as of December 31, 2022 and 2021.

The GIA contract provides for full participant-directed liquidity. When a participant's accumulation in the New York Life GIA is converted to a lifetime payout annuity, the present value of the stream of payments is equal to the accumulated balance, and the entire amount is recorded as a benefit paid directly to participants in the statements of changes in net assets available for benefits.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

(J) *NEW YORK LIFE GUARANTEED INTEREST ACCOUNT (CONTINUED)*

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and what also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without consent of the issuer.

(K) FORFEITED ACCOUNTS

Any Employer contribution with respect to a participant which is not vested upon termination of the participant is forfeited and may be used to reduce Employer matching contributions.

The forfeited non-vested account total as of December 31, 2022 and 2021 was $133,904 and $0, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A) BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(B) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingencies. Actual results could differ from those estimates.

(C) INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value, except for those deemed to be fully benefit-responsive, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(D) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are carried at their outstanding balance plus unpaid accrued interest. As indicated in Note 1(f), such loans bear interest at the prime rate plus 2% and have terms ranging from one to five years.

(E) PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution.

(F) ADMINISTRATIVE EXPENSES

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by Lifespan Corporation. Expenses that are paid by Lifespan Corporation are excluded from these financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(G) OTHER INCOME

The Plan participates in the Fidelity Revenue Credit Program. Through the Program, the Plan has received credits which represent a return of Fidelity fees. All revenue credits are given directly back to the participants through the program.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE AND CUSTODIANS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (Fidelity), the Trustee of the Plan and Trustee of certain Plan investment assets, has certified the completeness and accuracy of the investments reflected in the accompanying statements of net assets available for benefits and the related investment activity reflected in the statements of changes in net assets available for benefits as of and for the years ended December 31, 2022 and 2021, and the investment information included in the supplemental schedule to the financial statements as of December 31, 2022. Fidelity held certain plan investment assets and executed certain investment transactions for the years ended December 31, 2022 and 2021. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified as complete and accurate by the Plan's trustee and custodian.

NOTE 4 - INVESTMENTS

FAIR VALUE

Accounting Standards Codification 820, Fair Value Measurements (FASB ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.

NOTE 4 - INVESTMENTS (CONTINUED)

FAIR VALUE (CONTINUED)

- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Investment options available to participants include select mutual funds and Fidelity self-directed brokerage accounts.

Fidelity self-directed brokerage accounts allow participants to invest in a broad range of Fidelity and non-Fidelity mutual funds plus a range of individual securities.

Mutual funds invest principally in equity securities, fixed income instruments, and short-term instruments in accordance with each fund's investment objectives. Fidelity mutual funds are registered mutual funds whose fair values are based on quoted prices and which are therefore classified in Level 1 of the fair value hierarchy at December 31, 2022 and 2021.

The following tables summarize the Plan's investments by major category within the FASB ASC 820 fair value hierarchy as of December 31, 2022 and 2021, as well as related strategy and liquidity/notice requirements:

NOTE 5 - RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Management Trust Company (which is affiliated with Fidelity Investments), is the Trustee as defined by the Plan, and therefore, these investments and transactions in these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - INCOME TAX STATUS

The Plan has received a determination letter from the IRS dated January 14, 2021, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code), and therefore, the related trust is exempt from federal taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan's current design and operations comply in all material respects with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator believes that there are no uncertain tax positions that would have a material impact on the financial statements of the Plan. Therefore, no provision for income taxes has been recorded in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - SUBSEQUENT EVENTS

The Plan Sponsor considers events and transactions that occur after the date of the statements of net assets available for benefits, but before the financial statements of the Plan are available to be issued, to provide additional evidence relative to certain estimates or to identify matters that require additional disclosure. These financial statements were available to be issued on October 12, 2023. Other than as disclosed below, there are no events that have been identified that should be recorded or disclosed.

The Secure 2.0 Act of 2022 was signed into law on December 29, 2022. The legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lifespan 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Marcum LLP / 100 Westminster Street / Suite 500 / Providence, RI 02903 / Phone 401.600.4500 / marcumllp.com

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lifespan 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lifespan 401(k) Retirement Savings Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lifespan 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lifespan 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
