INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
North Atlantic States Carpenters Annuity Plan
Hamden, Connecticut

Opinion

We have audited the accompanying financial statements of North Atlantic States Carpenters Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of North Atlantic States Carpenters Annuity Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of North Atlantic States Carpenters Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about North Atlantic States Carpenters Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of North Atlantic States Carpenters Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about North Atlantic States Carpenters Annuity Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - PLAN DESCRIPTION

The following description of the North Atlantic States Carpenters Annuity Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Plan Amendment – Name Change

Effective January 1, 2021, the Plan was amended to change the name of the Plan from Southern New England Carpenters Annuity Plan to North Atlantic States Carpenters Annuity Plan and effective for hours worked after December 31, 2020, the Plan continues to be designated as a profit-sharing plan.

General

The Plan was originally established on April 1, 1979, under the terms of an Agreement and Declaration of Trust. The Plan is a multi-employer, jointly administrated, collectively bargained, defined contribution profit-sharing plan (for all hours worked after December 31, 2019) and was established to provide retirement benefits to carpenters who meet certain eligibility requirements. The Plan includes protected money purchase pension accounts/profit-sharing accounts for participants for certain hours worked after December 31, 2019, as described by the Plan.

The Board of Trustees (Trustees) have overall responsibility for the operation of the Plan. The Trustees determine the appropriateness of the Plan's investment operations and monitors investment performance. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan is funded by contributions made by employers and voluntary after-tax contributions by employees. Employer contributions are based on hourly rates set through collective bargaining agreements. Hours reported to the Plan were 13,049,525 and 12,209,670 for the years ended December 31, 2022 and 2021, respectively. Contributions are subject to certain IRS limitations.

Reciprocal Agreement

The Plan participates in a reciprocal agreement where contributions for members of participating plans who work outside their jurisdiction are reciprocated to their local jurisdiction at the rate in effect at the time.

Vesting

Participants are 100% vested in the value of their accounts.

Participant Accounts – Trustee Directed

Participant accounts include profit sharing accounts, protected money purchase pension accounts/profit sharing plan accounts, voluntary accounts, and certain limited rollover accounts as defined by the Plan. Participant accounts are Trustee-directed accounts, and an annual valuation of these accounts is performed within a reasonable time after year-end. Each participant's account is credited with contributions received and the allocated portion of Plan earnings or losses, net of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - PLAN DESCRIPTION – (CONTINUED)

Participant Accounts – Trustee Directed – (Continued)
Active participants who are working as a carpenter under a collective bargaining agreement or are not highly compensated as defined by the Internal Revenue Service may make voluntary contributions to the Plan. Any contributions received from participants are credited to their Voluntary Accounts. Voluntary Accounts are limited to 10% of compensation for covered employment in a Plan year, as defined by the Plan.

Participant Accounts – Participant Directed
Participant accounts include certain self-directed accounts transferred to the Plan as part of the asset/liability transfer on January 1, 2020. These accounts are for participants who had elected, at the time, to direct the investment of his/her account and will continue to direct his/her account, adjusted for earnings and losses thereon less any subsequent distributions and administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Effective January 1, 2020, a self-directed individual may make a one-time irrevocable election to transfer his or her self-directed portion into the Trustee-directed portion of the Plan.

Notes Receivable from Participants
Effective January 1, 2018 (July 1, 2020 for New York participants), participants may borrow from certain fund accounts a minimum of $1,000 to a maximum equal to the lesser $50,000, reduced by the highest outstanding balance of Plan loans during the 12-month period ending the day before the loan is made or 50% of their account balance under the Plan as of the most recent valuation date. The loans are allowed from profit sharing accounts or grandfathered money purchase pension accounts for certain hardships as defined by the Plan. The loans are secured by the vested balance in the participant's account and bear interest at rates of Bank of America prime plus 1% provided that the rate will not exceed 6% for participants on military leave. In general, loans must be repaid in substantially equal payments of principal and interest within five years of the date of the loan, except for the purchase of a principal residence, which can be up to 30 years. Participants are allowed one loan outstanding at any time and a participant who defaults on a loan is not eligible for any future loans.

Plan Benefits
Prior to January 1, 2020, participants may have elected to receive benefits on or after their normal retirement date (age 65), or early retirement date. Effective January 1, 2020, participants may elect to receive benefits on or after their normal retirement date, which is the date on which they have attained at least age 55 and have permanently ceased to work in covered employment. Participants can request distributions of their profit-sharing account balances in the form of lump sum (including rollover), installment or a combination, as defined within the Plan.

Unless elected otherwise, the normal form of benefit payment relating to money purchase account balances for eligible married participants is a qualified joint and survivor annuity, and for an eligible unmarried participant it is a ten-year certain and life annuity. The Plan also allows for other forms of payment for specific New York participant balances relating to their pre-2016 money purchase pension contributions and earnings thereon as defined in the Plan.

NOTE 1 - PLAN DESCRIPTION – (CONTINUED)

Plan Benefits – (Continued)
Participants with an account balance of $5,000 or less will be distributed only in a lump-sum and the consent of the participant's spouse will not be required.

Should a participant have a break in service, a participant is eligible to receive 50% of their account balance after no hours worked in covered or non-covered employment during the prior six consecutive months and 100% of their account balance after no hours worked in covered or non-covered employment during the prior 12 consecutive months.

In the event of a participant's death or total and permanent disability, all amounts credited to such participant's account are available for distributions which can be made in the form of lump sum, installment, or partial withdrawal, as defined within the Plan.

A participant may request in-service withdrawals due to certain financial hardships, as defined by the Plan. Hardship withdrawals must be at least $1,000 and may not exceed $70,000 for hardship withdrawals in their lifetime. Withdrawals for state or federal income taxes are limited to once in a lifetime. A participant is immediately ineligible for any future hardship withdrawals if he or she submits an application that is materially incorrect in any way. The limit on withdrawals for foreclosure on a participant's principal residence is twice in a lifetime, but the limit on withdrawals for evictions is limited to once in a lifetime. A participant is not eligible for a hardship withdrawal if the participant or their family has any ownership interest in an employer that has or ever had an unresolved contribution delinquency to the Plan. A participant may request an in-service distribution from his or her profit-sharing account balance if he or she has attained at least age 59.5 and who has 20 consecutive years of participation in the Plan. This type of distribution can be paid in the form of a lump sum and may only be made once in any Plan year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared using the accrual basis of accounting.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that Plan management make estimates and assumptions that could affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results may differ from those estimates.

Concentration of Credit Risk
The Plan maintains its cash deposits in one bank. The Federal Deposit Insurance Corporation (FDIC) insures cash balances up to $250,000 for the non-contingent, ascertainable interest of each beneficiary per bank for each employee benefit plan account. Amounts in excess of the FDIC limits are uninsured. It is management's policy to oversee credit risk on an ongoing basis.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

Valuation of Investments and Income Recognition

The investments of the Plan are reported at fair value. Fair value is the price that would be received to sell or transfer an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies utilizing information provided by its investment advisors and custodians. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contribution Receivable

The Plan considers employer contribution receivable to be fully collectible; accordingly, no provision for doubtful accounts is required.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make scheduled repayments and the Plan administrator deems the participant note receivable to be in default, the participant note receivable balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid.

Due to/from Carpenters Funds

The North Atlantic States Carpenters Pension Plan (formerly known as the New England Carpenters Pension Plan) collects employer contributions for the Plan and wires the money directly to the Plan on a monthly basis. As of December 31, 2022 and 2021, the due from the North Atlantic States Carpenters Funds totaling $5,004,430 and $4,661,092 represents amounts due from the North Atlantic States Carpenters Pension Plan for contributions collected for December 2022 and 2021 respectively.

Administrative Expense

Certain administrative services are shared by the Plan and other Carpenters' plans. During 2021, the cost of some services was paid for by the North Atlantic States Carpenters Pension Plan and reimbursed by the Plan on a monthly basis. For the years ended December 31, 2022 and 2021, the reimbursement to the North Atlantic Carpenters Pension Plan was $1,778,324 and $1,581,638, respectively and have been included in allocated overhead expenses. Amounts due to the North Atlantic Carpenters Pension Plan as of December 31, 2022 and 2021 totaled $257,369 and $294,090, respectively and have been included in accounts payable on the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under *FASB ASC 820 (Fair Value Measurement)* are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and December 31, 2021.

Money Market Funds: Fair values are estimated to approximate deposit account balances, payable on demand, as no discounts for credit quality or liquidity were determined to be applicable and are classified as Level 1 investments.

Common Stocks: Valued at the closing price reported on the active market on which the individual securities are traded and are classified as Level 1 investments.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified as Level 1 investments.

NOTE 3 - FAIR VALUE MEASUREMENTS – (CONTINUED)

Real Estate Investment Trusts: Investment in real estate investment trust is valued at fair value as determined and reported by the trust and represents the Plan's proportionate share of the estimated fair value of the underlying net assets of the trust and are classified as Level 1 investments.

Cash Surrender Value of Participants' Life Insurance is determined by the insurance carrier.

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers.

Limited Partnerships and Limited Liability Companies: Investments in limited partnerships and limited liability companies are valued at fair value as determined and reported by the limited partnership or limited liability companies and represent the Plan's proportionate share of the estimated fair value of the underlying net assets of the limited partnerships or limited liability companies.

Pooled Separate Accounts: Valued at the NAV of units of an insurance company collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on their fair value of the underlying investments held by the funds less their liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of a pooled separate account, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner.

The following tables set forth by level within the fair value hierarchy the Plan's assets:

Investments Measured Using the Net Asset Value per Share Practical Expedient – (Continued)

(a) The partnership engages in investment activities, the objective of which is to maximize total returns by investing primarily in debt securities of non-investment grade (high yield) companies.

(b) The sole purpose of the partnership is to hold the investment in HarbourVest Partners 2013 Direct Fund L.P., which in turn, makes investments with a primary emphasis on equity-oriented investments in management buy-in, management buy-out, leveraged buy-out, recapitalization, growth equity, special situation, and mezzanine transactions involving companies having trailing twelve-month revenues greater than $7.5 million. The partnership primarily invests in entities which intend to operate principally in North America, Europe, Latin America, Asia, and Australia. The investment period is scheduled to end after the earliest of (i) such date as may be determined by limited partners holding in the aggregate sharing percentages equal to 80% of the total sharing percentages and written notices to the General Partner, (ii) April 1, 2018 (the fifth anniversary of the Inception date) and (iii) such date as determined by the General Partner and written notice to the limited partners (the "Investment Period Termination Date").

(c) The sole purpose of the combined fund is to hold investments in HarbourVest Partners IX-Cayman Buyout Fund L.P. in an amount equal to 60% of the aggregate capital commitments of the partners, in HarbourVest Partners IX-Cayman Venture Fund L.P. in an amount equal to 30% of the aggregate capital commitments of the partners and in HarbourVest Partners IX-Cayman Credit Opportunities Fund L.P. in an amount equal to 10% of the aggregate capital commitments of the partners. The combined fund is scheduled to terminate on December 31, 2024.

(d) The purpose of the fund is to actively manage a core portfolio of primarily equity real estate investments located in the United States.

(e) The fund has been organized to allow Taft-Hartley pension funds, governmental retirement plans, corporate pension plans and qualified trusts forming part of a pension or profit-sharing plan, endowments, charitable foundations and other taxable and tax-exempt organizations to pool their assets to make investments primarily in core stable institutional quality office, retail, industrial and multi-family residential properties that are substantially leased and have minimal deferred maintenance or functional obsolescence.

(f) The partnership was formed for the purpose of investing alongside TA Realty Core Property Fund PF-1, L.P., TA Realty Core Property Fund PF-2, L.P., and TA Realty Core Property Fund PF-3, L.P. in TAR CPF OP, LLC, a limited liability company investing directly in real estate assets.

(g) The fund is organized for the purpose of investing in privately negotiated transactions, generally sourced on a co-investment basis with certain private equity partnerships in companies whose principal operations are in North America in accordance with the investment objectives, policies, procedures, and restrictions more specifically set forth in the partnership agreement. The fund commenced operations on April 11, 2019, and will terminate on April 10, 2030, unless dissolved earlier or extended in accordance with the partnership agreement.

(i) Substantially all of the assets of this fund that are available for investment have been invested in Grosvenor Opportunistic Credit Master Fund III, Ltd.

(j) Substantially all of the assets of this fund that are available for investment have been invested in Grosvenor Opportunistic Credit Master Fund IV, Ltd.

(k) The purpose of the partnership is to achieve long-term returns through investment in a diversified portfolio of private equity limited partnerships purchased in the secondary market and in a select number of co-investments.

(l) The partnership invests in infrastructure assets through its investment in Blackstone Infrastructure Partners, V, L.P., and its affiliated alternative investment vehicles and may also include one or more additional collective investment vehicles.

(m) The fund is organized for the purpose of making commitments to leading private equity funds and primarily engaging in leveraged buyouts of middle market companies located in or having a principal place of business in North America. The fund commenced operations on April 11, 2018, and will terminate on April 10, 2030, unless dissolved earlier or extended in accordance with the partnership agreement.

(n) The fund is organized for the purpose of making commitments to leading private equity funds and primarily engaging in leveraged buyouts of middle market companies located in or having a principal place of business in North America. The fund commenced operations on February 4, 2021, and will terminate on February 3, 2031, unless dissolved earlier or extended in accordance with the partnership agreement.

(o) The partnership was established to provide risk-adjusted return by applying a hands-on, value-added investment model to non-controlled investments. The fund will continue until the tenth anniversary of the final closing of the partnership, unless terminated early or extended for two additional one-year periods by the general partner with the consent of a majority interest of the limited partners. The partnership focuses on investments in the community banking sector defined as banks and thrifts with assets under $5 billion throughout the United States with a secondary focus on financial services firms closely related to the banking industry.

NOTE 3 - FAIR VALUE MEASUREMENTS – (CONTINUED)

Level 3 Investments

Investment income relating to the Level 3 assets held as of December 31, 2022 and 2021 totaled $13,284 and $21,096, respectively and is included in the interest income category in the Statements of Changes in Net Assets Available for Benefits. There were no changes in unrealized gains and losses for the years ending December 31, 2022 and 2021.

NOTE 4 - NON-PARTICIPANT DIRECTED INVESTMENTS

Information about the investments and components of the changes in investments relating to the non-participant directed investments for the years ended December 31, 2022 and 2021 are as follows:

	December 31, 2022	December 31, 2021
Investments		
Money market funds	$ 11,126,578	$ 18,756,296
Common stocks	49,857,778	76,732,245

Total	$ 1,125,667,998	$ 1,256,070,730
Changes in Investments		
Net investment (loss) income	$ (105,711,925)	$ 137,515,431
Employer contributions	63,704,413	61,506,877
Benefits paid	(86,291,257)	(78,102,957)
Administrative expenses	(2,556,055)	(2,252,194)
Net (decrease) increase	$ (130,854,824)	$ 118,667,157

NOTE 5 - ALLOCATION OF NET ASSETS AVAILABLE FOR BENEFITS TO PARTICIPANTS

Net assets available for benefits allocated to Trustee directed individual participant accounts as of December 31, 2022 and December 31, 2021 were $1,130,905,232 and $1,261,003,054, respectively. The difference between these amounts and the amounts reported in the accompanying financial statements is principally the result of timing differences.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employers, and certain others. The Plan and certain other related Carpenters benefit funds are administered by the same management personnel and share the same office space as well as personnel and other administrative services. Also, the Plan holds shares of a Bank of America deposit account and a corporate bond. Bank of America is a service provider to the Plan and, therefore, these transactions and the Plan's payment of fees to Bank of America qualify as exempt party-in-interest transactions. In addition, the Plan has arrangements with service providers providing legal, actuary, audit, and tax services. These transactions are also exempt party-in-interest transactions under ERISA.

NOTE 7 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated July 17, 2020, that as then designed, the Plan and related trust are designed in accordance with Sections 401(a) and 501(a), respectively, of the Internal Revenue Code (the IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with all the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the statement of net assets available for benefits.

NOTE 9 - PLAN TERMINATION

The Board of Trustees, as administrator of the Plan, expects and believes that the Plan will continue without interruption. However, in the event of Plan termination, the Plan provides that the rights to benefits accrued to the date of termination of all affected participants, inactive participants and beneficiaries shall be non-forfeitable and the Plan assets will be allocated to pay all obligations of the Plan and to provide benefits to those eligible under the terms of the Plan and as otherwise required by law.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.
