INDEPENDENT AUDITOR'S REPORT

To the Publicis 401(k) Investment Committee of
Publicis Benefits Connection 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Publicis Benefits Connection 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company, the trustee of the Plan and a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

MITCHELL TITUS

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Publicis Benefits Connection 401(k) Plan (the Plan) provides general information about the Plan's provisions. Participants should refer to the Plan document and summary Plan description for more complete details on the Plan's provisions.

General

In January 2000, Leo Burnett U.S.A. Inc. and MacManus Group, Inc. merged to form Bcom3 Group, Inc. (Bcom3). Effective December 31, 2001, the Burnett Profit Sharing Plan merged into the MacManus Group Inc. 401(k) Plan, and sponsorship of the merged plan transferred to Bcom3 Management Corp. The merged plan was amended and restated as the Bcom3 401(k) Plan, effective January 1, 2002. On July 1, 2004, Plan sponsorship transferred to MMS USA Holdings, Inc. (formerly known as Philadelphia Merger Corp.; the Company). Effective January 1, 2005, the Company became the Plan Sponsor when the 401(k) plans of the 12 subsidiaries, including Bcom3, merged with the Bcom3 401(k) Plan. As a result, the Bcom3 401(k) Plan was amended and restated as the Plan.

The Freud and Williams-Labadie Plans merged into the Plan, effective June 17, 2009 and April 1, 2009, respectively. Effective December 31, 2008, Bromley Communications spun off from the Plan. The 401(k) plans formerly acquired by the Company's of Act Now, Resolute, and Razorfish merged into the Plan, effective December 31, 2011. Effective April 1, 2011, the Amazon Advertising LLC 401(k) Profit Sharing Plan and Trust merged into the Plan as a result of a corporate transaction.

Effective December 15, 2011, the Big Fuel Communication, LLC 401(k) Plan (Big Fuel Plan) was frozen, where Big Fuel Communication, LLC is a member of the Publicis Groupe controlled group. Effective January 1, 2012, the Big Fuel Plan merged into the Plan.

Effective December 31, 2011, the Schwartz Communications, Inc. 401(k) Retirement Plan (Schwartz Plan) was frozen, where Schwartz MSL LLC is a member of the Publicis Groupe controlled group. Effective January 1, 2012, the Schwartz Plan merged into the Plan.

Effective June 30, 2012, the Rosetta Marketing Group, LLC East 401(k) Plan (Rosetta Plan) was frozen, where Rosetta Marketing Group, LLC is a member of the Publicis Groupe controlled group. Effective July 1, 2012, the Rosetta Plan merged into the Plan.

Effective June 30, 2012, the LEVEL Studios, LLC 401(k) Plan (LEVEL Plan) was frozen, where LEVEL Studios, LLC is a member of the Publicis Groupe controlled group. Effective July 1, 2012, the LEVEL Plan merged into the Plan.

NOTE 1 DESCRIPTION OF THE PLAN *(continued)*

General *(continued)*

Effective December 31, 2012, the Bartle Bogle Hegarty Profit Sharing 401(k) Plan (BBH Plan) was frozen, where Bartle Bogle Hegarty (BBH) is a member of the Publicis Groupe controlled group. Effective December 31, 2012, the BBH Plan merged into the Plan.

Effective December 31, 2012, the AR Media, Inc. 401(k) Profit Sharing Plan (AR Plan) was frozen, where AR Media, Inc. became a member of the Publicis Groupe controlled group. Effective January 1, 2013, the AR Plan merged into the Plan.

Effective December 30, 2016, the Sapient Corporation 401(k) Plan, which is a part of the controlled group with the Plan Sponsor, merged into the Plan.

Effective October 13, 2017, any employee of Sapient Corporation who is an employee as a result of an assignment from a foreign affiliate, even if on the U.S. payroll, is not eligible to participate in the Plan.

The Plan, as amended, is a participant-directed, defined-contribution plan with elective employee participation on a pretax basis under Section 401(k) of the Internal Revenue Code (the Code). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan covers all employees of the Company and its subsidiaries in the U.S. The Plan's Administrative Committee is responsible for the Plan's general administration. Fidelity Management Trust Company (the Trustee) is the trustee of the Plan, with Fidelity Institutional Retirement Services Company as the record-keeper for the Plan.

Contributions

The Plan allows participants to make contributions via payroll deductions. Non-highly compensated employees may elect to make contributions from 0% up to 50% of the participant's compensation to the Plan, and highly compensated employees may elect to make contributions from 0% up to 15% of the participant's compensation to the Plan. Both contributions are subject to the Internal Revenue Service (IRS) maximum limitation, which was $20,500 in 2022 and $19,500 in 2021. The Plan also permits "catch-up" contributions for participants who are age 50 or older.

The Company provides matching contributions on behalf of each participant equal to 100% of the first 3% of compensation that a participant contributes as an elective pretax contribution and 50% of the next 2% of compensation that a participant contributes as an elective pretax contribution. The total matching contribution for a participant should not exceed 4% of his or her compensation for the Plan year.

NOTE 1 DESCRIPTION OF THE PLAN *(continued)*

Contributions *(continued)*

In addition, the Company's Board of Directors may determine by resolution to make a contribution to the Plan. Any such resolution will specify the amount of the contribution or a definite basis or formula by which the contribution can be determined with respect to each employee. Such employer discretionary contribution, if any, will be made solely at the discretion of the Company. There were no discretionary contributions made in 2022 and 2021 by the Company.

Participant Accounts

Each participant's account is credited with his or her contributions, the Company's matching contributions, and allocations of Plan earnings, which include a charge for the allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of creditable service. A participant is 100% vested after four years of creditable service.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances of terminated participant's non-vested accounts are used to reduce future Company contributions. Unallocated forfeiture balances as of December 31, 2022 and 2021 were $2,992,364 and $3,276,018, respectively, and forfeitures used to reduce Company contributions were $14,037,240 for 2022 and $22,302,921 for 2021.

Participant Loans

Active participants may borrow from their fund accounts a minimum of $1,000, up to a maximum amount equal to the lesser of $50,000, or 50%, of their account balance, whichever is less. The interest rate is based on the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years.

NOTE 1 DESCRIPTION OF THE PLAN *(continued)*

Payment of Benefits

Upon separation of service from the Company because of death, disability, retirement, or termination, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, rollover their vested balance into an individual retirement account or qualified employer plan, or leave the money in the Plan until a later date.

Hardship Withdrawals

Hardship withdrawals from the Plan are available for participants who can demonstrate an immediate financial need as set forth in the Plan document. The withdrawal must be a minimum of $1,000 and only one hardship withdrawal may be made during any 12-month period. Rollover contributions must be accessed first according to the order set forth in the Plan document.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided in the Plan's provisions. Administrative expenses paid by the Plan include record-keeping and Trustee fees. Expenses related to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. The Company pays for all other administrative expenses of the Plan.

Plan Termination

The Company anticipates the Plan to continue without interruption, but it reserves the right to terminate or freeze the Plan at any time. In the event that this occurs, all amounts not yet allocated to the participants' accounts will be allocated in accordance with the provisions of the Plan. The resultant participants' accounts then become fully vested. Should the Plan terminate, its assets will be completely distributed. If the Plan is frozen, the assets will be retained by the Plan for distribution at such time and in such manner as provided in the Plan document.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. Deemed distributions for the years ended December 31, 2022 and 2021 were $550,347 and $489,612, respectively.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*i.e.*, an exit price). See Note 4 for further discussion and disclosures of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (Codification or ASC) 820, *Fair Value Measurements and Disclosures,* assets and liabilities measured at fair value are categorized into the following fair value hierarchy:

Level 1: Based on unadjusted quoted prices for identical assets in an active market that the Plan may access at the measurement date.

Level 2: Based on quoted prices in inactive markets, quoted prices for similar assets and liabilities in active markets, and observable inputs for the assets or liabilities, either directly or indirectly, for substantially the full term of the asset or liability.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition *(continued)*

Level 3: Based on prices or valuation techniques that require unobservable inputs that are significant to the fair value measurement. These inputs reflect management's judgment about the assumptions that a market participant would use in pricing the investment and are based on the best available information, some of which may be internally developed.

NOTE 3 INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the years then ended, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by the Trustee of the Plan.

NOTE 4 FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*i.e*., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2: Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets;

NOTE 4 FAIR VALUE MEASUREMENTS *(continued)*

Level 2: *(continued)*

- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs for the asset or liability (*i.e.,* supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used for fair value measurements at December 31, 2022 and 2021. The valuation methodologies used for assets at fair value are described below.

Mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year end.

Self-directed brokerage accounts consist primarily of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Common/collective trust fund is valued at the NAV practical expedient per unit held by the Plan at year end as reported by the respective funds.

The preceding methods may produce a fair value calculation that may not indicate net realizable value or reflect future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 FAIR VALUE MEASUREMENTS *(continued)*

The following tables set forth, by level within the fair value hierarchy, the Plan's assets as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$1,096,299,566	$ -	$ -	$1,096,299,566
Self-directed brokerage accounts	43,047,141	-	-	43,047,141
	$1,139,346,707	$ -	$ -	1,139,346,707
Investments measured at NAV				
Common/collective trust fund[(a)]				2,402,090,614
Total assets, at fair value				$3,541,437,321

	Assets at Fair Value as of December 31, 2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$1,327,995,256	$ -	$ -	$1,327,995,256
Self-directed brokerage accounts	54,167,876	-	-	54,167,876
	$1,382,163,132	$ -	$ -	1,382,163,132
Investments measured at NAV				
Common/collective trust fund[(a)]				2,899,038,262
Total assets, at fair value				$4,281,201,394

[(a)] This category includes common/collective trust funds invested in diversified securities, including funds that adjust over time to meet changing risk and return objectives of investors saving for retirement. Participant-directed redemptions have no restrictions; however, withdrawals initiated by a Plan Sponsor will normally be provided at contract value as soon as practicable within 12 months following written notice to the Trustee. The fair values of these funds have been estimated using NAV per share, as a practical expedient. The common/collective funds have not been classified in the fair value hierarchy in accordance with ASC 820-10.

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term.

The changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 RELATED-PARTY TRANSACTIONS

The Plan holds units of common/collective trust funds and mutual funds managed by the Trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. During 2022 and 2021, fees paid by the Plan for Trustee fees amounted to $1,225,872 and $1,303,091, respectively.

NOTE 7 TAX STATUS

The Plan has been amended and restated, effective January 1, 2015, and has received a new determination letter from the IRS, dated January 2, 2016, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires the Plan's management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan's management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there were no uncertain tax positions taken or are expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31,	
	2022	**2021**
Net assets available for benefits per the financial statements	$3,580,042,786	$4,316,917,479
Contributions receivable	(11,748,306)	(10,393,041)
Net assets available for benefits per Form 5500	$3,568,294,480	$4,306,524,438

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 *(continued)*

The following is a reconciliation of the contributions per the financial statements to Form 5500 for the year ended December 31, 2022:

Contributions per the financial statements	$ 396,843,742
Less: Contributions receivable as of December 31, 2022	(11,748,306)
Add: Contributions receivable as of December 31, 2021	10,393,041
Contributions per Form 5500	$ 395,488,477

Contributions receivable are recorded in the financial statements for contributions that have been processed and approved for receipt prior to year end, but have not yet been contributed. Such contributions receivable are not reflected in the Form 5500.

NOTE 9 SUBSEQUENT EVENTS

Management evaluated subsequent events for the Plan through October 13, 2023, the date the financial statements were available for issuance. During that period, no additional events have taken place that are required to be recorded or disclosed in the financial statements.
