INDEPENDENT AUDITOR'S REPORT

Finance Director
National Football League Employee Reciprocal Flexible Benefits Plan
Mt. Laurel, New Jersey

Opinion

We have audited the accompanying financial statements of the National Football League Employee Reciprocal Flexible Benefits Plan – NFL Productions LLC (the "Plan"), which comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of March 31, 2023 and 2022, and the results of its changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held for investments as of March 31, 2023, and reportable transactions for the year ended March 31, 2023, together referred to as "supplemental information," are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements
March 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The NFL Employee Reciprocal Flexible Benefits Plan- NFL Productions LLC (the "Plan") prepared its financial statements on the accrual basis of accounting for the fiscal years ended March 31, 2023 and 2022. Contributions and interest are recognized when they become measurable and available to pay liabilities of the current period. Expenditures are recorded when the liability is incurred.

B. Investments

Investments consist of short-term government money market funds. These investments are valued at their respective net asset values ($1) as determined by those funds each business day. The underlying investments of the money market funds are valued at amortized cost, which approximates market value.

C. Expenses

The Plan's expenses are paid by either the Plan or the NFL Productions LLC ("NFL Productions") as provided by the Plan document.

D. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

2. DESCRIPTION OF PLAN

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan documents for more complete information.

2. DESCRIPTION OF PLAN (Continued)

A. General

The Plan provides various healthcare benefits for current and retired employees of NFL Productions and their dependents. The National Football League Employee Benefits Plan Committee and the Plan Administrator control and manage the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). All contributions are made to the agency account established at PNC Bank, N.A.

B. Benefits

The principal benefits provided under the Plan include medical, dental, vision, life, long term disability and accidental death and dismemberment benefits. All benefits are covered by insurance contracts maintained by the Plan. It is the present intention of NFL Productions and the Plan to continue obtaining insurance coverage for these benefits.

C. Eligibility

Substantially all full-time employees who regularly work 30 hours per week and enroll when first hired are eligible to participate in the Plan on their date of hire. Dependent coverage is also available to eligible employees. Retired employees under age 65 and their eligible dependents may elect to continue coverage in the Plan and others may continue to participate pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA).

D. Contributions

NFL Production's policy is to contribute the required premium amounts on a monthly basis.

3. PLAN QUALIFICATIONS AND TAX STATUS

The NFL Employee Benefits Committee believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code, with the exception of unrelated business income. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

3. PLAN QUALIFICATIONS AND TAX STATUS (Continued)

Accounting principles generally accepted in the United State of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taking jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to March 31, 2020.

4. BENEFIT OBLIGATIONS

Health costs incurred by participants and their beneficiaries and dependents are covered by insurance contracts maintained by the Plan. It is the present intention of the Sponsor and the Plan to continue obtaining insurance coverage for benefits. Insurance premiums for future years in respect of the Plan's postretirement benefit obligation will be funded by Sponsor contributions to the Plan in those later years.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements, such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The following are significant assumptions used to determine the postretirement benefit obligations as of March 31, 2023 and 2022.

Table ASC 715 discount rate	FTSE Pension Discount Curve spot rates as of March 31, 2023
Average retirement age rates	Various rates ranging from 10% at age 55 to 100% at age 70
Mortality rates	Aggregate base rates from the Pri-2012 mortality study projected generationally using Scale MP-2021
Disability rates	50% of the 1955 UAW Disability Table

4. BENEFIT OBLIGATIONS (Continued)

For measurement purposes, a 3.45 percent weighted-average annual rate of increase in the average per capita cost of covered health care benefits was assumed for 2023; the rate was assumed to increase gradually to 4.50 percent for 2033 and to remain at that level thereafter. These assumptions are consistent with those used to measure the benefit obligation at March 31, 2022.

The postretirement benefit obligation at March 31, 2023 and 2022, principally health benefits, relates to retirees and active participants (including their beneficiaries and dependents). The postretirement obligations as of March 31, 2023 and 2022 are $23,615,984 and $24,250,300, respectively. These amounts are recognized in the financial statements of the sponsor as required under FASB Accounting Standards Codification 715-60.

Changes in benefit obligations for the years ended March 31, 2023 and 2022 were as follows:

	2023	2022
Balance at beginning of year	$ 24,250,300	$ 26,102,050
Service and interest costs	1,171,268	1,043,924
Actuarial gain	(1,110,094)	(2,205,230)
Plan participant contributions	147,332	151,355
Benefits paid	(842,822)	(841,799)
Balance at end of year	$ 23,615,984	$ 24,250,300

5. CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at March 31, 2023 and 2022 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment. Claims incurred but not reported as of March 31, 2023 and 2022 are estimated to be approximately $387,628 and $390,339, respectively.

6. PLAN TERMINATION

The Plan may be amended at any time and in any manner by NFL Productions. While NFL Productions intends to continue the Plan indefinitely, it reserves the right at any time to terminate all or part of the Plan and cancel all or part of the coverage and benefits under the Plan for current and future employees or retirees. In no event shall NFL Productions cause any portion of the Plan's assets to be used for purposes other than for the exclusive benefit of participants and their beneficiaries (including payment of reasonable expenses for administering the Plan) nor may any portion of the Plan's assets become the property of NFL Productions.

7. FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820-10, *Fair Value Measurements and Disclosures* (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

7. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2023 and March 31, 2022.

Money market funds and equity securities: Valued at the closing price reported on the active market on which the individual securities are traded, and generally recognized as level 1 in the fair value hierarchy.

.

The methods described above may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different techniques or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There was no transfer of assets between level 1, 2 or 3 classification for the year then ended.

The Plan's investments recorded at fair value have been categorized based upon a fair value hierarchy as described in the above accounting policies. The following tables present information about the Plan's assets measured at fair value as of March 31, 2023 and March 31, 2022:

Assets at Fair Value as of March 31, 2023

	(Level 1)	(Level 2)	(Level 3)	Total Fair Value
Money Market Funds	$ 710,088	$ -	$ -	$ 710,088

Assets at Fair Value as of March 31, 2022

	(Level 1)	(Level 2)	(Level 3)	Total Fair Value
Money Market Funds	$ 347,500	$ -	$ -	$ 347,500

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling differences. The net assets available for benefits per the financial statements agree to net assets available for benefits per the Form 5500. Medical expenses paid per the financial statements also agree to medical expenses paid to participants per Form 5500.

9. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

PNC Bank, N.A. is the Custodian of the Plan and provides investment custody services to the Plan. Fees paid to PNC Bank, N.A. for these services for the years ended March 31, 2023 and 2022 were $700 and $700, respectively. Alight Solutions, Inc. administers the Plan and provides various administrative services to the Plan. Fees paid to Alight Solutions, Inc. for these services for the years ended March 31, 2023 and 2022 were $1,500 and $2,650, respectively. These transactions are party-in-interest transactions under ERISA.

10. SUBSEQUENT EVENTS

FASB Accounting Standards Codification ASC 855-10-50, *"Subsequent Events,"* require entities to evaluate events and transactions that occur after the statement of financial position date but before the date the financial statements are available to be issued. ASC 855-10-50 requires entities to recognize in the financial statements the effect of all events or transactions that provide additional evidence of conditions that existed at the statement of financial position date, including the estimates inherent in the financial preparation process.

Subsequent events that provide evidence about conditions that arose after the statement of financial position date should be disclosed if the financial statements would otherwise be misleading. The Plan has evaluated subsequent events through the date the financial statements were available to be issued on January 8, 2024, and determined there were no material transactions to disclose.
