INDEPENDENT AUDITOR'S REPORT

Board of Trustees
International Brotherhood of Electrical Workers
District No. 9 Pension Plan
1800 SW 1st Avenue, Suite 280
Portland, Oregon 97201

Members of the Board:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audits of the accompanying financial statements of International Brotherhood of Electrical Workers District No. 9 Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of March 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of March 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Board of Trustees
International Brotherhood of Electrical Workers
District No. 9 Pension Plan

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the International Brotherhood of Electrical Workers District No. 9 Pension Plan (the "Plan") provides only general information. Participants should refer to the Plan document and the Summary Plan Description for a more complete description of the Plan's provisions.

A. General

The Plan is a money purchase defined contribution pension plan. Pension contributions are made to the Plan pursuant to the terms of collective bargaining agreements between various International Brotherhood of Electrical Workers (IBEW) local unions within the IBEW 9th District as one party and employers under contract with the IBEW and other employers that are signatory to participation agreements with the Plan. Certain IBEW local unions and apprenticeship and training trust funds contribute to the Plan on behalf of their employees pursuant to the terms of participation agreements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

(a) Inception Date – March 1, 1968
(b) Board of Trustees – Trustees are bonded and serve without compensation except for reimbursed meeting expenses.
(c) Fidelity Bond – Travelers Casualty & Surety Company Policy No. 106510548, Term: July 1, 2022 to July 1, 2025 – Coverage Amount: $1,000,000.

B. Participant Accounts

Each Participant's account is credited with an allocation of the employer's contributions and Plan earnings. A Participant's account is reduced by general administration, recordkeeping, investment management fees and commission charges. Commission charges reduce the investment returns by a fraction of a percentage and these charges are not reflected on the Participant's account. The Participant statement only indicates the net return and the benefit to which a Participant is entitled as the benefit that can be provided from the Participant's account. Effective December 1, 2021, the participant fee decreased from $55 per year to $48 per year. An additional administrative expense is annually deducted from each Participant's account equal to 0.05% of their account balance, which remained unchanged in 2023 and 2022. 1/12th of the fees are deducted monthly. Assessed fees for the years ended March 31, 2023 and 2022 total approximately $2,023,000 and $2,336,000 respectively.

Participant accounts are credited with actual earnings on the underlying investments and charged for Plan withdrawals and administration expenses. Administration expenses include charges for legal fees, employer compliance audits, plan audit, contract administrator, fidelity bond and fiduciary liability insurance and other general administrative expenses.

In accordance with the Plan Document, deceased participants or beneficiary's unclaimed participant accounts are removed from the participant accounts and held in a forfeiture account until the participant account is claimed. The balance of the forfeiture account was approximately $16,300 and $169,400 as of March 31, 2023 and 2022, respectively.

C. Payment of Benefits

The Participant may receive retirement benefits in one or a combination of the following forms:

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

C. Payment of Benefits (Continued)

(a) Lifetime annuity payable over the life expectancy of the Participant.
(b) Installments over a stated period of time - 5, 10, 15 or 20 years - or the life of the annuitant, if later.
(c) A single sum payment or distribution.
(d) A qualified joint and survivor annuity with the annuitant limited to the Participant and surviving spouse.
(e) A flexible income option based on the Participant's life expectancy with any remaining balance upon death of the Participant payable to the Participant's beneficiary. The retired Participant maintains control of his or her account or accounts under the flexible income option.

D. Contributions

Employers contribute a pre-determined amount monthly to the Plan, pursuant to their collective bargaining and participation agreements for employees covered by these agreements. The Plan does not accept contributions from Participants, except for amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers). Minimum funding requirements have been met.

E. Reciprocal Payments

Contributions collected from employers, on behalf of employees that are participants in other electrical pension plans, are paid to the applicable pension plan under the terms of the IBEW Reciprocity Agreement.

The Plan also receives reciprocity payments from other pension plans on behalf of Plan participants working for employers under the terms of the IBEW Reciprocity Agreement. Reciprocity pension contributions receivable is included with contributions receivable from employers in the statements of net assets available for benefits.

F. Vesting

Participants are immediately vested at 100% for all contributions, rollovers and earnings.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Board of Trustees to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables represent the Plan's fair value hierarchy for its financial assets measured at fair value on recurring basis as of March 31:

	March 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 219,556,080	$ -	$ -	$ 219,556,080
Investments at Net Asset Value [A]				
Pooled Separate Accounts				507,801,966
Common/Collective Trusts				1,118,844,204
				$ 1,846,202,250

	March 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 217,252,602	$ -	$ -	$ 217,252,602
Investments at Net Asset Value [A]				
Pooled Separate Accounts				561,728,073
Common/Collective Trusts				1,167,837,804
				$ 1,946,818,479

[A] In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds that are actively traded on a national exchange. Common/collective trusts and pooled separate accounts are valued at net asset value. Shares can be redeemed any time at net asset value. There are no restrictions on redemptions, no unfunded commitments and each are direct filing entities.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Unrealized appreciation or depreciation in the fair value of investments is reported as net unrealized appreciation (depreciation) of investments. Investment income, realized gains and losses on sale of investments, and other investment income and expenses are reported on the accrual basis.

The Plan has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

D. Employer Contributions

Employer contributions as reported are contributions made by employers on behalf of employees for hours worked during the period. Employer contributions receivable is estimated based on contributions received subsequent to the end of the period. No allowance is provided for uncollectible accounts.

E. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

F. Payment of Benefits

Benefits are recorded when paid.

G. Subsequent Events

The Board of Trustees has evaluated subsequent events January 9, 2024, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIANS

The Board of Trustees has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at March 31, 2023 and 2022 and investment income (loss) for the years then ended that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Board of Trustees and certified as complete and accurate by the Principal Trust Company, the custodian of the Plan.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan is invested in an investment contract with the Principal Life Insurance Company (Principal). Principal maintains the contributions in guaranteed interest accounts. The accounts are credited with earnings on the underlying investments and charged for Participant withdrawals and

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed interest contracts are a Flexible Investment Annuity Group Contract (FIA) for defined contribution plans that offer a guaranteed interest amount that provides a guaranteed interest rate for a specified period of time as determined, or allowed, by the Plan. The rate credited is the rate in effect on the day when each deposit is directed to the account. To simplify reporting to plan participants, all rates credited during the 12-month "deposit year" are averaged into a single composite rate. The Plan chose the 12-month period for deposit year, which is the same as the Plan year. Expenses and guarantee periods are based on deposit years.

The guaranteed interest contracts promise contract value for a benefit event (termination, death, disability and retirement); however, there is a possible surrender charge when funds are withdrawn prior to their maturity. Thus, the guaranteed interest contracts are considered not fully benefit responsive. Fair market value is the amount participants would receive if they were to withdraw or transfer funds within the Plan prior to their maturity. Fair market value represents contract value adjusted to reflect current market interest rates, but only to the extent such market rates exceed crediting rates.

NOTE 5 - INCOME TAX STATUS

The trust was established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(a) of the Internal Revenue Code (the "Code") and accordingly, the trust's net investment income is exempt from federal income taxes. The Plan obtained its latest determination letter on May 29, 2015, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Board of Trustees believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PLAN TERMINATION

Although the Board of Trustees has not expressed any intent to do so, the Board of Trustees has the right to terminate the Plan at any time subject to the provisions of ERISA.

NOTE 7 - RISKS AND UNCERTAINTIES

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan maintains cash balances in repurchase agreement sweep funds in Wells Fargo Bank. Such balances are not insured by the Federal Deposit Insurance Corporation (FDIC). The Plan has not incurred any losses on the uninsured balances.

NOTE 8 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by the custodians; therefore, these transactions qualify as party-in-interest transactions.

The Plan utilizes an ERISA Budget account maintained by the custodians to pay administrative expenses. The balance of the ERISA Budget account included in Plan assets as of March 31, 2023 and 2022 were approximately $1,607,000 and $1,413,000, respectively.

NOTE 9 - PLAN AMENDMENT

On May 31, 2022, the Plan was amended to add owners of Sub-S corporations as eligible to participate in the Plan, based on their W-2 compensation and allow rollovers to the Plan from SIMPLE plan or IRAs.
