INDEPENDENT AUDITOR'S REPORT

August 12, 2024

To the Board of Trustees of the Local No. 41
International Brotherhood of Electrical Workers Annuity Fund:

Opinion

We have audited the accompanying financial statements of the Local No. 41 International Brotherhood of Electrical Workers Annuity Fund (the Fund), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of October 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Local No. 41 International Brotherhood of Electrical Workers Annuity Fund as of October 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Local No. 41 International Brotherhood of Electrical Workers Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule
Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of October 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

INDEPENDENT AUDITOR'S REPORT

August 12, 2024

To the Board of Trustees of the Local No. 41
International Brotherhood of Electrical Workers Annuity Fund:

Opinion

We have audited the accompanying financial statements of the Local No. 41 International Brotherhood of Electrical Workers Annuity Fund (the Fund), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of October 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Local No. 41 International Brotherhood of Electrical Workers Annuity Fund as of October 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Local No. 41 International Brotherhood of Electrical Workers Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule
Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of October 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Supplemental Schedule (Continued)
In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, ispresented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The Local No. 41 International Brotherhood of Electrical Workers Annuity Fund (the Fund) was formed under an agreement and declaration of trust executed August 10, 1966, and effective November 1, 1966, for the purpose of providing defined contribution pension benefits.

The following description of the Fund provides only general information. Participants should refer to the Plan Agreement and Declaration of Trust for a more complete description of the Fund's provisions.

General

The Fund is a defined contribution pension plan covering eligible participants working under the terms of a collective bargaining agreement (CBA), reciprocal agreement, or participation agreement requiring contributions to the Fund. The Fund is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for the oversight on the Fund.

A defined contribution plan is a plan which provides for an individual account for each participant and for benefits based solely on (1) the amount contributed to the participant's account plus (2) any income, expenses, gains and losses which may be earned/paid in the participant's account.

The Fund is a participant-directed plan within the meaning of Section 404(c) of the ERISA and Labor Regulation Section 2550.404c-1. The Trustees have entered into agreements with The Vanguard Group, Inc. (Vanguard) to administer the participant directed investments.

Contributions

Contributions are received from employers for eligible participants working under the terms of a CBA, reciprocal agreement, or participation agreement requiring contributions to the Fund at the negotiated rate per hour worked for covered participants.

Participant Accounts

Individual accounts are established at Vanguard for each participant. Contributions received on behalf of participants are forwarded to Vanguard on a monthly basis. The participants direct the investment decisions of their accounts.

Vesting

Participants are immediately vested in contributions plus actual earnings/(losses) of their account balances.

Benefits

Benefits from the Fund are paid for retirement, disability, severance, or death. A participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account or a flexible and partial lump sum, a normal annuity, a temporary annuity option or roll the benefits into an IRA rollover account. The amount of severance benefits that may be elected is $250, $500 or $750 per week. These options are subject to the specific provisions of the Fund.

1. DESCRIPTION OF THE PLAN (Continued)

Plan Termination

Although it has not expressed any intent to do so, the Fund has the right under the plan to terminate the plan at any time, subject to the provisions of ERISA. In the event of plan termination, the interest of each participant in the plan will be distributed to such participant or their beneficiary. Any unallocated assets shall be allocated to participant accounts and distributed in such a manner as the Trustees may determine. The rights of all participants to benefits accrued to the date of termination, to the extent then funded, shall be nonforfeitable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash

The Fund maintains its cash in a bank deposit account which, at times, may exceed federally insured limits. The Fund has not experienced any losses in such account, and believes it is not exposed to any significant credit risk on cash. There were no amounts exceeding the federally insured limits at October 31, 2023 and 2022.

Office Equipment

Office equipment is recorded at cost. Depreciation is provided on the straight-line method over the estimated useful lives of the respective assets. The useful lives of assets range from three to seven years. Depreciation expense totaled $9,411 for the years ended October 31, 2023 and 2022.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation/(depreciation) in fair value investments includes the Fund's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits payments are recorded when paid.

Employer and Reciprocal Contributions

Employer and reciprocal contributions receivable represent contributions from employers and other local unions pursuant to reciprocal agreements based on the hours worked but not received by year-end. Employer and reciprocal contributions receivable had been collected in full by the Plan subsequent to the respective year-end. Therefore, no allowance for uncollectible contributions receivable is required.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reciprocity Receipts and Payments

The Fund is subject to reciprocity agreements with other union defined contribution plans. Contributions are collected by other union defined contribution plans and remitted to the Fund. The balance due to the Fund at year end is included in contractor contributions receivable at October 31, 2023 and 2022. Contributions are collected by the Fund on behalf of other union defined contribution plans and remitted to them. The contributions due to other union defined contribution plans are included in reciprocity payable at October 31, 2023 and 2022.

Tax Status

The Internal Revenue Service has determined and informed the Fund by a letter dated May 21, 2015 that the Fund is qualified and the trust is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Fund has been amended since receiving the determination letter, the Fund Administrator believes that the Fund is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Fund is qualified, and the related trust is tax exempt.

Risk and Uncertainties

Participant accounts are invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Recently Adopted Accounting Guidance – Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Codification (ASC) 842, Leases, to increase transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases. The Fund adopted the standard effective November 1, 2022 using the modified retrospective approach and comparative financial information has not been restated. In addition, lease disclosures for the year ended October 31, 2023 are made under prior lease guidance in FASB ASC 840. There was no effect on total net assets as a result of adopting this ASU.

3. RELATED PARTY TRANSACTIONS

Administration Expense

Employees of the related Local No. 41 International Brotherhood of Electrical Workers Health Fund perform various administrative and clerical functions for the Fund. These expenses are allocated periodically based on management estimates. The Fund paid administrative expenses of $83,400 and $82,800 for the years ended October 31, 2023 and 2022, respectively, for these services.

Commitment

The Fund occupies office space under a year-to-year lease with a related party, Local No. 41 International Brotherhood of Electrical Workers Building Corporation. The annual rent totaled $8,151 and $12,002 for the years ended October 31, 2023 and 2022, respectively.

4. PARTY IN INTERST TRANSACTIONS

Vanguard Fiduciary Trust Company
The Fund invests in shares of mutual funds managed by an affiliate of Vanguard Fiduciary Trust Company (VFTC). VFTC acts as trustee for those investments. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Investment gains on assets managed by Vanguard during the year ended October 31, 2023 amounted to $5,475,246. Investment losses on assets managed by Vanguard during the year ended October 31, 2022 amounted to $18,592,820.

Manning & Napier Advisors, Inc.
The Fund also has a holding in a mutual fund which is managed by Manning & Napier Advisors, Inc., the Fund's investment advisor. Transactions in this fund are considered party in interest transactions under ERISA. Investment gains on assets managed by Manning & Napier Advisors, Inc. during the year ended October 31, 2023 amounted to $35,392. Investment losses on assets managed by Manning & Napier during the year ended October 31, 2022 amounted to $169,680.

5. OFFICE EQUIPMENT

The following is a summary of office equipment as of October 31, 2023 and 2022:

	2023	2022
Office furniture and equipment	$ 5,044	$ 5,044
Computer hardware & software	53,168	53,168
	58,212	58,212
Less: Accumulated depreciation	(51,361)	(41,950)
Office equipment, net	$ 6,851	$ 16,262

6. FAIR VALUE MEASUREMENTS

The Fund's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Fund believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 assumptions rely on quoted prices for similar, but not identical assets, and Level 3 inputs have the lowest priority. The Fund uses appropriate valuation techniques based on the available inputs to measure the fair value of investments. When available, the Fund measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

6. FAIR VALUE MEASUREMENTS (Continued)

Shares of registered investment companies (mutual funds), which consist of Vanguard investments, are valued at quoted prices in active markets for identical assets and have the highest priority.

The common collective trust, which consists of the Vanguard Retirement Savings Trust III, is a stable value collective investment trust, which invests solely in a Master Trust whose underlying investments are primarily in a pool of investment contracts issued by insurance companies, banks or other financial institutions. The investment is valued at net asset value (NAV) per unit. Vanguard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There were no unfunded commitments as of issuance.

The following table sets forth by level, within the fair value hierarchy, the Fund's assets at fair values as of October 31, 2023 and 2022:

		Fair Value Measurements at Reporting Date Using:
