Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the RadiFi Federal Credit Union 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements compromise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by the bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Trustees of the
RadiFi Federal Credit Union
401(K) Retirement Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RadiFi Federal Credit Union 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the RadiFi Federal Credit Union 401(k) Retirement Plan's ability to continues as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusions, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosure in the financial statements.
- Obtain and understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the RadiFi Federal Credit Union 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the RadiFi Federal Credit Union 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion on whether the financial statements as a whole as presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule "Schedule H, Line 4i - Schedule of Assets (Held at End of Year)", are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other that that agreed to or derived from the certified investment information, has been subjected to auditing procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

To the Plan Trustees of the
RadiFi Federal Credit Union
401(K) Retirement Plan
September 27, 2024

For information included in the supplemental schedules that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RADIFI FEDERAL CREDIT UNION
401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the RadiFi Federal Credit Union 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the RadiFi Federal Credit Union (the Credit Union), who are at least 18 years of age. The Plan maintains a minimum 60-day service requirement for employee elective deferrals and matching contributions, and one year of service for employees to become eligible to receive Credit Union profit sharing contributions. The Plan Trustees are responsible for oversight of the Plan. The Plan's 401(k) Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Trustees. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan utilizes a "safe harbor" design under Internal Revenue Service ("IRS") 401(k) plan regulations in which employee pre-tax and employer matching contributions are not subject to discrimination testing. Participants may make salary deferred contributions (pre-tax) of their annual compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Credit Union may make discretionary profit sharing and matching contributions which are not limited to current or accumulated net profit.

Participant Accounts

Each participant's account is increased by the participant's contributions and allocation of (a) the Credit Union's contributions and (b) Plan earnings, and reduced by distributions and the allocation of administrative expenses. Allocations are based on participants' earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Credit Union's discretionary profit sharing and matching contribution portions of their account plus actual earnings thereon is based on years of service with the Credit Union as represented in the vesting schedule below.

Years of Service	Vesting Percantage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable From Participants
Participants may borrow from their account a minimum of $1,000 up to a maximum of $50,000, subject to certain limitations. Loan terms may not exceed a maximum of 5 years unless used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest ranging from 4.25% to 9.50%. Principal and interest payments are paid by payroll deductions.

Payment of Benefits
Upon retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum amount equal to his or her account, or an annuity. A lump-sum distribution is required if a participant's vested balance is $1,000 or less, or if the beneficiary of the death benefit is not the spouse of the participant. In addition, the participant may elect to receive the lump-sum distribution directly or rollover the distribution to another qualified retirement plan or to an IRA.

Forfeited Accounts
Forfeitures attributable to Credit Union discretionary contributions are used to pay Plan expenses or are allocated to each eligible participant's account as directed by the Plan's management. As of December 31, 2023 and 2022, the Plan maintained forfeitures attributable to Credit Union discretionary contributions of approximately $1,200 and $100, respectively. New forfeitures during the year ended December 31, 2023 were approximately $5,400, and $4,500 was used to pay plan expenses.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The Plan's 2023 financial statements have been prepared on the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make use of estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred.

No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefits are recorded when paid.

Expenses
Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events
The Plan has evaluated subsequent events through September 27, 2024, the date the financial statements were available to be issued.

Accounting Standards Adopted in 2023
On January 1, 2023, the Plan adopted FASB ASU 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended, which modifies the measurement of expected credit losses on certain financial instruments held by the Plan that are measured at amortized cost, such as loan receivables. Prior to January 1, 2023, the allowance for losses on such assets was determined based on management's estimate of probable incurred losses.

On January 1, 2023, the Plan adopted FASB ASU 2022-2, *Financing Instruments—Credit Losses (Topic 326): Troubled Debt Restructurings and Vintage Disclosures*, which requires entities to apply the loan refinancing and restructuring guidance to determine whether a modification results in a new loan or a continuation of an existing loan. Expected credit losses would be recorded in the allowance for credit losses.

As no allowance for credit losses has been recorded, the adoption of these standards did not have any impact on the Plan's consolidated financial statements but did change how the allowance for credit losses would be determined, if applicable.

NOTE 3: INVESTMENTS

The following table reflects the fair value of individual investments that represent 5% or more of the Plan's net assets:

	As of December 31,	
	2023	**2022**
Pooled seperate account	$ 7,357,838	$ 9,710,758
Investment insurance contracts	$ 319,456	$ 340,216
Total investments at fair value	$ 7,677,294	$ 10,050,974

During 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) increased in value by $1,299,065.

NOTE 4: FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 - Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 - Inputs consist of observable inputs other than quoted prices for identical assets (Level 1).

Level 3 - Inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Pooled separate account and insurance contracts

The pooled separate account is valued at the value of the underlying securities held by the Plan at year end. The fair value of the investment insurance contract is the contract value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Pooled seperate account	$ -	$ 7,357,838	$ -	$ 7,357,838
Investment insurance contracts	-	319,456	-	319,456
	$ -	$ 7,677,294	$ -	$ 7,677,294

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Pooled seperate account	$ -	$ 9,710,758	$ -	$ 9,710,758
Investment insurance contracts	-	340,216	-	340,216
	$ -	$ 10,050,974	$ -	$ 10,050,974

The pooled separate account is a segregated investment account divided into sub-accounts which invest in numerous underlying funds. The investment objective of the Plan's sub-account corresponds to the investment objective of the underlying funds.

The investment insurance contract is a stable value option contract with unallocated funds that seeks to provide maximum return consistent with a guarantee of principal. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and there is no set maturity.

NOTE 5: PLAN TERMINATION

Although management has not expressed any intent to do so, management has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all accounts.

NOTE 6: TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Credit Union by a letter dated June 30, 2020, that the Plan documents adopted by the Plan are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan is designed and currently operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress.

NOTE 7: INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodians, Transamerica Life Insurance Company (Transamerica), have supplied the Plan Administrator with a certification as to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022 and the related investment activity and interest income on notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, Note 3, and the supplemental Schedule H, line 4I-Schedule of Assets (Held at End of Year) as of December 31, 2023.

The information obtained from the Plan Administrators was not audited by independent public accountants, except for comparing such information to the related information included in the financial statements and supplemental schedule, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 8: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Transamerica. Transamerica is the custodian as defined by the Plan, and therefore, transactions in these investments qualify as party-in-interest transactions as defined by ERISA. Fees paid by the Plan for certain administrative services amounted to approximately $26,000 for the year ended December 31, 2023.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of differences between the net assets available for benefits and the Form 5500:

	As of December 31,	
	2023	**2022**
Net assets available for benefits from the financial statements	$ 7,890,074	$ 10,257,727
Less employer contributions receivable at year end	-	-
Net assets available for benefit from the Form 5500	$ 7,890,074	$ 10,257,727

The following is a reconciliation of the 2023 net increase in net assets available for benefits as show in the financial statements to the Form 5500:

	For the Year Ended December 31, 2023
Net increase in net assets available for benefits from the financial statements	$ (2,367,653)
Change in employer contributions receivable at year end	-
Net increase in net assets available for benefits from the Form 5500	$ (2,367,653)
