INDEPENDENT AUDITOR'S REPORT

To
the Plan Administrator and Participants
Able Health Care Services, Inc. Employee Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Able Health Care Services, Inc. Employee Retirement Plan (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Able Health Care Services, Inc 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Able Health Care Services, Inc Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Able Health Care Services, Inc Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Tel: 516.663.5990 Fax: 516.663.5996
www.kkmehtacpa.com e-mail: brian@kkmcpa.com

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Able Health Care Services, Inc Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Able Health Care Services, Inc Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ABLE HEALTH CARE SERVICES INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2023 and 2022

1. DESCRIPTION OF PLAN:

The following brief description of the Able Health Care Services, Inc. (the "Company") Employee Retirement Plan (the "Plan") provides only general information about the Plan provisions. Participants should refer to the plan agreement for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor..

General

The Plan is a defined contrbution plan covering all full-time, non-union employees of the company who have met certain requirements as to age, length, and location of service. The assets of the plan are maintained in trust managed by Principal Trust Company (the "Trustee"). The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and was established effective January 1, 2018.

Eligibility:

Employees are eligible to participate in the plan if they are employed by Able Healthcare Servies, Inc or any affiliate who has adopted the Plan. Employees will become a participant with respect to pension contrbutions on the date employees first perform an Hour of Service as an Eligible Employee.

Retirement Contributions:

The company will make a Pension contribution to the plan on the behalf of Participants. Contrbutions to the plan will be allocated in an amount necessary to meet the company's requirements under an applicable prevailing wage statute. The prevailing wage contributions are allocated to Participants based on their type of employment and place of employment, among other factors..

Limitations:

Congress limits the annual dollar amount that can be contrbutied to the plan on behalf of participant. For 2023, the limit was $66,000. In addition, contributions cannot exceed 100% of participant total compensation.

Retirement Benefits:

Employees are entitled to receive distribution equal to his or her account balance beginning at the normal retirement age (age 65). The plan does not have an early retirement feature. A vested

participant who terminates employment prior to attaining normal retirement age is entitled to receive a distribution equal to his or her account balance.

Employees who are entitled to receive benefit due to normal age or termination will be distributed their account balance in the form of 100% "Qualified Joint and Survivoe Annuity" unless employees account balance does not exceed $ 5,000. Employees upon their termination may elect to receive their distribution in the form of lump sum payment.

If the account balance doesn't exceed $1000, the participant will be distributed directly in cash upon termination of employment with the company. Likewise upon termination, if the account balance is more than $1000 but less than $5,000, the participant may either elect to receive distribution in cash or to roll over the distribution to an individual retirement account (IRA) or the qualified plan of new employer (but only if new employer's plan allows such rollovers.

If the participant die before distribution of their Account begins, at least 50% of account balances will be automatically be applied to the purchase of a survivor annuity for the beneficiary and for another 50%, the beneficiary will be entitled to a distribution in any form that is available prior to participant death. If the participant die after distribution of Account balance has begun, the remaining portion of participant Account will continue to be distributed under the method of distribution being used prior to death.

Vesting:

Participants are always fully (100%) vested in their pension contribution account and rollover contribution account plus actual earnings thereon.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements of the plan are prepared in compliance with the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA and accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP and DOL's Rules and Regulations for Reporting and Disclosure under ERISA requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities,bebefit obligations, and changes therein at the date of the financial statements, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Income Recognition

Purchases and sales of securities are recorded on the trade date. Dividend income is recorded on the ex-dividend date and interest income is recorded on an accrual basis. Realized gains and losses are calulcated as the difference between the proceeds from sales and the realted investment's fair market value at the beginning of the plan year, or acquisition cost if acquired during the year. Unrealized appreciation and depreciation is calculated as the difference between the fair value of investments at the end of the year less their fair value at the beginning of the year, or acquisition cost, if acquired during the year.

Payments of Benefis

Benefit payments to participants are recorded when paid.

Administrative Expenses

The plan pays adminsitartive expenses that consist primarly of administrative fees paid to third-party claims administrators, the trustee, and actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the company on behalf of the plan.

3. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Common collective trusts: Investments in common/collective trusts are stated at the redemption prices based on the fair value of the underlying assets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to dtermine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2022 and 2021 :

	Assets at Fair Value as of December 31, 2023

Principal LifeTime Hybrid 2045 CIT Z65	178,371.33	6.90%
Principal LifeTime Hybrid 2050 CIT Z65	159,599.45	6.17%

During 2023, the plan's investment (including gains and losses on investment bought and sold, as well as held during the year) appreciated by $395,836.

5. CONCENTRATION OF CREDIT RISK

In the normal course of business, all of the Plan's assets are transacted with and held by the Trustee. The plan is subject to credit risk to the extend the Trustee is unable to fufill contractual obligations on its behalf. The company has not experienced and does not expect any loss from this arrangement.

The plan invests in various investments types. Those investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain nutual funds, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

6. PLAN TERMINATION:

Although the company intends to maintain the Plan indefinitely, the company may amend or terminate the Plan at any time in its sole discretion to the provisions of ERISA. If any of these actions is taken, particpant will be notified. However, no such action may permit any part of Plan assets to be used for any purpose other than the exculsive benefit of participants and beneficiaries or cause any reduction in participant vested Account balance as of the date of the amendment or termination. In the event of Plan termination, participants will become 100 percent vested in their accounts.

7. TAX STATUS

The underlying nonstandard prototype plan has received an opinion letter from Internal Revenue Service (IRS) dated March 31, 2014, stating that the form of the plan is qualified under section 401 (a) of the code and, therefore, the related trust is tax-expempt. In accordance with Revenue

procedures 2006-6, the plan sponsor has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the plan is required to operate in conformity with the code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the code and, therefore, believes that the plan is qualified and the realted trust is non-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liablity if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine auidts by tax jurisdictions; however, there are currently no audits for any tax periods in progress

8. PARTY-IN-INTEREST

The assets of the plan are invested with and valued by the Trustee, which is considered a party-in-interest as a provider of, administrative investment management and accounting services to the funds. These transactiosn are exempt from the prohibited transaction rules.

9. INFORMATION PREPARED AND PROVIDED BY TRUSTEE AND/OR PLAN ADMINISTRATOR:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL'S Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by the Trustee as of December 31, 2023 and for the year then ended December 31, 2022.
