INDEPENDENT AUDITORS' REPORT

Opinion
We have audited the financial statements of The Cogar Group, LTD Health & Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statement of plan benefit obligations as of December 31, 2023, and the related statement of changes in net assets and changes in plan benefit obligations for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan obligations of The Cogar Group, LTD Health & Welfare Plan as of December 31, 2023, and the changes in net assets available for benefits and changes in plan benefit obligations for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Cogar Group, LTD Health & Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Cogar Group, LTD Health & Welfare Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Phone: 650-573-8007 • Fax: 650-573-0874
Email: CPA@Ineich.com • www.Ineich.com

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Cogar Group, LTD Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Cogar Group, LTD Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – 2022 Net Assets Available for Benefits
The accompanying 2022 statement of net assets available for benefits was compiled by us. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the statement of net assets available for benefits. Accordingly, we do not express an opinion or provide any assurance about whether the statement of net assets available is in accordance with the accounting principles generally accepted in the United States.

THE COGAR GROUP, LTD
HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2023

NOTE 1 - Description of the Plan

The following description of The Cogar Group, LTD Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

The Plan and Trust were established July 1st, 2022 to provide health and other benefits to eligible participants. The sponsoring employer, The Cogar Group, LTD has agreed in writing to be bound by the terms and conditions of the Trust Agreement establishing the Plan. The Plan is an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides medical, dental, vision, prescription drug coverage, short-term disability benefits, life and accidental death and dismemberment, and supplemental accident benefits for eligible participants and their dependents. The Plan provides most of these benefits through contracts with third party insurance companies' contracts and on a self-funded basis. The Plan carries a stop-loss insurance policy, which covers both specific and aggregate claims in excess of the deductibles as specified in the contract.

Employees are eligible to participant in the Plan on the first day of the month following one month of continuous employment. Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at the midnight on the last day of the month in which eligibility cease.

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan Sponsor or Plan Administrator to the other at least 60 days prior to the anniversary date of effective coverage under this Plan.

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2 - Summary of Significant Accounting Policies

Accounting Method

The accounts of the Plan are maintained on an accrual basis of accounting for financial reporting purposes.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions Receivable

Employer contributions due but not paid at year-end are recorded as contributions receivable. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Employer Contributions

Employer contributions are recognized as income in the month the employees worked.

Benefits

Benefits expense is recorded when paid. Hours worked through December provide participants with benefits eligibility through December. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases.

Benefit Claims Payable

The obligation for benefit claims payable is an estimate for self-funded benefits incurred on or prior to December 31, but paid after December 31. The estimate was calculated based on a review of actual claims paid subsequent to year-end, with incurred and received dates of December 31, and prior.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Benefit Claims Incurred, But Not Reported

The obligation for benefit claims, incurred but not reported is an estimate for self-funded benefits incurred on or prior to December 31, but reported to and paid by the Plan after December 31. The estimate was calculated using available claims experience data and projected future claims.

Subsequent Events

In preparing the financial statements as of December 31, 2023, management considered the impact of subsequent events occurring through October 7, 2024 the date the financial statements were available to be issued, for potential recognition or disclosure in these financial statements.

NOTE 3 - Excess Loss Indemnity Policy

The Plan has entered into excess loss insurance arrangements in an effort to limit its exposure for self-insured benefits. The Plan maintained insurance policies with Fidelity Security Life Insurance Company during the year ended December 31, 2023. The policy contains two excess loss provisions. The first of which applies to individual participant claims, whereby when the claims paid on behalf of an eligible participant or dependent exceeds $100,000, during a policy year, respectively, the insurance carrier will reimburse the plan for 100% of the excess. The second provision involves aggregate plan claims, whereby when the total aggregate claims paid on behalf of all eligible participants or dependents exceed a specified amount based on the number of eligible participants and rate factors ("funding factor"), the insurance carrier will reimburse the Plan 100% of the excess up to a maximum aggregate amount of $1,000,000, less the amount reimbursed for individuals under the specific individual policy noted above. The insurance company is responsible for funding claims incurred in excess of the funding factor.

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative only arrangements. The claims processor pay claims directly to or on behalf of participants which are funded by the Plan up to the funding factor and thereafter by the excess loss carrier as noted above. Despite the Plan's utilization of their-party claims processors, ultimate responsibility of payments to providers and participants is retained by the Plan.

NOTE 4 - Party-In-Interest Transactions

FCE Benefit Administrators, Inc. receives commissions and reimbursement of administrative fees from the Plan's insurance carriers of approximately $26,848 for December 31, 2023. The insurance commissions and fees are paid by the insurance company and are not an expense of the Plan.

NOTE 5 - Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes, and is currently subject to income tax on its net investment income. The Trustee believes that the Trust does not have any net taxable income for the tax year ended December 31, 2023 and, therefore, no tax liability is reflected in these financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the Internal Revenue Service and California Franchise Tax Board. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
