Independent Auditor's Report

To The Trustees of
Keystone/Kemlon Health Care Trust

Opinion

We have audited the accompanying financial statements of Keystone/Kemlon Health Care Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of April 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended April 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Keystone/Kemlon Health Care Trust as of April 30, 2024 and 2023, and the changes in its net assets available for benefits for the year ended April 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Keystone/Kemlon Health Care Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keystone/Kemlon Health Care Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Keystone/Kemlon Health Care Trust's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Keystone/Kemlon Health Care Trust's ability to continue as a going concern for a reasonable period of time.**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A – DESCRIPTION OF PLAN

The following description of the Keystone/Kemlon Health Care Trust (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the plan Sponsor.

General : **The Plan is set up under and subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The mission of the Plan is to provide health care benefits for its participants who are comprised of the employees of Kemlon Products and Development Group, Inc. and Keystone Engineering Group, Inc., (the Sponsor), who have completed three months of continuous service and have elected to enroll in one of the health care plans offered by the Plan.**

Benefits : **The Plan offers participant-only medical insurance that is subsidized by the Sponsor. For participants with dependent coverage needs or wishing a lower deductible medical plan, additional medical insurance options are available but at a higher cost to the participants. The Plan combines these additional medical insurance options with the Plan's short-term disability plan which provides a supplemental income benefit equal to 60% of a participant's weekly earnings up to a maximum of $500 for a period not to exceed 26 weeks. The premiums for the short-term disability plan are paid by the eligible participants.**

Other benefits made available by the Plan include life insurance and dental insurance. All participants receive life insurance ($10,000 benefit) at the Sponsor's cost. Each participant may also elect additional life insurance ($100,000 or $150,000 benefit) at his or her own cost. The Plan also provides continuation of certain benefits to participants upon termination of employment with the Sponsor through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-insured Benefits : **Disability claims are processed and paid directly by the Plan, and the Plan intends to continue on a self-insured basis.**

Contributions : **In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of dental, disability, and voluntary life coverage as well as the cost of any medical coverage premium in excess of the Sponsor's portion. Participant contributions are made via payroll deductions. The Sponsor covers costs of the Plan in excess of the participants' contributions. The Sponsor contributes a discretionary amount to the Plan. The Plan pays premiums to BlueCross BlueShield of Texas. Participant contributions are based on the cost of coverage elected less amounts contributed by the employer.**

Administrative Expenses : **The Plan incurs and pays various administrative costs including accounting fees and other costs associated with auditing and filing the Plan's required regulatory reports. The Trustee receives no compensation for his services.**

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates: **The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.**

Payment of Benefits: **Premiums paid by either the Sponsor or the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Short-term disability payments are paid by the Plan and are recorded as claims paid in the financial statements.**

Investment Valuation and Income Recognition: **Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note C for discussion of fair value measurements.**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events: **Management has evaluated subsequent events for the Plan through February 14, 2025, the date the financial statements were available to be issued and is not aware of any material events that would impact the normal operations of the Plan.**

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 **Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.**

Level 2 **Inputs to the valuation methodology include**

- **quoted prices for similar assets or liabilities in active markets;**
- **quoted prices for identical or similar assets or liabilities in inactive markets;**
- **inputs other than quoted prices that are observable for the asset or liability;**
- **inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE C – FAIR VALUE MEASUREMENTS (continued)

Level 3 **Inputs to the valuation methodology are unobservable and significant to the fair value measurement.**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2024 and 2023.

Common stock: **Valued at the closing price reported in the active market in which the individual security is traded.**

Mutual funds: **Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at April 30 (year-end).**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of April 30, 2024 and 2023.

	Assets at Fair Value as of April 30, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 222,913	$ -	$ -	$ 222,913
Common stock	18,929	-	-	18,929
Total assets at fair value	$ 241,842	$ -	$ -	$ 241,842

	Assets at Fair Value as of April 30, 2023

Mutual funds	$ 210,441	$ -	$ -	$ 210,441
Common stock	18,096	-	-	18,096
Total assets at fair value	$ 228,537	$ -	$ -	$ 228,537

NOTE D – TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC), and, accordingly, the trust's net investment income is exempt from income taxes. The Sponsor has obtained a favorable tax determination letter from the IRS dated November 24, 1981. The Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The trust has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

NOTE D – TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of April 30, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E – TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants.

NOTE F – CONCENTRATIONS OF RISK

The Plan maintains cash balances in the form of checking accounts with a single federally insured banking institution. From time to time, the Plan's accumulated cash balances at this institution may exceed the Federal Deposit Insurance Corporation's (FDIC) insured limits. As of April 30, 2024 the Plan's total cash balances at this institution were $1,879,942 in excess of the FDIC limit of $250,000. The Plan's trustee actively monitors the financial condition of the Plan's banking institutions, and to date, the Plan has not experienced any losses in these accounts.

NOTE G – TRANSACTIONS WITH PARTIES IN INTEREST

Kemlon Products & Development Co. provides to the Plan certain accounting and administrative services for which no fees are charged.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
