INDEPENDENT AUDITOR'S REPORT

March 7, 2025

To the Trustees
403(b) Thrift Plan of Hospice of Santa Cruz County
Scotts Valley, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of 403(b) Thrift Plan of Hospice of Santa Cruz County (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Mutual of America Life Insurance Company, as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we

have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets Held at End of Year as of or for the year ended June 30, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan

The following description of the 403(b) Thrift Plan of Hospice of Santa Cruz County (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General The Plan is a participant directed defined contribution plan covering all employees of Hospice of Santa Cruz County (the Plan Sponsor). Effective January 1, 2009, IRS regulations required the Plan Sponsor to adopt a written Plan document. Employees are eligible to enter the Plan on their date of hire. The Plan provides for automatic enrollment on the date a participant becomes eligible to participate in the Plan. The automatic salary deferral contribution is 3% of an eligible participant's compensation, unless the participant requests a different amount to be contributed or formally declines participation. All employees who are over age 18 and eligible for salary deferral contributions are eligible to participate in employer discretionary matching and employer base contributions. Employees must complete 1,000 hours of service during the Plan year and be an employee on the last day of the Plan year to receive employer base contributions. During the year ended June 30, 2024 and 2023, the Plan Sponsor made employer discretionary matching contributions of 15% of eligible participant's salary deferral contributions. No employer base contributions were made to the Plan during the years ended June 30, 2024 and 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Contributions Eligible employees of the Plan Sponsor may elect to contribute up to the applicable limits allowed under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor may elect to make matching contributions and additional discretionary contributions that are not to exceed limits as defined by Internal Revenue Code.

Participant Accounts Each active participant's account is credited with the participant's contribution and allocation of (a) the Plan Sponsor' contribution, (b) plan earnings, and charged with an allocation of administrative expenses and (c) any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Group Annuity Loans Mutual of America Life Insurance Company accounts for notes receivable from participants as group annuity loans. For a group annuity loan, the amount borrowed plus a loan reserve (20% of the loan amount) is secured against the interest accumulation account held with Mutual of America Life Insurance Company. The funds are not deducted from the participant's account balance, instead loan proceeds come from Mutual of America Life Insurance Company's general assets. Principal repayments are applied to reduce the amount secured by assets held in the interest accumulation account, and a portion of the interest paid by the participant is retained by Mutual of America Life Insurance Company as compensation. The interest rate is variable and subject to change at the beginning of each quarter. As of June 30, 2024 and 2023, Mutual of America Life Insurance Company has loaned $56,009 and $70,784 to participants, respectively.

Payment of Benefits On termination of service, death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of his or her account or rollover to another qualified plan. A participant may elect an in-service withdrawal or hardship distribution prior to his or her separation from service in accordance with the hardship distribution policy.

Note 1 Description of the Plan (Continued)

Investment Options Upon enrollment in the Plan, a participant may direct contributions into numerous investment choices offered by Mutual of America Life Insurance Company. Participants may change their investment options through written request through the Plan Sponsor or via the internet.

Administrative Expenses Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements and are not considered material. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation in fair value of investments.

Vesting Participants are immediately vested in their salary deferral contributions and employer base contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested in employer discretionary matching contributions after five years of credited service. A participant is also 100% vested at date of death, disability, or attaining the Plan's normal retirement age of 65.

Forfeitures The Plan allocates participant forfeitures, if any, to reduce employer matching contributions or pay for Plan expenses for the Plan year in which the forfeiture occurs. There were $12,204 and $19,010 of forfeitures used to offset employer contributions for the year ended June 30, 2024 and 2023, respectively. There were no forfeitures held at June 30, 2024.

Secure 2.0 Act On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as Secure 2.0. These provisions continue the themes and reforms that began with the 2019 Secure Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect.

Note 2 Summary of Accounting Policies

Basis of Accounting The financial statements are prepared on the accrual basis of accounting.

Investment Valuations and Income Recognition Investments in Mutual of America Life Insurance Company were made in accordance with a group annuity contract, which represents participation units in the insurance company's pooled separate accounts.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by investment advisers, custodians, or trustees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Note 2 Summary of Accounting Policies (Continued)

Payment of Benefits The Plan records benefits when paid. Total vested benefits due to terminated participants but not paid was $5,870,777 as of June 30, 2024.

Accounting for Uncertainty in Income Taxes Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Subsequent Events In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through March 7, 2025, the date the financial statements were available to be issued.

Note 3 Information Prepared and Certified by the Trustee

The following is a summary of the Plan's asset information as of June 30, 2024 and 2023, and for the year ended June 30, 2024, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets at June 30:

	2024	2023
Pooled separate accounts	$12,726,549	$10,842,123
Cash equivalent, interest accumulation account	770,005	816,192

The trustee also certified to the completeness and accuracy of $1,718,402 of net appreciation in fair value and $17,082 of interest income on investments for the year ended June 30, 2024.

Note 4 Transactions with Parties-In-Interest

Mutual of America Life Insurance Company, the Plan's trustee, and Atherton & Associates, LLP, the Plan's auditor, qualify as parties-in-interest according to Section 3(14) of ERISA.

Note 5 Income Tax Status

The Plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Code. Although the Plan is not required to receive a tax determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 6 Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account and balances and the amounts reported in the statements of net assets available for benefits.

Note 8 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Note 8 Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at June 30, 2024 and 2023. Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: Primarily valued daily at net asset value per share, which is equal to the total value of all the securities in each fund's portfolio less any liabilities.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	June 30, 2024			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$12,726,549	$ -	$ -	$12,726,549
Total assets at fair value in hierarchy	$12,726,549	$ -	$ -	$12,726,549

	June 30, 2023			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$10,842,123	$ -	$ -	$10,842,123
Total assets at fair value in hierarchy	$10,842,123	$ -	$ -	$10,842,123

Note 9 Nonexempt Transactions

During the year ended June 30, 2023, the Plan Sponsor inadvertently failed to deposit $27,426 of participant deferrals within the required time frame as stated by the United States Department of Labor regulations. The Plan Sponsor has reimbursed the Plan for lost earnings on the 2023 delinquent participant contributions as of financial statement issuance date.
