These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by The Hartford Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executed investment transactions. The plan administrator has obtained certifications from the custodian as of and for the years ended December 31, 2009 and 2008, that the information provided to the Plan administrator by the custodian is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

TELTRONICS, INC. SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 AND 2008

Note 1 - Description of Plan

The following brief description of the Teltronics, Inc. Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement or Summary Plan Description for more complete description of the Plan's provisions information.

General: The Plan was adopted effective October 1, 1989 as a defined contribution plan covering all eligible employees of Teltronics, Inc. (the Company). The Plan was amended in its entirety and restated effective January 1, 2002. The Plan was amended effective January 1, 2002 and January 1, 2006 to change certain plan provisions and to comply with changes in the law and IRS regulations and effective January 1, 2007 to provide for the automatic enrollment of eligible employees.

Employees who are at least eighteen years of age and have completed ninety days of service are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may contribute to the Plan on a pretax basis up to 100% of their annual compensation up to certain limits. Participants who reach the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The plan currently offers various mutual funds through The Hartford Life Insurance Company as investment options for participants. The Company, at its discretion, may make matching contributions and qualified non-elective contributions in accordance with the Plan. The Company made one discretionary matching contribution in January 2009 and suspended discretionary matching contributions for the remainder of the year.

Participant accounts: Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of benefits: A participant with an account balance of $1,000 or less receives his/her account balance in a lump sum distribution immediately upon retirement or termination of employment. Upon termination, retirement or disability, a participant with an account balance greater than $1,000 may elect to receive his/her account balance in a lump sum distribution. If a participant dies, a death benefit equal to his/her account balance is paid to the participant's beneficiary.

Generally, the Plan must begin minimum distributions of vested balances of participants reaching age 70½. All other active participants may only receive a distribution in the event of financial hardship, as defined by the Internal Revenue Service and set forth in the Plan.

Vesting: Participants are immediately 100% vested in their voluntary pre-tax contributions plus actual earnings thereon. Vesting in any Company contributions in their accounts is based on years of continuous service. A participant is 100% vested after he/she attains three years of credited service, reaches normal retirement age, dies, or becomes totally and permanently disabled.

Note 1 - Description of Plan (continued)

Participant loans: Participants may borrow from their fund account the lesser of one-half of the present value of the non-forfeitable accrued benefits of the Participant under the Plan, or $50,000. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Interest rates range from 4% to 10.5%. Principal and interest are paid ratably through bi-weekly payroll deductions.

Forfeitures: Forfeitures of non-vested accounts are used to pay for administrative expenses of the Plan. Forfeitures available to pay administrative expenses were $281 at December 31, 2009 and $3,137 at December 31, 2008.

Note 2 - Summary of Accounting Policies

Investment valuation and income recognition: Investments are stated at fair value, based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Participant loans are valued at their outstanding balance, which approximates fair value.

Contributions: Contributions from Plan participants are recorded in the plan year the Company makes the payroll deductions from the participants' wages. Any corresponding contribution from the Company is recorded in the same Plan year.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: The Company absorbs the costs of maintaining and administering the Plan. Custodian and third party administrator fees are paid out of Plan assets.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. Actual results could differ from those estimates.

Note 3 - Tax Status

The Plan obtained its latest determination letter on July 31, 2006, in which the Internal Revenue Service stated that the Plan, as then designed and amended, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator and the Plan's ERISA counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 4 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 5 - Investments

The Plan holds a nonparticipant-directed investment in the common stock of Teltronics, Inc., the Plan sponsor.

Note 8 - Risks and Uncertainties

Investment securities held by the Plan are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Note 9 - Subsequent Events

Management has evaluated subsequent events through October 5, 2010, the date that the financial statements were available to be issued.
